City Council Agenda Bill

Meeting Date: April 28, 2025 **Agenda Item:** 6.a.

Agenda Item Title: Contract Modification: WWTP Pump Station 16 Reconstruction - Design #23-259-SEW-001

Staff Contact(s): Andrew Rheume, Logan Lee

<u>Approved for Submittal to Council by</u>	<u>Action Type</u>
Tiffany Matson	Contract Modification
Andrew Rheume	

Item Summary: City staff seeks Council consent to issue a contract modification to Wilson Engineering, L.L.C. in the amount of \$181,712.00, increasing the total contract price to \$440,002.00, to provide construction phase services for the Sewer Pump Station 16 Upgrade project. This scope of work includes access to a variety of specialized sub-consultants to provide technical expertise.

Background:

1. Reason for Contract Change: The contract mod will add construction support for pump station 16 reconstruction. This scope of work includes access to a variety of specialized sub-consultants to provide technical expertise.

2. History: Pump Station 16 is located at the corner of Anaco Beach Road and Beachwood Lane. This station serves homes between Queen Ann Way, Marine Heights, and Anaco Beach. This sewershed is a known source of significant inflow and infiltration (I&I) and during peak rain events this station is near its acceptable maximum duty cycle and lacking in redundancy. Any mechanical or electrical power failure at this station during wet periods will quickly surcharge the 8" collector line along Anaco Beach Road and could result in a sanitary sewer overflow (SSO) to Clyde Creek, across one of the properties downslope, or through any one of the homes along Anaco Beach. This project is deemed necessary to insure against such an outcome. While I&I reduction efforts will continue in this area, such reductions are far from guaranteed and there still exists potential for further development within the sewershed, thus the decision was made to harden this station. This project will increase hydraulic capacity of the lift station, create hydraulic storage in the event of mechanical failure, and install permanent backup power generation. The existing 20 HP Flygt pumps will be upgraded to 200 gpm capacity. A 20-ft deep storage vault with

transfer pump will be able to store sewage up to several hours during peak hourly storm flows. A Cummins 80kW genset with 24-hour fuel capacity will be permanently installed atop the storage vault. A magnetic flowmeter will be installed into the existing 4" force main.

3. Competitive Bidding: Per RCW 39.80 this engineering consultant was selected from the City's MRSC Architectural, Landscape Architectural, and Engineering Service Roster to provide a proposal for this scope of work, after which a price was negotiated.

4. Key Terms:

- Contract is on a time and materials basis not-to-exceed \$440,002.00.
- The term is through 12/31/26.

SCOPE OF WORK

A detailed description of the tasks required to complete this scope of work is detailed herein. We will provide written reports of the field and laboratory tests at the completion of each task.

Earthwork Related Services

Field Inspection: Our services will consist of performing a visual inspection of foundation and civil subgrade conditions for conformance to the approved plans, specifications, and building codes.

Testing: In-place density testing will be performed with the nuclear gauge to verify that the minimum compaction requirements are attained at frequencies specified by the contract documents.

Laboratory Testing: Laboratory analysis of soils/aggregate to be utilized during construction will be performed to verify conformance to the project specifications. This may include sampling and testing prior to materials being imported to the project site, if requested.

Special Inspection of Reinforced Concrete

We will provide a WABO certified Special Inspector to perform special inspection of the concrete form work, reinforcing steel placement, structural embeds, and concrete placement.

Our inspector will provide continuous inspection during the placement of structural concrete to verify proper application techniques.

Our inspector will sample fresh concrete and obtain samples for strength testing, perform slump and air entrainment tests and monitor the temperature of the concrete. A set of test cylinders will be made at frequencies specified within the contract documents, for each class of concrete placed each day.

Strength test cylinders will be cured in our laboratory until they are tested at ages specified within the project specifications. Copies of the results of all compression tests will be provided upon completion of the test.

Special Inspection of Post Installed Anchors

We will provide a WABO certified Special Inspector to perform inspection of the installation of post installed anchors for compliance with the approved plans, job specifications, ICC-ES reports, and building codes. These inspections typically consist of epoxy dowel, wedge anchor, and hold downs.

Assumptions

Assumptions made in developing our fee proposal include:

- Six site visits for compaction testing.
- Five concrete inspections with reinforcement inspected the same day as the pour.
- Two post installed anchor inspections.

Added Services

Our base estimate may vary due to unforeseen circumstances that may develop during the work or due to extended construction duration. Under these circumstances, a revision to our scope, schedule, and/or fee will likely be required. Certerra will notify you if/when we anticipate that it will be necessary for us to provide services in addition to our base scope and will obtain written confirmation that we are authorized to do so.

Professional Insurance

We maintain liability and workers' compensation insurance coverage and amounts consistent with industry standards for the services being proposed herein. Certificates of insurance will be provided upon request.

Closure

Our services will be performed in a manner consistent with the level of care and skill ordinarily exercised by members of the same profession currently providing the same or similar services under similar circumstances in the same locality and in accordance with applicable standards in effect at the time the services are performed. This warranty is in lieu of all other warranties, either expressed or implied.

By signing below, you hereby authorize Certerra to proceed with services outlined in this proposal and agree that all services and anything arising out of or in any way related to this proposal will be governed by Certerra's Fee Schedule and General Conditions which are attached hereto and are incorporated herein by reference. This authorization to proceed constitutes an agreement between you and Certerra and is made in consideration of the mutual promises and covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged.

Thank you for the opportunity to submit this proposal. We look forward to working with you on this project. **If you have any questions regarding this proposal, please contact Dave Bufalini at dbufalini@certerra.com or 360.410.8170.**

City Council Agenda Bill

Meeting Date: April 28, 2025 **Agenda Item:** 6.b.

Agenda Item Title: Resolution 3181: Personnel Policy Updates

Staff Contact(s): Kendall Moyle

Approved for Submittal to Council by **Action Type**

Greg Francioch
Kendall Moyle
Steve Hoglund
Darcy Swetnam

Resolution

Item Summary: The Personnel Policies are regularly updated to ensure compliance with evolving employment laws. WCIA engaged Kristin Anger, an employment law attorney with Summit Law, to review the proposed revisions and recommend any necessary adjustments.

Updating these policies is a collaborative effort. Employees and union representatives reviewed and provided feedback on the draft policies between March 10 and April 1, 2025. The Personnel Committee then met on April 4, 2025, to review the proposed changes.

Policy Update Synopsis:

Policy 201 (3a) – Equal Employment Opportunity: Sentence concerning reasonable accommodation for pregnancy and childbirth rephrased for clarity; policy remains unchanged.

Policy 206 (3) – Probationary Period: Addition made to clarify the definition of an at-will employee for better understanding.

Policy 501 – Health and Welfare Benefits Eligibility: Update made to simplify the City's implementation of Affordable Care Act measurement and administrative periods.

Policy 503a(7) – Holidays: Adjustment of floating holiday being taken within the pay period to align with current practice.

Policy 508 (5) – Dual Insurance Incentive: Revision made to align with enrollment form language, allowing the lowest-cost PPO plan to be based on either the employee-only or family premium, as determined by Human Resources.

Policy 605(1) – Security: Revision made to align with RCW 49.44.230, which governs searches of employees' personal vehicles. While the law primarily addresses searches, subsection 1(b) clarifies that employees may possess property in their

vehicles as long as it is permitted by law.

Policy 702 (1c) – Washington Paid Sick Leave (WPSL): Addition of Washington Paid Sick Leave amendments by Labor & Industries that took effect 1/1/2025.

Policy 702 (2e) – City Paid Sick Leave: Reverting City sick leave policy language to its 2021 version to distinguish it from Washington Paid Sick Leave. Specifically, the policy outlines the circumstances that City sick leave may be used for.

Policy 702 (4f) – Family and Medical Leave ("FMLA"): Sentence concerning FMLA usage for child bonding leave rephrased for clarity; policy remains unchanged.

Policy 702 (5e) – Washington Paid Family and Medical Leave ("PFML"): Adjustment made to allow paid leave accruals to be considered supplemental to Paid Family Medical Leave (PFML), allowing employees to utilize their leave accruals without impacting their weekly PFML benefit from the state.

Policy 702 (12) – Coordination of Wages with Worker's Compensation: Addition to policy to ensure accountability and help prevent overpayment and potential misuse if time-loss checks are not returned to the City.

Policy 704 – Meal Breaks: Addition made to Meal Break policy to ensure compliance by protecting nonexempt employees' meal breaks, clarifying supervisory responsibilities, and establishing a transparent waiver process.

Policy 802 (2) – Personal Appearance of Employees: Addition made to policy to promote a more comfortable work environment for those with fragrance sensitivities, by stating employees should refrain from the excessive use of scented products.

Policy 905 – Telecommuting: Addition of new policy permitting telecommuting arrangements within established parameters, subject to supervisor approval.

****Not all edits made to the Personnel Policies are included. Those not included consist of formatting changes, grammatical and spelling corrections, slight edits, and minor revisions that do not change practice or procedure.***

PERSONNEL RESPONSIBILITIES

Policy 100 Receipt Of Personnel Policies

All employees should read the following, and then sign, date and return the form to Human Resources. The form will be placed in the employee's personnel file.

Enclosed are the City of Anacortes's Personnel Policies. It is your responsibility to read these policies, as they will acquaint you with your employee benefits, our personnel practices and rules, and organizational philosophy. The most current personnel policies are always available on the City website for your review. Please pay special attention to our Addendums that contain additional policies and information.

It is important to understand that these policies do not create an employment contract or a guarantee of employment of any specific duration between the City and its employees. These policies are general guidelines and do not constitute promises of specific treatment in specific circumstances. Although we hope that your employment relationship with us will be long term, we recognize that at times things do not always work out as hoped, and either of us may decide to terminate the employment relationship.

As the City grows and changes, the Personnel Policies may change. The City, therefore, reserves the right to revise, supplement, clarify or rescind any policy or portion of a policy when deemed appropriate by the Mayor. You will be notified of any such changes.

