Anacortes Procession of the Species & Luminary Parade: Guests included Lolinda Bird, Peggy Flynn, Andy Stewart and Don Bird. The plan is to have an event on Earth Day (April 20th) that includes an afternoon procession of the species parade on from the Depot, up Sixth Street, and in a circle on Commercial and back to the Depot. The Luminary Parade will replicate this path, but at dark. Organizers hope to have an event on Commercial Avenue with food and entertainment during this time. They are looking for City sponsorship of the Depot use. Discussion ensued and concerns about evening street closure. Depot rental support amongst members.

Minutes of the December meeting were approved.

Correspondence: Communication about the upcoming Madrona Grove show.

Other Business: There was a discussion about stipends for the upcoming Madrona Grove show. Staff and Commission members also discussed potential youth art classes and show at the Anacortes Senior Center Foundation. Question was raised about the future purchase of public art.
