98221 Gallery:

There was a great turnout! Artists were excited to show their work. Terry is recommending that we continue to use this gallery as a place to showcase emerging artists. Diane is taking on this project and Betty will be helping as well.

MOU Update:

The agreement has been signed by Maria and it is in process for approval with Darcy.

Public Art Map:

Lisa presented a map with several loops to include all art pieces. There will be a walking loop on the Tommy Thompson Parkway, and one downtown. Then there will be two driving loops, one on the outside of the island, and another closer to town. All information and lists will need to be combined and then photos added. There was discussion about adding QR codes that would link to a website with additional information. Darby will work with GIS to make a map with links to the art.

30th & R Roundabout:

Public Works is in the beginning stages of planning for the new 30th and R Ave roundabout. They are wanting to know if the Board would like to work with the Arts Festival to place a piece there. Representatives from the Arts Festival will attend a future meeting to discuss.

Other Business:

The Wonderland Walk was a huge success! Lots of people enjoyed the "Selfie Site".

The Picket Pocket Park needs to be updated with a new photo of Bobo and verification of location with the website and Google listing.

This is Terry's last meeting as a Board member. She will be greatly missed!

Meeting adjourned at 4:25pm

Respectfully submitted by Darby Jordan