If you have any questions about these policies or any other policies of the City, please feel free to ask your supervisor, department head, Human Resources, or the Mayor.

I have read and understand the statement above.

To: All Supervisors & Managers
Re: Personnel Policies

The Personnel Policies have been prepared as a guide and reference for members of management at all levels of supervisory responsibility. This information is to be used to help guide employer/employee relations. The Personnel Policies have the approval of the City Council, Mayor, and department heads.

We believe that it is in the best interest of the organization and our employees to have written personnel policies to help the City of Anacortes meet our mission, to prevent misunderstandings and problems, and to ensure that all employees know what is expected of them. It is essential that all members of management understand the role of these policies in meeting the organization's objectives and in limiting our legal exposure.

Any policy, however, is only as good as its implementation. Supervisors and managers who are in direct contact with, and responsible for, a group of employees are essential to effective policy implementation. You are the individuals who must translate these ideas and principles into action.

Please understand that no supervisor, manager, or representative of the City has the authority to make any written or verbal statements or representations which are inconsistent with these policies without prior written approval from the Mayor. We depend upon you for the successful development of a productive, legal, and harmonious working environment for our employees.

Accordingly, I request that you thoroughly familiarize yourself with the contents of these Personnel Policies so that all policies and procedures of the organization may be administered appropriately.

Mayor Matt Miller

Policy 102 Function of Personnel Policies

These personnel policies (“policies”) should be used as an outline of the basic personnel policies, practices, and procedures for the organization.

1. The Personnel Policies contain general statements of the City of Anacortes and should not be read as including the details of each policy. However, in many cases details are provided and appropriate cross-references are made. These policies should not be interpreted as forming an express or implied contract or promise that the policies discussed in it will be applied in all cases. The City of Anacortes may add to the policies, revoke, or modify them from time to time. The City will make efforts to keep the policies current, but there may be times when policy will change before this material can be revised.
2. These policies shall apply to all City employees. They shall not apply to independent contractors or elected officials, provided that the policy sections on Reimbursement of Employee Expenses (**see** Policies 401-405) and Employee Benefits (**see** Policies 501 and 507) shall apply to the Mayor, who shall be eligible to participate in City employee benefit programs and subject to applicable policies regarding those benefit programs. In the event of conflict between any provision of these policies and any provision of a valid and effective collective bargaining agreement, employee contract, or applicable Civil Service Rules and regulations, the provisions of the contract and/or the Civil Service Rules shall govern. In all other cases, these policies shall govern.
3. Except as specified below, non-represented employees can be terminated only “for cause.” Simply defined, “for cause” generally means that the employer has a valid performance, conduct, or attitude-related reason for disciplining or terminating the employee, or that there is a valid budgetary, operational, or other legitimate reason for termination. Probationary employees are “at-will” employees and can be terminated without cause. Employees who have an individual contract designating their employment as “at will” can also be terminated without cause.
4. Human Resources is responsible for distribution of the Personnel Policies to employees.
5. Human Resources will continue to review and recommend changes to the Mayor in the City of Anacortes’s personnel policies. Department heads and supervisors are encouraged to recommend changes or new policies. Human Resources is responsible for disseminating new policy information.
6. Department heads and supervisors should refer to the policies whenever questions of policy interpretation or implementation arise. Issues needing clarification should be referred to Human Resources. From time to time, the City may adopt temporary or emergency policies and practices to address a public health emergency or other unusual circumstances. Such policies and procedures will be communicated to affected employees as appropriate to the situation. Employees are responsible for reviewing and complying with any policies or addendums that supplement these policies.
7. Terms as used in the policies:
 - a. “Supervisor” means an individual with the authority to assign, direct, and review the work of one or more subordinates; and
 - b. “Domestic Partner” means a person whom an employee identifies as their domestic partner and who together are registered as a domestic partnership with the Washington State Secretary’s State Registry.
 - c. “Protected Class” means groups protected from discrimination by law on the basis of race, religion, creed, color, genetic information, sex/gender, sexual orientation, gender expression, gender identity, pregnancy, age, national origin, citizenship or immigration status, disability or use of a trained guide dog or service animal by a person with a disability, status as a victim of domestic violence, sexual assault, or stalking, marital

Employment

Policy 201 Equal Employment Opportunity

The City of Anacortes is an equal opportunity employer. The City of Anacortes does not discriminate in employment decisions or policies in violation of law on the basis of protected class. This policy applies to all terms and conditions of employment, including hiring, placement, promotion, termination, reduction in force, recall, transfer, leaves of absence, compensation, and training.

1. Reasonable Accommodation of Disabilities
 - a. The City of Anacortes complies fully with its duty to provide reasonable accommodation to allow an employee with physical or mental disabilities to perform the essential functions of the employee's job. Employees who have a disability that limits their ability to perform their job should contact Human Resources to inform the City of their disability and request for accommodation.
 - b. In order to provide a reasonable accommodation, the City of Anacortes may seek to communicate with the employee's medical provider to gain a better understanding of any limitations they possess, and given those limitations, the means by which an accommodation would allow the employee to perform the essential functions of a position. Employees may be asked to submit to a medical examination by an independent medical provider to confirm their medical condition and resulting limitations. After returning from disability-related leave, the City of Anacortes may request that an employee undergo a fitness for duty examination to ensure that they are capable of performing the essential functions of the job.
 - c. If an employee qualifies, the City of Anacortes will work with the employee and their medical providers to provide the employee with reasonable accommodation so that the employee can continue to perform the job. This may include making changes to the employee's work schedule, changing some of the job duties or transferring the employee to another position that the employee is able to perform.
2. Reasonable Accommodation of Religious Beliefs:
 - a. The City of Anacortes complies fully with its duty to provide a reasonable accommodation of any employee's sincerely held religious beliefs, unless the City of Anacortes believes such an accommodation would create an undue hardship or is contrary to the City's commitment to equal opportunity. For example, if an employee requires a certain work schedule or a particular day off for religious observance, or to dress or attire oneself in a way that varies from any dress code adopted by the City, the employee must contact Human Resources to request accommodation.
3. Reasonable Accommodation of Pregnancy:
 - a. An employee who needs accommodation due to pregnancy may be afforded the following accommodations with or without medical certification: frequent, longer, or flexible restroom breaks; seating or allowing the employee to sit more frequently; and limiting lifting to 17 pounds or less. In addition, the City will provide reasonable accommodation to an employee's known limitations relating to pregnancy, childbirth or related medical conditions unless the accommodation would cause undue hardship. a pregnant employee may be entitled to other workplace accommodation(s), as long as there is no significant difficulty or expense Accommodations may be and subject to written certification from a health care professional regarding the need for the requested accommodation.

Policy 202 Productive Work Environment (Complaints of Unlawful Discrimination, Harassment, or Retaliation)

The City of Anacortes promotes a productive work environment and does not tolerate unlawful discrimination, harassment, or retaliation.

1. The City of Anacortes is committed to providing a workplace that is free from unlawful discrimination. Unlawful discrimination occurs when an employee is disciplined, terminated, demoted, or suffers some other adverse consequence in their employment on the basis of protected class (referred to in this policy as “protected classes” or “protected class status”).
2. The City of Anacortes is committed to providing a work environment which is free from unlawful harassment. The City expressly prohibits any form of unlawful harassment by or against its employees on the basis of any protected class status.
3. Sexual harassment is conduct that is directed at an employee because of their sex, is unwelcome, and is offensive. Each supervisor and manager have a responsibility to keep the workplace free of any form of harassment, and in particular, sexual harassment. No supervisor or manager is to threaten or insinuate, either explicitly or implicitly, that an employee’s refusal or willingness to submit to sexual advances will affect the employee’s terms or conditions of employment. Romantic or sexual relationships between co-workers where one individual has influence or control over the other’s conditions of employment can create a range of potential issues, including actual or perceived favoritism, bias, conflicts of interest and even harassment. As a result, supervisors and employees are required to disclose such a relationship to Human Resources so that the City may evaluate the need for changes in reporting relationships or other modifications to avoid actual or potential problems.
4. Other sexually harassing or offensive and discriminatory conduct in the workplace, whether committed by supervisors, managers, non-supervisory employees, or non-employees, is also prohibited. Prohibited conduct includes, but is not limited to:
 - a. Unwanted physical contact or conduct of any kind, including sexual flirtations, touching, advances, or propositions;
 - b. Verbal harassment of a sexual nature, such as lewd comments, sexual jokes or references, and offensive personal references;
 - c. Demeaning, insulting, intimidating, or sexually suggestive comments about an individual;
 - d. The display in the workplace of demeaning, insulting, intimidating, or sexually suggestive objects, pictures, or photographs;
 - e. Demeaning, insulting, intimidating, or sexually suggestive written, recorded, or electronically transmitted messages.

Any of the above conduct, or other offensive conduct directed at individuals on the basis of protected class status is strictly prohibited.

5. The City of Anacortes is committed to providing a workplace that is free from unlawful retaliation. The City of Anacortes prohibits any form of retaliation against any employee for good faith actions in filing a complaint under the City’s discrimination and harassment policies, and for participating in the investigation of any complaint of discrimination or harassment. Improper retaliation may include, but is not limited to, discipline, termination, transfers, assignment of unfavorable duties, or treating the employee who made the complaint in a hostile manner when such action or behavior is motivated in substantial part by the employee’s participation in protected activity. Employees who bring complaints may be subject to discipline if the investigation reveals that the complaint was made in bad faith.
6. Complaint Process. An employee who feels harassed should immediately tell the offending individual how they feel and ask them to stop. If that does not work or if the employee is uncomfortable confronting the offending individual, the employee should report the incident

promptly. A complaint can be made verbally or in writing to Human Resources. In the alternative, as the employee may wish, the complaint may be brought to the attention of the Mayor. If an employee brings the complaint to the attention of another manager, the manager is obligated to report the complaint to Human Resources and/or the Mayor within one day.

