Members Absent: Frank Jeretzky, Jack Curtis

Staff Present: Don Measamer, Dave Oicles

Minutes: The minutes from September 14, 2022, were accepted as presented.

Correspondence: None

New Business: None

Old Business: **Public Hearing: Critical Areas Regulation Amendments to address Riparian Management Zones, AMC 19.70.330**

Don Measamer, PCED Director, continued his discussion on the critical areas regulation amendments to address riparian management zones in AMC 19.70.330, version 3. Measamer mentioned that he would like the amendments to go to City Council by the October 18, 2022, deadline, but mentioned an extension request was an option. Measamer gave a PowerPoint presentation on the subject matter and discussed wetland buffer averaging not reduced less than 75%, Riparian Mgt Zones, and defined Riparian Mgt Zones and SPTH. He also provided maps of stream locations and current vacate lots near those streams. Measamer incorporated recommendations from both WA Department of Fish & Wildlife and Department of Commerce.

At 6:16pm Chair MacKenzie opened the public hearing for comments. There were no public comments. The floor was closed to public comment at 6:17pm. Commissioners asked questions which were answered by Staff. Commissioner MacKenzie made a motion to move the proposal to City Council as presented in the Staff's report. Commissioner Graf seconded the motion. Commissioners voted 5-0 to approve the motion. Motion carried.

With no further discussion, Commissioner Chair MacKenzie concluded the meeting at 6:26pm.
