Correspondence & Communication:

Jonn reported that the Arts Festival is planning a Christmas Art show and event at the Depot. They are also planning to do a light display in the Madrona Grove. Jonn also updated the Board on the MOU. It is currently in review with Maria and will then just need final signatures. The latest update on the Regeneration piece is that the artists are wanting to change the piece to an 18 inch tall wall that will be about eight feet long.

98221 Gallery:

Terry and Diane have been meeting to review the steps and duties of the show. The artists have until November 10th to submit their work and then hanging of the show will take place on the 28th. The December Art Walk is December 2nd from 6-8pm and City Hall will be open for that evening. The next call will be in the spring A-Town.

AmpFest/Yule Bizarre Update:

This event will be in December and they are still looking for a working artist. This event will be at Buxton's.

Public Art Map:

This is still in the works and the next steps are to put together the routes. It was mentioned that having QR codes would be helpful. Adam Farnsworth is a great resource for this.

Other Business:

The Wonderland Walk is being held again in December, the Board expressed support for decorating a site again this year. It will be a "Selfie Site" with Zack providing frames and the Parks crew will help decorate the site. Laura will reach out to Betsy about a Joe Treat sculpture for the event.

Meeting adjourned at 4:21pm