A harassment complaint generally will be handled as follows:

- a. Every complaint is to be reported promptly, whether by the complainant or by the person receiving the complaint. If reported verbally, the person taking the complaint should produce a written statement for the complainant to review and sign.
 - b. The complaint will be investigated as soon as reasonably practicable. Choice of investigator, level of formality, and the procedures used in the investigation may vary, depending upon the nature of the allegations and full circumstances of the situation, including the context in which the alleged incidents occurred.
 - c. Confidentiality will be maintained throughout the investigatory process to the extent practical and consistent with the need to undertake a full investigation.
 - d. There shall be no retaliation by the City, its officers, managers, or other employees toward any employee bringing a complaint in good faith or cooperating with the investigation of a harassment complaint. Any person who feels they have been retaliated against, should immediately report their concern to Human Resources. The City strictly prohibits retaliation under this policy, and any sustained allegations of retaliation will lead to discipline, up to and including termination.
 - e. Where the investigation confirms the allegation of unlawful harassment or retaliation, the City will take prompt corrective action, and, where appropriate, discipline the offending individual. Discipline may include verbal and written reprimands, professional counseling, reassignment, demotion, or other appropriate action, up to and including termination. The affected individuals will be informed of the outcome of the investigation.
7. All officers and managers are assigned responsibility for implementing this policy, ensuring compliance with and knowledge of its terms, and for taking immediate and appropriate corrective action if they witness inappropriate behavior or receive a complaint. Managers must open and maintain channels of communication to permit employees to raise concerns of sexual or other workplace harassment without fear of retaliation, stop any observed harassment, and treat harassment matters with sensitivity, confidentiality, and objectivity. A manager's failure to carry out these responsibilities may result in disciplinary action up to and including termination.

Policy 203 Workplace Violence

The City of Anacortes is committed to providing a safe workplace for its employees, guests, contractors, vendors, and the public. Therefore, in an effort to help prevent or reduce the possibility of violence here in our workplace, the City of Anacortes has implemented this policy on workplace violence for our employees.

1. Workplace Violence Prohibition. The City of Anacortes strictly prohibits threatened or actual workplace violence. This includes, but is not limited to, any of the following conduct associated in or around the workplace, or otherwise related to employment:
 - a. Threatening injury or damage against a person or property
 - b. Fighting or threatening to fight with another person
 - c. Threatening to use a weapon on City of Anacortes premises (unless such threat is a lawful use of force by an employee required to carry a firearm or weapon as a condition of employment)
 - d. Abusing or injuring another person
 - e. Abusing or damaging property
 - f. Using obscene or abusive language or gestures in a threatening manner
 - g. Raising voices in a threatening manner
 - h. Because of the potential for misunderstanding, joking about any of the above misconduct is also prohibited.
2. "City of Anacortes Premises" Definition: The term "premises" means all areas within the ownership and/or control of the City of Anacortes, including, but not limited to, buildings, offices, work areas, lounges, parking lots, desks, cabinets, lockers, storage areas, and any other property on which employees may work. The City of Anacortes reserves the right to search all facility premises when the facility management determines that such a search is a reasonable and necessary precaution for workplace safety.
3. Reporting Violent Conduct. Any workplace violence incidents or incidents indicating a potential for violence are to be reported by an employee to the Human Resources Director as soon as possible. Incident reports are to be completed, as appropriate. If the City of Anacortes determines that an employee has violated this policy, the employee will be subject to immediate discipline up to and including termination. Human Resources and department head shall handle concerns with members of the public or other parties as it determines under its policies and procedures.
4. Imminent Danger/Violence Incident Procedure. Any employee who believes that a situation with an aggressive employee, resident, guest, contractor, vendor, or other party (e.g., any person who uses obscene or abusive language or gestures, makes threats or acts in a violent or threatening manner) may immediately become violent putting the employee or others in imminent danger, the employee should promptly leave the work area and immediately call 911 to request officer contact. No disciplinary action shall be taken against any employee who leaves a work area when the employee has a reasonable belief that an emerging situation with an aggressive person is likely to turn violent at that time. The employee should coordinate the timing and circumstances of possible return by the employee to the area with police and their immediate manager.
5. Security Precautions. All City of Anacortes security policies and rules must be adhered to at all times. To prevent inappropriate outsider access, facility solicitation and access rules must be strictly followed. It is especially important that building security rules and procedures are specifically enforced at all times (e.g., doors locked after hours). Failure to comply with these requirements may lead to disciplinary action, up to and including involuntary termination. The following expectations also apply to all employees:
 - a. Being familiar with all safety and health procedures relevant to the operations under their

supervision;

- b. Inspecting their work areas periodically;
- c. Identifying conditions that are recognized as being unsafe; and
- d. Reporting accidents and injuries to the immediate manager, department head and Human Resources immediately and ensuring that any injured employee is referred to appropriate medical care (**see** Policy 205 Medical Examinations).

Policy 204 Hiring

The City of Anacortes is an equal opportunity employer and hires individuals solely based on their qualifications and ability to do the job to be filled.

1. The City of Anacortes will normally try to fill job openings above entry level positions by promoting from within if qualified internal applicants are available (**see** Policies 207 Transfer and 208 Promotion). In addition, the City of Anacortes will normally give consideration to any known qualified individuals who are on layoff status before recruiting applicants from outside the organization (**see** Policy 212 Layoff and Recall).
2. The City of Anacortes will consider a member of an employee's immediate family for employment if the applicant possesses all the qualifications for employment. An immediate family member may not be hired, however, if the employment would:
 - a. Create either a direct or indirect supervisor/subordinate relationship with a family member; or
 - b. Create an actual conflict of interest or the appearance of a conflict of interest.
3. These criteria will also be considered when assigning, transferring, or promoting an employee. For purposes of this policy, "immediate family" includes: the employee's spouse, domestic partner, brother, sister, mother, father, stepmother, stepfather, children, stepchildren, father-in-law, mother-in-law, sister-in-law, brother-in-law, daughter-in-law, son-in-law, and any other member of the employee's household.
4. Former employees who left the City of Anacortes in good standing may be considered for re-employment. Former employees who resigned without advance notice or who were dismissed for disciplinary reasons may not be considered for re-employment (**see** Policy 213 Termination of Employment).
5. A former employee who is re-employed will be considered a new employee from the date of re-employment unless the break in service is less than 6 months, in which case the employee will retain accumulated seniority. Length of service for the purposes of benefits is governed by the terms of each benefit plan (**see** Policy 501 Health and Welfare Benefits DisclosureEligibility).
6. Employees who retire may be eligible, in certain circumstances, to be considered for rehire (**see** Policy 214 Retirement).

Policy 205 Medical Examinations

The City of Anacortes may require applicants to whom a conditional offer of employment has been extended, and current employees, to undergo medical tests, procedures, or examinations whenever management determines that these are necessary for the safe or efficient operation of the organization and are job-related and consistent with business necessity.

1. Successful applicants for employment may be required as a condition of employment to submit to a medical examination to establish their fitness to perform the jobs for which they have applied without endangering the health and safety of themselves or others. If management determines that an examination is appropriate to a particular position, all applicants for the job to whom a conditional offer of employment has been made shall be examined.
2. Employees may be required to have a medical examination on other occasions when the examination is job-related and consistent with business necessity. For example, a medical examination may be required when an employee is exposed to toxic or unhealthful conditions, requests an accommodation for a particular disability, returns from a leave due to a medical condition, or has a questionable ability to perform essential job functions due to a medical condition.
3. Employees are encouraged, but not required unless it is determined to be a condition of employment, to have physical examinations periodically during their employment. Employees are encouraged, but not required, to participate in wellness programs.
4. Medical examinations required by the City of Anacortes will be paid for by the City and will be performed by a physician or licensed medical facility designated or approved by it. Medical examinations paid for by the City of Anacortes are the property of the City of Anacortes, and the examination records will be treated as confidential and kept in separate medical files. However, records of specific examinations, if required by law or regulation, will be made available to the employee, persons designated and authorized by the employee, public agencies, relevant insurance companies, or the employee's doctor.
5. Employees who need to use prescription or nonprescription legal drugs while at work must report this requirement to their supervisor if the use might impair their ability to perform their job safely and effectively. Depending on the circumstances, employees may be reassigned, prohibited from performing certain tasks, or prohibited from working if they are determined to be unable to perform their jobs safely and properly while taking prescription or nonprescription legal drugs (**see** Policy 808 Drugs, Narcotics, & Alcohol).
6. The City reserves the right, to the extent permitted by law, to require acceptable confirmation of the nature and extent of any illness or injury that requires an employee to be absent from scheduled work. The City also may require a second and, if appropriate, third medical opinion regarding an employee's absence because of illness or injury. The City will pay for any additional opinions it requires.
7. Employees returning from a disability leave or an absence caused by health problems may be required to provide a doctor's certification of their ability to perform their regular work satisfactorily without endangering themselves or their fellow employees.
8. Employees who become ill on the job or suffer any work-connected injury, no matter how minor, must report immediately to their supervisors. The supervisor will arrange referral for examination, treatment, and recording of the incident as necessary. Time an employee spends waiting for and receiving this medical attention will be considered hours worked for pay purposes.
9. The City also may require job applicants and current employees to take a test to determine the presence of drugs, narcotics, or alcohol, unless prohibited by law. For policies and procedures on this type of testing **see** Policy 808 Drugs, Narcotics, & Alcohol.

Policy 206 Probationary Period

The City of Anacortes carefully monitors and evaluates all new employees and all present employees transferred or promoted to a new job during an initial probationary period. After satisfactory completion of the probationary period, those employees will be evaluated as provided for in the Performance Review policy (**see** Policy 302 Performance Reviews).

