

June 14th, 2023

Members Present: Lisa Rhodes, Bob Hogan, Dona Reed, Zack Wight, Mark Gardner, Betty Connor, Clara Jeong

Staff Present: Darby Jordan

Called to Order: 4:03 PM

Minutes: May minutes were unanimously approved.

Public Comments: None

Correspondence & Communication: None

98221 Gallery:

The Art Walk at the beginning of the month went well. However, there were no sales. Feedback from some of the artists is to have shorter shows. It is difficult to have their art tied up for so long. Bob will continue promoting the show online through social media. It was suggested that the Commission could purchase plexiglass cubes as the ones in use now are Terry's.

Public Art Map:

City staff have produced a map with the art pieces marked. Lisa to review and notate.

Other Business:

Zack spoke about the Procession of the Species, held on June 10th. It went well with about 60-70 people participating. There was an article in the paper and photos on Facebook. Discussion was had about why that date was chosen and the other events happening at that time of year.

Bob spoke about Pianocortes. The Commission decided that the first step is to find someone that can tune the pianos.

Meeting adjourned at 4:41pm

Respectfully submitted by Darby Jordan
