Date: December 9, 2021

Public: None

Staff Present: Jonn Lunsford

Called to Order: 4:01pm

Minutes: November meeting minutes approved as edited

Public Comment: None

Public Art Brochure: Zach and Laura discussed the project. Marius will provide photos. A main impetus for doing this work is to have a complete list of art in the city. There are some questions as to who owns what; e.g., port, city, school, hospital. Zach noted this is an effort to complete next year as there are still many questions to answer.

MOU Agreement: Brief discussion. Darlene asked members to see if we could have a percentage to discuss at the January meeting.

98221 Gallery: Laura and Terry led the discussion on how to best get the word out on the opening of the gallery. There were some email glitches early on for submissions. It was noted a benefit to the return of the gallery was that some artists who had never shown their work before were selected this time. Discussion around inviting the public to a future event. February 4th was discussed as an option.

Other business: Zach reported that Kate Clark does not have time at the moment to apply to join the Commission, but could help with special events. There was a discussion of the Procession of the Species and an Illumination Parade on Guemus Island. Discussion of inviting other people to attend a meeting with the idea of adding Commission members.