1. Normally, the probationary period should last twelve months or as designated in the appropriate collective bargaining agreements and/or Civil Service Rules. Supervisors should carefully observe the performance of each employee in a new job position. Where appropriate, weaknesses in performance, behavior, or development should be brought to the employee's attention for correction.
2. Supervisors should prepare a written evaluation of the employee's job performance before the end of the probationary period in the new job (**see** Policy 302 Performance Reviews). The evaluation should include a recommendation as to whether the employee should continue in the position. Copies of the evaluation should be forwarded to the department head and Human Resources for inclusion in the employee's personnel file (**see** Policy 901 Personnel Records).
3. Employees generally will be allowed to continue in their new positions if they are given both a satisfactory evaluation by the end of their probationary period and their supervisor's endorsement to continue in the job. Employees who do not receive a satisfactory evaluation and endorsement may be given additional time in 30-day increments to demonstrate their ability to do the job, if the supervisor feels additional time is warranted in order to achieve acceptable job performance; during any such extension, the employee will remain in probationary status. Supervisors may recommend the termination of a probationary employee at any time. Probationary employees are at-will employees and may be terminated at any time, with or without cause. A recommendation for termination should be submitted in writing to Human Resources for review and should include an evaluation and a list of actions taken to assist the employee (**see** Policy 213 Termination of Employment). Action to terminate should have the prior approval of Human Resources.
4. At the discretion of management, transferred or promoted employees who are unable to perform satisfactorily in their new jobs may be returned to their original jobs, if a vacancy exists, or may be terminated (**see** Policies 207 Transfer and 208 Promotion).

Policy 207 Transfer

The City of Anacortes may at its discretion initiate or approve employee job transfers from one job to another or from one location to another.

1. The City of Anacortes may require employees to make either a temporary or long-term job transfer in order to accommodate the City's business needs. The City of Anacortes will try to limit the number and duration of temporary transfers that it requests from individual employees in a twelve-month period.
2. Employees may request a voluntary job transfer. To be eligible for a voluntary transfer, employees normally must meet the requirements of the new position, have held their current position for at least 12 months, have a satisfactory performance record, and have no disciplinary actions during the same period.
3. Job openings for which management solicits candidates from within the City of Anacortes are sent electronically to all staff through City-provided email. However, as it considers appropriate, management will fill job openings or make transfers without posting notices.
4. Internal Job Openings: Eligible employees who request a transfer generally will be considered in the following order, unless specified in a collective bargaining agreement:
 - a. Employees in the same department as the job opening;
 - b. Employees who are being considered for layoff because of a reduction in force or because of the elimination of their job (**see** Layoff and Recall, Policy 212); and
 - c. All other employees.
5. Application Process for Internal Job Openings: Requests for transfer normally should be handled as follows:
 - a. The employee should submit an internal job application form to Human Resources. Requests based on posted job openings must comply with the procedures described in Policy 208 Promotion, and should be initiated prior to the cut-off date specified in the posting. It is recommended that employees inform their immediate supervisor of their intent to apply for another position.
 - b. Human Resources and the hiring manager should determine if the requested job or a suitable job opening exists and whether the employee is eligible.
 - c. If the employee is eligible for a job opening, the hiring manager should arrange an interview with the candidate. The candidate will be allowed time off with pay for job interviews related to the transfer.
 - d. The department head with the job opening will make the final transfer decision, subject to prior approval of Human Resources and Mayor (**see** Policy 208 Promotion).
6. Transferred employees will be subject in their new positions to a six-month trial period. Regular step increases on January 1 will be maintained. Transferred employees may be required to have a medical examination if the examination is job-related and consistent with business necessity (**see** Policy 205 Medical Examinations).
7. Transferred employees will retain their existing City seniority.
8. Pay for transferred employees generally will be handled as follows:
 - a. Employees transferred to a job within the same salary range will continue to receive their existing rate of pay;
 - b. Employees transferred to a job in a higher salary range will be paid at a rate within the higher range to be determined at the time of transfer;
 - c. Employees transferred, for management's convenience, to a job in a lower salary range will usually be paid at their former rate. At management's discretion, however, employees may be paid at the rate of the new job; and
 - d. Employees who are transferred for disciplinary reasons, lack of work, budgetary reasons, municipal reorganization, or at their own request to a job in a lower salary

range will be paid at the lower rate beginning with the start of the new job.

Policy 208 Promotion

The City of Anacortes may offer employees promotions to higher-level positions when appropriate. Management prefers to promote from within and may first consider current employees with the necessary qualifications and skills to fill vacancies above the entry level, unless outside recruitment is considered to be in the City of Anacortes's best interest.

1. All employees are encouraged to seek advancement opportunities and to obtain promotion and career guidance from their supervisor, department head, and Human Resources.
2. Employee eligibility for promotion will be determined by the requirements of the new job. In addition, to be considered, employees must have held their current position for at least twelve months, have a satisfactory performance record, and have no disciplinary actions during the same period. Management retains the discretion to make exceptions to the policy.
3. Job openings and promotions for which management solicits candidates from within the City of Anacortes normally will be distributed via email to all city staff. However, as it considers appropriate, management may fill job openings or make promotions without posting notices. When job openings or promotion opportunities are posted:
 - a. Interested employees must complete an internal application form and cover letter and forward it to Human Resources prior to the cut-off date specified in the posting;
 - b. Human Resources may, at its discretion, solicit outside candidates during or after the posting period.
4. Employees who are candidates for job openings and promotions will be considered for the position (**see** Policy 207 Transfer).
5. Employee candidates for promotion will normally be screened and selected based on attendance and work records, performance reviews, and job-related qualifications including, in some instances, aptitude or achievement tests. Seniority will be considered if required by a labor contract. In addition, employees seeking promotion may be required to have a medical examination if the examination is job-related and consistent with business necessity (**see** Policy 205 Medical Examinations).
6. Promoted employees will be subject to six-month trial period as outlined in the Transfer policy (See Policy 207(6) Transfer).

Policy 209 Hours of Work

The City of Anacortes establishes the time and duration of working hours as required by workload and workflow, customer service needs, the efficient management of employees, and any applicable law or bargaining agreement.

1. The normal workweek is Sunday through Saturday, beginning and ending at midnight on Saturday, and consisting of forty hours. The normal workday will consist of eight hours of work with an unpaid meal period. Different work schedules, such as in the case of police, fire, water, and wastewater employees, may be established by the City to meet job assignments and provide necessary City services. Rest breaks are considered time worked.
2. Each employee's scheduled work hours will be determined by their department head. The department head, or the department head's designee, will inform employees of their daily schedule of hours of work, including meal periods and rest breaks, and of any changes that are considered necessary or desirable by the City of Anacortes (**see** Policies 703 Rest Breaks and 704 Meal Breaks).
3. Department heads may schedule overtime or extra shifts. Supervisors will assign overtime to nonexempt employees (those employees who are subject to the minimum wage and overtime provisions of the Fair Labor Standards Act) as needed. Employees are not permitted to work overtime without the prior approval of their supervisor or department head. For the purposes of overtime compensation, only hours worked in excess of forty during a workweek will be counted.
4. Employee attendance at lectures, meetings, and training programs will be considered hours of work, and therefore will be compensated time, if management requires and authorizes attendance.
5. Nonexempt employees normally will be granted a minimum of two hours of "reporting pay" and "call-back pay." Reporting pay will be granted when an employee reports for work and no work is available. However, reporting pay will not be granted if the lack of work is the result of conditions beyond the City of Anacortes's control or if employees refuse to accept other work that they are qualified to perform. When work is not available, the City of Anacortes will make a reasonable effort before starting time to notify employees not to report to work. Callback pay will be granted when employees are asked to come to work outside of their normal working hours.
6. Department heads, at their discretion, may allow nonexempt employees to make-up lost time during a given workweek. However, make-up will not be allowed if the lost time is the result of conditions the employee could control, if there is no work the employee is qualified to do, or if adequate supervision is not available.
7. Nonexempt Timesheets: All nonexempt employees are required to complete an individual time record showing the daily hours worked. Time records cover half of one month (1-15th and 16th-end of month) and must be completed by dates determined by the Finance Department. The following points should be considered in filling out time records:
 - a. Employees should record their total hours worked for each workday;
 - b. Employees are not permitted to sign in or begin work before their normal starting time or to sign out or stop work after their normal quitting time without the prior approval of their supervisor;
 - c. Employees are required to take scheduled lunch or meal breaks;
 - d. Employee time records should be reviewed and approved by the supervisor. Special attention should be given to unworked time for which an employee is entitled to be paid (paid absences, paid holidays, or paid vacation time) and authorized overtime;
 - e. Unapproved absences should not be considered as hours worked for pay purposes. (**see** Policies 701 Attendance and Punctuality and 702 Absences). Supervisors should

- inform employees if they will not be paid for certain hours of absence and;
- f. Timesheet estimation is permitted following established guidelines; however, falsifying any time record is prohibited and may be grounds for disciplinary action, up to and including termination (**see** Policies 801 Behavior of Employees and 807 Disciplinary Procedure).
8. Compensatory Time Off: Nonexempt employees can earn overtime for hours worked beyond the normal workweek. Nonexempt employees (those not exempt from the provisions of the Fair Labor Standards Act) will be paid overtime compensation, either in cash or compensatory time off, at the rate of one and one-half times (1.5x) their regular hourly rate for work in excess of forty hours during their normal workweek. If an employee elects to accrue compensatory time off in lieu of overtime pay, one and one half-hours (1.5) of compensatory time-off is earned for one hour of work beyond the normal workweek.
- a. Maximum accruals of compensatory time shall be limited to two hundred-forty (240) hours or per bargaining agreement. After maximum accrual, overtime compensation will be paid to nonexempt employees.
 - b. Employees may use compensatory time after making a request to their department head, unless doing so would unduly disrupt City operations. Compensatory time should be used for short-term absences from work during times mutually agreed to by the employee and the department head.
 - c. Upon termination of any type, including retirement, employees receive compensation for their accrued compensatory time balance.
9. Exempt Timesheets and Exchange Time Off: Personnel employed in executive, administrative, professional, or certain computer-related capacities generally are exempt from the provisions of the Fair Labor Standards Act.
- a. Exempt employees are not required to complete hourly time records but must account for daily attendance and attendance exceptions.
 - b. Exempt employees do not receive overtime compensation. Exempt employees are eligible to receive exchange time off on a one-for-one basis for work in excess of forty hours during their normal workweek.
 - c. Maximum accruals of exchange time shall be limited to two hundred and forty (240) hours. Exempt employees will not continue to accrue exchange time after reaching the maximum.
 - d. Upon voluntary or involuntary termination of any kind, accrued exchange time hours are not eligible for payout.
10. For policies and procedures regarding pay practices, **see** Policies 300-305 Pay Practices.

Policy 210 Outside Employment

The City of Anacortes allows its employees to engage in outside work or hold other jobs, subject to certain restrictions as outlined below.

1. Employees are required to disclose outside work or other jobs to their department heads and obtain pre-approval to perform outside work or hold another job.
2. The City of Anacortes requires that employees' activities and conduct away from the job must not compete, conflict with, or compromise its interests, or adversely affect job performance and the ability to fulfill all responsibilities to the City of Anacortes (**see** Policy 805 Conflicts of Interest). This requirement, for example, prohibits employees from performing any services for customers on non-working time that are normally performed by City of Anacortes personnel. This prohibition also extends to the unauthorized use of any City of Anacortes resources, including its communication systems, and the unauthorized use or application of any confidential information. In addition, employees are not to solicit or conduct any outside business during paid working time.
3. Employees are cautioned to carefully consider the demands that additional work activity will create before accepting outside employment. Outside employment will not be considered an excuse for poor job performance, absenteeism, tardiness, leaving early, refusal to travel, or refusal to work overtime or different hours. If outside work activity causes or contributes to job-related problems, it must be discontinued. If necessary, normal disciplinary procedures will be followed to deal with the specific problems (**see** Policy 807 Disciplinary Procedure).
4. In evaluating whether to grant approval for outside work, department heads and Human Resources will consider whether the proposed employment:
 - a. May reduce the employee's efficiency in working for the City of Anacortes;
 - b. Involves working for an organization that does a significant amount of business with the City of Anacortes, such as major contractors, suppliers, and customers; or
 - c. May adversely affect the City of Anacortes's image.
5. If employees outside employment job duties are similar or related to their City of Anacortes service, or if they cause the employee to deal with people or entities whom the employee deals with for the City of Anacortes duties, the employee must be prepared to explain why no potential conflict exists between the outside employment and the official duties of the City of Anacortes.
6. Employees who have accepted outside employment may not use paid sick leave to work on the outside job. Fraudulent use of sick leave will result in disciplinary action up to and including termination (**see** Policy 807 Disciplinary Procedure).

Policy 211 Employee Classifications

The City of Anacortes classifies employees as full-time, part-time, or temporary and as exempt or nonexempt for the purposes of compensation administration. In addition, the City of Anacortes may supplement the regular workforce, as needed, with other forms of flexible staffing.

1. Human Resources is responsible for classifying employees. Employees generally may be categorized as follows:
 - a. A **full-time employee** is an individual who works a normal forty-hour workweek and is hired for an indefinite period (**see** Policy 209 Hours of Work). A full-time employee may be classified as either exempt or nonexempt.
 - b. A **part-time employee** is an individual who works less than a normal workweek and is hired for an indefinite period. A part-time employee may be classified as either exempt or nonexempt. Note that a modified definition of part-time employee is used under Policy 501 Health and Welfare Benefits Eligibility Disclosure, to align the City's health insurance coverage with the Affordable Care Act.
 - c. A **temporary employee** generally is an individual who is hired either part-time or full-time for a specified, limited period. A temporary employee may be classified as either exempt or nonexempt. A temporary employee who works more than one thousand, forty regular hours (1,040) in a work year may be required to join the applicable bargaining unit.
 - d. A **nonexempt employee** generally is subject to the minimum wage and overtime provisions of the Fair Labor Standards Act ("FLSA") and is typically paid either on an hourly or salary basis.
 - e. An **exempt employee** is exempt from the provisions of the FLSA and is not entitled to overtime payments. Exempt employees typically are paid on a salary basis and include administrative, executive, professional employees, outside sales representatives, and certain highly skilled computer professionals (**see** Policy 209 Hours of Work).

Other flexible staffing classifications or arrangements may be added as needed.
2. For information regarding eligibility for paid absences, vacations, and holidays **see** Policy 702 Absences, Policy 502 Vacations, Policy 503a Holidays, and Policy 503b Unpaid Holidays for Reasons of Faith or Conscience. An employee whose status changes from full-time to part-time may use any days of paid absence or vacation earned as a full-time employee. An employee whose status changes from temporary or part-time to full-time will be considered hired on the date of the change of status for purposes of eligibility for paid absences and vacation. Information concerning eligibility for other City of Anacortes benefits, such as the pension plan, is available from Human Resources.

Policy 212 Layoff And Recall

If the City of Anacortes must reduce employment because of adverse economic or other conditions, layoffs and recall from layoffs generally will be conducted in a manner that is consistent with City of Anacortes requirements and in accordance with the procedures described below.

1. In the event that a layoff is expected, the City of Anacortes will attempt to communicate information about an impending layoff as soon as possible, subject to operational needs and considerations.
2. Layoffs that are expected to be temporary generally will be handled according to the provisions of this policy. Selections for layoffs that are known to be permanent will be made according to this policy and then handled according to policies outlined in Policy 213 Termination of Employment and Policy 303 Severance Pay.
3. Evaluation of layoff criteria shall be within the sole discretion of the City. Employees will be selected for layoff, based on the following criteria:
 - a. Promotion potential and transferability of skills to other positions within the City;
 - b. Demonstrated current and past performance;
 - c. The needs of the City of Anacortes; and
 - d. Length of service with the City of Anacortes.
4. An employee's length of service is measured from the original date of employment with the City of Anacortes, as long as there has not been a break in service greater than 30 days. During a layoff, employees with breaks in service greater than 30 days, but less than one year per break, are credited only for their time actually worked, i.e., the break time does not get counted unless required by law. Employees with a break in service greater than one year receive credit for service only from their most recent date of hire with the City of Anacortes.
5. Employees selected for layoffs will be given as much notice as is required by law or as much as is reasonable under the circumstances.
6. Employees who are laid off will be maintained on a recall list for six months or until management determines the layoff is permanent, whichever occurs first. Removal from the recall list terminates all job rights the employee may have. While on the recall list, employees should report to Human Resources if they become unavailable for recall. Employees who do not keep a current home address on record with Human Resources will lose their recall rights.
7. Employees will be recalled according to the needs of the City of Anacortes, their classification, and their ability to perform the job. Notice of recall will be sent by registered mail, return receipt requested, to the current home address on record with Human Resources. Unless an employee responds to the recall notice within seven days following receipt of the notice, or its attempted delivery, the employee's name will be removed from the recall list and the employee will no longer have any job rights with the City of Anacortes.
8. Credit for seniority will continue to accumulate during any layoff of 30 days or less. Employees laid off for more than 30 days and subsequently recalled within one year from the date of layoff will be credited with the years of service accumulated at the time of layoff.
9. If the layoff is expected to exceed 30 days, vacation pay equal to the number of unused vacation days accrued will be paid at the time of layoff. Employees who are laid off will not accrue vacation or sick leave during the layoff.

Policy 213 Termination Of Employment

The City of Anacortes may terminate employment due to voluntary or involuntary reasons including an employee's resignation, termination, or retirement, the expiration of an employment contract, or a permanent reduction in the workforce. Involuntary termination can be for any reason not prohibited by law. In the absence of a specific written agreement, employees are free to resign at any time and for any reason, and the City of Anacortes reserves the right to involuntarily terminate employment with cause. The exception to this is with "at will" employees, such as probationary employees and department heads (who have individual contracts with the City of Anacortes) who may be terminated at any time, with or without notice and with or without cause. At will employees, however, cannot be terminated for any reason that would violate anti-discrimination laws or public policy.

1. Employees are requested to give advance written notice of their intent to resign including the anticipated date of termination. Failure to give advance written notice may result in ineligibility for re-employment (**see** Policy 204 Hiring and Policy 502 Vacations). The following guidelines are suggested:
 - a. Department heads and managerial employees should give at least four weeks' notice; and
 - b. All other employees should give at least two weeks' notice.
2. Employees who are absent from work for three consecutive days without being excused or giving proper notice will be considered as having voluntarily terminate (**see** Policy 701 Attendance and Punctuality).
3. Human Resources is responsible for notifying terminating employees who are covered by the City of Anacortes's group health plan of their right to continue coverage under that plan. (For a special summary of the Consolidated Omnibus Budget Reconciliation Act "COBRA" continuation coverage requirements, **see** Addendum B).
4. Supervisors should send notices of resignation and recommendations for termination to Human Resources for review. This information should be accompanied by any needed supporting documents, such as performance reviews or disciplinary reports (**see** Policy 302 Performance Reviews and Policy 807 Disciplinary Procedure).
5. Requests for employment references should be made in writing to Human Resources and should include an authorization by the employee for the release of the requested information. Generally, Human Resources will not release reference information without the employee's authorization or will limit the information to verification of the employee's position, job location, and dates of employment with the City of Anacortes. Employees may request that their supervisor provide a letter of recommendation. A copy of the letter of recommendation is to be placed in the employee's personnel file. Supervisors are not authorized to provide references on behalf of the City without the approval and involvement of the Human Resources Director (**see** Policy 901 Personnel Records).

Policy 214 Retirement

The City of Anacortes determines employees who are eligible for normal retirement per the guidelines described in the Washington State Department of Retirement Systems Handbook that is applicable to the employee's job classification. Regular uniformed employees in the police and fire departments are covered by the Law Enforcement Officers' and Firefighters' Retirement System (LEOFF). Regular full-time and eligible part-time non-uniformed employees are covered under the Public Employees Retirement System (PERS). The State of Washington determines eligibility, benefit levels, and contribution rates.

1. Employees who choose to take normal retirement are requested to give Human Resources as much advance notice of their intent as possible, or at least 90 days. Employees who have given notice of either normal or early retirement may be called upon to assist in the training of their replacements.
2. Employees who qualify for retirement under this policy may be eligible to receive limited health and various other benefits in accordance with the provisions of the City of Anacortes's employee benefit plans (**see** Policy 501 Health and Welfare Benefits **Eligibility Disclosure**). Retiring employees are eligible to receive pay for accrued but unused vacation (**see** Policy 502 Vacations). All employee benefit plans and programs are subject to amendment or termination, even after retirement, at the City of Anacortes's and the Washington State Retirement System's discretion.
3. The Washington State Department of Retirement Systems (DRS) administers the retirement benefits. DRS is the best resource for staff members with questions about retirement benefits. Information on DRS can be found here: <http://www.drs.wa.gov/>
4. Retiring employees may be eligible to reapply for employment, and those who are interested in future temporary or part-time employment with the City of Anacortes should make that interest known at their exit interview (**see** Policies 204 Hiring and 213 Termination of Employment). Hiring an applicant who is receiving Washington State retirement benefits must comply with State of Washington regulations. These include a prohibition of any written agreement for re-employment and an absence of at least one month prior to starting a new job with the City of Anacortes.

Pay Practices

Policy 301 Salary Administration

The City of Anacortes pays compensation that is nondiscriminatory and competitive. However, all compensation policy decisions must take into consideration the City of Anacortes's overall financial condition and competitive position.

1. New employees generally will be hired at the starting rate assigned to their job grade. Supervisors may recommend higher or lower starting rates depending on an applicant's experience or skill level or other competitive considerations. These recommendations will be reviewed and approved before implementation by the appropriate department head, Human Resources, and the Mayor.
2. Human Resources is responsible for coordinating with the Mayor the continuing review of compensation and for making sure that each job is evaluated and assigned a job grade and salary range. This review should determine whether compensation accurately and fairly reflects each position's responsibilities and performance.

Policy 302 Performance Reviews

The City of Anacortes will evaluate the job performance of each employee periodically.

1. Supervisors should complete performance reviews upon the following occasions (or per the applicable collective bargaining agreement):
 - a. At least once before the end of the first twelve months of employment (**see** Policy 206 Probationary Period); evaluation conversations are encouraged once per quarter;
 - b. Then on an annual basis (based on anniversary date or before the end of each calendar year, depending on the department).Between scheduled appraisals, supervisors should discuss with employees on an informal basis any performance issues that require attention and should keep records of any significant incidents. Supervisors may be authorized to retain information to aid in the development on an employees' performance review. These notes are to be destroyed following the performance review.
2. In evaluating employees, supervisors should consider factors such as the experience and training of the employee, the job description, and the employee's attainment of previously set objectives and goals. Other factors that normally should be considered include knowledge of the job, quantity and quality of work, promptness in completing assignments, cooperation, initiative, reliability, attendance, judgment, conduct, and acceptance of responsibility.
3. Supervisors should prepare a written performance review of each employee's job performance. The review should include the supervisor's comments and recommendations, an action plan for both the employee and supervisor, and performance goals for the next evaluation period.
4. Department heads and the Human Resources Director should review each supervisor's written evaluation to help assure that the evaluation function has been properly completed in as uniform, fair, and objective a manner as possible.
5. The supervisor and employee should meet and discuss the evaluation, assess the employee's strengths and weaknesses in a constructive manner, and set objectives and goals for the period ahead. The employee should be given the opportunity to examine the evaluation and make written comments about any aspect of it. The employee and supervisor should then sign and date the evaluation and forward it to Human Resources for review and inclusion in the employee's personnel file (**see** Policy 901 Personnel Records, Policy 901). Employees may have a copy of their completed performance review for their records.
6. Information derived from the performance review may be considered when making decisions affecting training, pay, promotion, transfer, or continued employment.

Policy 303 Severance Pay

The City of Anacortes allows that severance pay may be granted to terminated employees under certain limited circumstances. The City of Anacortes, however, retains the right to amend or terminate its severance policy at any time.

1. Severance pay is intended to provide extra economic help to certain terminated employees while they adjust to their job loss. Severance pay is not available for temporary employees.
2. Human Resources is responsible for administering this policy and will handle any employee claims or complaints.
3. Eligible employees will be required to sign a release agreement in order to receive severance pay.

Policy 304 Pay Procedures

The City of Anacortes pays employees by check or direct deposit in a manner so that the amount, method, and timing of wage payments comply with any applicable laws or regulations.

1. Employees normally will be paid on the fifth (5th) day and the twentieth (20th) of the month. If the regular payday occurs on a Saturday, Sunday, or a holiday, employees will be paid on the last working day before the regular payday.
2. Employees may elect to receive payment by direct deposit by providing written authorization and filling out the necessary forms with Human Resources. Direct deposit will remain in effect until revoked in writing by the employee.
3. Employees on each payday will receive, in addition to their pay, a statement showing gross pay, deductions, health and welfare benefits (if applicable), and net pay. Local, state, federal, Social Security taxes, and retirement contributions shall deduct automatically. No other deductions will be made unless required or allowed by law, contract, or employee obligation. Employees may elect to have additional deductions taken from their pay only if they authorize the deductions in writing.
4. Employees who discover a mistake in their paycheck, lose their paycheck, or have it stolen should notify their supervisor immediately. In the case of a mistake made by the City the error will be remedied promptly. In the case of loss or theft, the Finance Department will attempt to stop payment on the check and reissue a new one to the employee. However, the employee is solely responsible for the monetary loss, and the City of Anacortes will not be responsible for the loss or theft of a check if it cannot stop payment on the check.
5. Employees who wish to authorize another person to pick up their paycheck must complete a "Payroll Warrant Pick Up Authorization Form." A copy of the completed form must be provided to the employee's manager and the Finance Department. Paychecks will not be distributed without authorization in place.
6. Employees are encouraged to discuss any questions or concerns regarding their rate of pay and other compensation issues, including any improper deductions from pay, with their immediate supervisor. If the employee and immediate supervisor are not able to resolve the question, the employee should contact the department head or Human Resources. The City will promptly investigate all reported complaints and, if appropriate, take corrective action. The City prohibits and will not tolerate retaliation against any employee because that employee filed a good faith complaint under this policy. Specifically, no one will be disciplined, intimidated, or otherwise retaliated against because that person exercised rights under this policy or applicable law.

Policy 305 Interim Assignments

The City of Anacortes may authorize interim assignments during the absence of supervisory employees in specific situations.

1. Interim assignments provide valuable on-the-job training and allow continuation of a critical workload during an extended absence. Employees may be assigned the responsibilities as an "interim" or "acting" supervisor or department head during times of vacation, sick leave, or other absences that require more than 10 consecutive business days away from work. Interim assignments require pre-approval from the Mayor. Interim assignees will receive a wage premium of 9% beginning on the 11th consecutive day of the assignment. Interim assignments are limited to 90 business days. Extensions require approval by the Mayor. The interim assignee must be able to assume the majority of the duties of the higher classification. If an employee covered by a bargaining unit is assigned to a non-union interim assignment, this policy will govern conditions of the assignment unless in conflict with the applicable bargaining agreement. If an employee covered by a bargaining agreement is assigned to a position within the same bargaining unit, the bargaining agreement procedures take precedence.

Reimbursement of Employee Expenses

Policy 401 Travel

Business travel must be approved in advance and should be engaged in and reimbursed according to the guidelines described in the supplementary Travel Policy Manual. The Finance Department maintains the Travel Policy Manual. The City of Anacortes retains the right to amend or terminate the Travel Policy at any time.

1. Employees holding jobs that require extensive travel are expected to travel as a condition of employment. For all other jobs, travel is considered only an incidental function of the position but may be required.
2. Supervisors, department heads, and the Mayor must approve any employee travel in advance.
3. The City of Anacortes may issue guidelines specifying or restricting travel booking requirements. Under normal circumstances, employees should use the most appropriate form of transportation available, book the least expensive fares, and stay in and eat at moderately priced establishments.

Employee Benefits

Policy 501 Health and Welfare Benefits Eligibility Disclosure

The City of Anacortes provides employees with various health and welfare benefits, with information and plan summaries furnished to all eligible plan participants and beneficiaries on a timely and continuing basis. The City reserves the right to modify, amend, or terminate its health and welfare benefits as they apply to all current, former, and retired employees. In addition, the administrator of each benefit plan has the discretionary authority to determine eligibility for benefits and to interpret plan terms.

To enroll in health and welfare coverage, eligible individuals must comply with all application requirements and deadlines. Failure to do so may result in delayed or no enrollment until the next annual enrollment period or upon a qualified change in status.

Eligible employees may waive enrollment in the City's health and welfare benefits, unless otherwise required by a collective bargaining agreement. The City will provide a written waiver that must be timely completed, signed, and submitted by an employee seeking to waive enrollment. Unless a plan specifies otherwise, a new waiver must be completed annually. The City will provide eligible employees who previously waived coverage the opportunity to enroll at least once annually.

1. Health Coverage and the Affordable Care Act

The City has structured its health and welfare benefits plan in accordance with the Employer Shared Responsibility provisions of the Affordable Care Act ("ACA"). Unless an exception is authorized by the City's Human Resources Department, the City provides health coverage to all full-time employees and their eligible dependents up to age 26. The benefits, terms, and conditions of City's health and welfare benefits plans, including costs owed by employees, are explained in separate plan documents and/or in applicable collective bargaining agreements.

2. Employee Definitions and Eligibility

Solely for purposes of this policy, the following definitions apply:

- a) **Full-Time Employees** – Employees reasonably expected to work, on average, 30 or more hours weekly. Regular full-time employees and their dependents are eligible for health coverage and will be enrolled in health coverage as specified in plan documents. Upon hire or change in classification, employees will be enrolled in coverage no later than the first day of the fourth month of employment or change in classification.
- b) **Part-Time Employees** – Employees reasonably expected to work, on average, less than 30 hours weekly. Regular part-time employees classified as 0.50 to 0.74 FTE are eligible for one-half (1/2) of the City's financial contribution towards employee-only medical insurance premiums, based on the lowest cost plan offered by the City. Employees may choose between benefit plans offered by the City, but the City's financial contribution remains fixed at the lowest cost plan. Regular part-time employees eligible for coverage have the option of enrolling eligible dependents at their sole expense. Regular part-time employees classified as under 0.50 FTE are not eligible for health coverage unless otherwise required by a collective bargaining agreement. Part-time employees eligible for coverage under this section will be enrolled in coverage no later than the first day of the fourth month of employment or change in classification.

With limited exceptions for infrequent and temporary workload fluctuations, part-time employees should not work 30 hours or more weekly with any regularity.

c) **Seasonal Employees** – Employees hired into a position for which the customary annual employment is based on seasonal work demands, with the job typically beginning and ending in approximately the same time each calendar year. Seasonal employees are subject the ACA “look back” measurement method (see below). To ease in administration and hourly tracking, seasonal employees are subject to a mandatory annual six (6) month break in service, unless an exception is authorized by the City’s Human Resources Department. Seasonal employees are not eligible for health coverage, although the City reserves the sole discretion to grant exceptions based on the unique scheduling demands associated with particular seasonal positions.

3. ACA Look Back Measurement Method

When required by the ACA for purposes of determining employee eligibility for health coverage, the City utilizes 12-month initial and standard measurement and stability periods. The City also utilizes an initial administrative period of not longer than two (2) months, divided in two (2) phases. The first phase begins on the date of hire and continues until the last day of that calendar month. The second phase begins at the end of the 12-month initial measurement period and lasts for one (1) full calendar month. The City uses a standard administrative period of 31 days. The purpose of the standard administrative period is to calculate the hours worked by employees during the preceding standard measurement period and to enroll eligible employees in health coverage during the resulting standard stability period. Please refer to the City’s Human Resources Department for more information.

~~The City of Anacortes provides its employees with various health and welfare benefits. Information and summaries intended to explain these benefit plans will be furnished to all plan participants and beneficiaries on a timely and continuing basis. The City reserves the right to modify, amend, or terminate its health and welfare benefits as they apply to all current, former, and retired employees. Additionally, the Administrator of each benefit plan has the discretionary authority to determine eligibility for benefits and to interpret the plan’s terms.~~

1. Health Coverage

~~The City of Anacortes Health Coverage policy is administered in accordance with the Employer Shared Responsibility provisions of the Patient Protection and Affordable Care Act, as amended (PPACA). Under the terms and conditions of this policy and City’s health benefits plan, The City provides health coverage to full-time employees and their dependents up to age 26. The benefits, terms, and conditions of City’s health benefits plan, including costs owed by eligible employees, are explained in a separate plan document (the “Plan”) and/or in applicable collective bargaining agreements. If there are conflicts between this policy, the Plan, and any collective bargaining agreements, the collective bargaining agreement shall control. If the agreement does not satisfy the minimum protections of the PPACA the parties shall negotiate a modification that at least meets the minimum.~~

2. Definitions and Classifications

- ~~a. **Full-time.** At time of hire or change in job classification, employee is reasonably expected to work, on average, 30 or more hours per week. Full-time employees are eligible for health coverage and will be enrolled in health coverage as specified in the Plan. In no event shall the date of enrollment be later than 90 days following the date of hire or the date of change in job classification.~~
- ~~b. **Part-time.** At time of hire or change in job classification, employee is reasonably~~

~~expected to work, on average, less than 30 hours per week. Part-time employees are subject to monthly and annual hours limitations and are generally not eligible for health coverage, unless they satisfy the criteria below or are otherwise entitled to coverage under the terms of the Plan or applicable collective bargaining agreement.~~

~~Regular part-time employees classified as 50%–74% FTE (but in all cases below an average of 30 hours per week) are eligible for ½ of the employee-only medical insurance premiums of the lowest cost plan offered by the City. Employees may choose between the benefit plans offerings, but the City's contribution is limited to half of the lowest cost plan offered. Employees fitting this criterion have the option of enrolling dependents in the City's health benefits plan during open enrollment or for a qualifying event; however, employees are responsible for all premium expenses. Coverage offered to eligible regular part-time employees is provided by the City on a voluntary basis and is not required under the PPACA.~~

~~If, based on City prior approval, a part-time employee averages 30 or more hours per week during a measurement period (discussed below), the employee will be deemed a full-time employee, eligible for health coverage during a subsequent stability period (discussed below).~~

- ~~c. **Variable-hour.** At time of hire or change in job classification, the City cannot reasonably determine whether employee will or will not average 30 or more hours per week.~~

~~Variable-hour employees are subject to monthly and annual hours limitations and are generally not eligible for health coverage, unless otherwise specified under the terms of the Plan or applicable collective bargaining agreement. If, based on the City's prior approval, a variable-hour employee averages 30 or more hours per week during a measurement period (discussed below), the employee will be deemed a full-time employee, eligible for health coverage during a subsequent stability period (discussed below).~~

- ~~d. **Seasonal.** At time of hire or change in job classification, employee is hired or re-hired into a position for which the customary annual employment is approximately six months or less, beginning in approximately the same season of each calendar year. Seasonal employees are subject to a mandatory annual break in service of approximately six continuous months and are not eligible for health coverage, unless otherwise specified under the terms of the Plan or applicable collective bargaining agreement.~~
- ~~e. **Dependents.** Children of full-time employees up to age 26 (including the entire calendar month in which a child turns age 26). Includes biological and adopted children, stepchildren, and foster children. Also includes spouses and domestic partners. Dependents of full-time employees are eligible for health coverage.~~
- ~~f. **Volunteers.** Individuals who provide services to the City on a voluntary basis and whose compensation is limited to: (1) reimbursement for reasonable expenses incurred in the performance of services as a volunteer; (2) reasonable fringe benefits, excluding health coverage; and/or (3) nominal fees or honorarium provided in connection with services as a volunteer. Volunteers are not employees and are not eligible for health coverage.~~

3. Work Hours Limitations

~~For certain employee classifications, the City restricts the maximum annual and/or monthly hours of work.~~

- ~~a. **Full-time employees** are not subject to an annual or monthly hours limitation and may work 30 or more hours per week, without limit, unless otherwise limited by City's overtime policy, job description, the terms of any applicable collective bargaining agreement, or the terms of any other City policy or agreement. Full-time employees are not subject to initial or standard measurement, administrative, or stability periods (discussed below).~~
- ~~b. **Part-time employees** are subject to an annual hours limitation and may not exceed 1500 hours annually without the City's prior approval. In addition to an annual hours limitation, part-time employees may not exceed 125 hours in any single calendar month without the City's prior approval. Part-time employees are subject to initial and standard measurement, administrative, and stability periods (discussed below).~~
- ~~c. **Variable-hour employees** are subject to an annual hours limitation and may not exceed 1500 hours annually without the City's prior approval. In addition to an annual hours limitation, variable-hour employees may not exceed 125 hours in any single calendar month without the City's prior approval. Variable-hour employees are subject to both initial and standard measurement, administrative, and stability periods (discussed below).~~
- ~~d. **Seasonal employees** are not subject to an annual or monthly hours limitation and may work 30 or more hours per week, without limit, unless otherwise limited by City's overtime policy, job description, the terms of any applicable collective bargaining agreement, or the terms of any other Employer policy or agreement. Seasonal employees are limited to an annual employment duration of approximately six months and must have an annual break in service of approximately six continuous months before being eligible for re-hire. Seasonal employees may work longer than six months with the City's prior approval. Seasonal employees are subject to initial and standard measurement, administrative, and stability periods (discussed below).~~

4. Measurement and Administrative Periods – Initial Periods

The City uses a 12-month initial measurement period to measure the hours of new part-time, variable-hour, and seasonal employees.

The City uses an initial administrative period of not longer than two months, divided in two phases. The first phase begins on the date of hire of a new part-time, variable-hour, or seasonal employee and continues until the last day of that calendar month. The second phase begins at the end of the 12-month initial measurement period and lasts for one full-calendar month. The purpose of the first phase of the initial administrative period is to reduce administrative complexity by consolidating all new part-time, variable-hour, and seasonal employees hired during a month into the same initial measurement and stability periods. The purpose of the second phase of the initial administrative period is to allow the City to calculate the hours worked by employees during the initial measurement period and to enroll eligible employees in health coverage.

The City uses a 12-month initial stability period for purposes of providing or excluding health coverage to new part-time, variable-hour, and seasonal employees. If an employee works an average of 30 hours or more per week during an initial measurement period, the employee will be deemed a full-time employee and will be eligible for health coverage during the initial stability period, regardless of the hours worked during the initial stability period, so long as the employee remains employed by the City. If an employee works an average of less than 30 hours per week during the initial measurement period, the employee will not be deemed a full-time employee and will not be eligible for health coverage during the initial stability period, regardless of the hours worked during the initial stability period.

Initial Administrative Period (Phase 1)	Begins on date of hire, continues until end of month.
Initial Measurement Period	Begins on the first day of first full-calendar month following date of hire and continues for 12 months.
Initial Administrative Period (Phase 2)	Begins on first day of first full-calendar month following Initial Measurement Period and lasts for the entire month.
Initial Stability Period	Begins on first day of first full-calendar month following Phase 2 of Initial Administrative Period and continues for 12 months.

To determine the average hours worked by each employee during the 12-month initial measurement period, the City will divide the employee's total hours worked during the period by 52.

Example:

- Employee A is hired as a new variable-hour employee on April 2, 2015. Employee B is hired as a new part-time employee on April 15, 2015.
- Under the first phase of the initial administrative period, Employee A is placed into an initial administrative period from April 2, 2015 through April 30, 2015. Employee B is

~~placed into an initial administrative period from April 15, 2015 through April 30, 2105. [The purpose of the first phase of the initial administrative period is to reduce administrative complexity by consolidating all new part-time, variable-hour, and seasonal employees hired in the same calendar month into the same initial measurement and stability periods.]~~

- ~~• Employee A and Employee B both have initial measurement periods beginning May 1, 2015 and ending April 30, 2016 (12 months).~~
- ~~• Employee A and Employee B are both subject to the second phase of the initial administrative period, beginning May 1, 2016 and ending May 31, 2016 (one month). During this period, the City calculates Employee A's and Employee B's hours worked during the initial measurement period.~~
- ~~• Employee A and Employee B are both subject to an initial stability period beginning June 1, 2016 and ending May 31, 2017 (12 months). If either employee averaged 30 or more hours per week during the initial measurement period, he/she will be offered and enrolled in health coverage during the initial stability period. If either employee averaged fewer than 30 hours per week during the initial measurement period, he/she will be excluded from health coverage during the initial stability period.~~

5. Measurement and Administrative Periods – Standard Periods

~~The City uses a 12-month standard measurement period to measure the hours of all ongoing part-time, variable-hour, and seasonal employees hired on or before the start of a standard measurement period.~~

~~The City uses a standard administrative period of 31 days. The purpose of the standard administrative period is to calculate the hours worked by employees during the preceding standard measurement period and to enroll eligible employees in health coverage during the resulting standard stability period.~~

~~The City uses a 12-month standard stability period for purposes of providing or excluding health coverage to ongoing part-time, variable-hour, and seasonal employees. If an employee works an average of 30 hours or more per week during a standard measurement period, the employee will be deemed a full-time employee and will be eligible for health coverage during the resulting standard stability period, regardless of the hours worked during the standard stability period, so long as the employee remains employed by the City. If an employee works an average of less than 30 hours per week during the standard measurement period, the employee will not be deemed a full-time employee and will not be eligible for health coverage during the resulting standard stability period, regardless of the hours worked during the stability period.~~

Standard Measurement Period	December 1 of each year through November 30 of the following year
Standard Administrative Period	December 1 through December 31 of each year
Standard Stability Period	January 1 through December 31 of each year

~~To determine the average hours worked by each employee during the 12-month standard measurement period, the City will divide the employees' total hours worked during the period by 52.~~

Example:

- ~~• Employee C is an ongoing variable-hour employee who was hired on or before~~

- December 1, 2017 (the start of Employer's standard measurement period).
- Starting in 2017, Employee C's standard measurement period begins December 1, 2017 and ends November 30, 2018 (12 months).
- Employee C's standard administrative period begins December 1, 2018 and ends December 31, 2018. During this period, Employer calculates Employee C's hours worked during the preceding standard measurement period. If Employee C averaged 30 or more hours per week during the preceding standard measurement period, Employee C will be eligible for health coverage during the resulting standard stability period. If Employee C averaged below 30 hours per week during the preceding standard measurement period, Employee C will be excluded from health coverage during the resulting standard stability period.
- Employee C's standard stability period begins January 1, 2019 and ends December 31, 2019 (12 months).
- Employee C's next standard measurement period begins December 1, 2018 and ends November 30, 2019 (12 months).

6. Measurement and Administrative Periods – Overlapping Initial and Standard Periods

The City's standard measurement periods apply to all ongoing part-time, variable-hour, and seasonal employees hired by the City on or before the start date of a standard measurement period. New part-time, variable-hour, and seasonal employees will be measured by both the City's initial measurement period and the first standard measurement period beginning on or after each employee's date of hire.

Example:

- Employee D is a new variable-hour employee. Employee D is hired September 29, 2015.
- Employee D is subject to the first phase of the initial administrative period, beginning September 29, 2015 and ending one day later, September 30, 2015.
- Employee D is subject to an initial measurement period beginning October 1, 2015 and ending September 30, 2016.
- Employee D is subject to the second phase of the initial administrative period, beginning October 1, 2016 and ending on October 31, 2016.
- Employee D is subject to an initial stability period beginning November 1, 2016 and ending October 31, 2017.
- Because Employee D was hired on or before Employer's 2015 standard measurement period, Employee D is concurrently subject to the standard measurement period beginning December 1, 2015 and ending November 30, 2016.
- Employee D is subject to a standard administrative period beginning December 1, 2016 and ending December 31, 2016.
- Employee D is subject to a standard stability period beginning January 1, 2017 and ending December 31, 2017.

Based on the overlapping nature of initial and standard measurement and stability periods, situations will arise where part-time, variable-hour, and seasonal employees will be subject to simultaneous initial and standard measurement, administrative, and stability periods.

If the City determines an employee is eligible for health coverage during an initial measurement period or standard measurement period, the employee must be enrolled in health coverage for the entire associated stability period. This is the case even if the employee is determined to be eligible for health coverage during the initial measurement period but determined not to be eligible for coverage during the overlapping or immediately following standard measurement period. In such a case, the City may exclude the employee

~~from health coverage only after the end of the initial stability period. Thereafter, the employee's eligibility for health coverage would be determined in the same manner as that of other ongoing part-time, variable-hour, or seasonal employees.~~

~~In contrast, if City determines an employee is not eligible for coverage during the initial measurement period but is eligible for coverage based on the overlapping or immediately following standard measurement period, employee will be eligible for health coverage for the entire standard stability period (even if the standard stability period begins before the end of the initial stability period). Thereafter, the employee's eligibility for health coverage would be determined in the same manner as other part-time, variable-hour, or seasonal employees.~~

~~7. Rules Concerning Eligibility and Enrollment~~

~~To be enrolled in health coverage under the Plan, eligible employees must comply with all applicable application requirements and deadlines. Failure to do so may result in delayed or no enrollment until the next annual enrollment period or upon a qualified change in status.~~

~~If an eligible employee's payment for the cost of health coverage is untimely, the terms of the Plan provides when coverage terminates and whether there is a grace period for payment. The City is not required to provide health coverage for the period for which the cost of health coverage is not timely paid and may terminate coverage.~~

~~Eligible employees have the right to waive enrollment in the City's health coverage. The City will provide a written waiver that must be timely completed, signed, and submitted by an eligible employee desiring to waive enrollment. Unless the Plan specifies otherwise, a new waiver must be completed annually. The City will provide otherwise eligible employees who previously waived enrollment in health coverage the opportunity to enroll at least once annually.~~

~~8. Hours for Paid and Unpaid Leave during Measurement Periods~~

~~Hours of service for employees during measurement periods include both actual hours of service worked in addition to paid hours for vacation leave, sick leave, holiday leave, or other paid leave.~~

~~Periods of unpaid leave, including unpaid FMLA or military leave, are excluded from the hours calculation during any measurement period. Example: Employee E is a variable-hour employee subject to a 12-month (52-week) standard measurement period. During the standard measurement period, Employee E takes four weeks of unpaid FMLA leave. The four weeks of unpaid FMLA leave are excluded from the hours calculation. The average is calculated by the total hours worked by Employee E during the standard measurement period (12 months), divided by 48 weeks (instead of 52 weeks).~~

~~Administrative periods overlap with measurement and stability periods. Employees offered health coverage during a stability period must remain enrolled in coverage during a subsequent administrative period. Employees excluded from health coverage during a stability period remain excluded from coverage during a subsequent administrative period.~~

~~9. Breaks in Service~~

~~Employees, regardless of classification, who separate their employment with the City, voluntarily or involuntarily, must have a break in service of at least 13 continuous weeks before being eligible for re-hire. Employees re-hired after a break in service of at least 13 continuous weeks will be treated as a "new" employee, without any consideration given to previous hours worked or previous measurement or stability periods that may have applied prior to separation.~~

~~Employees who are re-hired into full-time positions must be enrolled in health coverage no later than the first day of the fourth calendar month following their date of re-hire. Employees who are re-hired into part-time, variable-hour, or seasonal positions are subject to the City's initial measurement, initial administrative, and initial stability periods.~~

~~The City reserves the right to suspend this rule on a case-by-case basis.~~

Policy 502 Vacations

The City of Anacortes grants annual vacations with pay to regular full-time and regular part-time employees in accordance with the guidelines established below.

1. Vacations are accrued or earned based on the employee's length of service and on the time actually worked. Vacation does not accrue when an employee is on an unpaid leave of absence.
2. Full-time employees will accrue paid vacation according to the following schedule:

Service Period	Vacation Accrual (per month)	Vacation Accrual (per year)	Maximum Accrual
First month through 48 months (years 0-4.00)	8 hours	96 hours	176 hours
Months 49 through 108 (years 4.01-9.00)	10 hours	120 hours	200 hours
Months 109 through 168 (years 9.01-14.00)	14 hours	168 hours	240 hours
169 months and beyond (years 14.01+)	17 hours	204 hours	240 hours

Vacation cannot be taken until hours are accrued. Employees whose vacation balance meets the maximum accrual will no longer accrue vacation benefits until the vacation balance falls below the maximum accrual. Employees are responsible for monitoring their accrual balance. If an employee requests vacation that has not accrued and has personal holiday hours available, the personal holiday hours will be utilized.

3. Regular part-time employees whose full-time equivalency is 50% or more are entitled to vacation on a prorated basis. Regular part-time employees shall earn vacation leave proportionate to the number of hours that they work in a pay period divided by the number of hours a full-time employee works in the same pay period. Maximum accrual of hours is prorated for part-time employees based on their full-time equivalency. Part-time employees working less than 20 hours per week and temporary employees do not receive paid vacation (**see** Policy 211 Employee Classifications).
4. Employees who feel that there is a discrepancy in the calculation of their vacation pay or eligibility may request a review of that calculation from the Human Resource and Finance Departments (**see** Policy 902 Dispute Resolution Procedure).
5. Vacation pay for full-time and part-time employees will consist of the employee's regular rate of pay for the vacation period.
6. Generally, employees should submit vacation plans to their supervisor at least four weeks in advance of the requested vacation date. Management reserves the right to approve when vacations are taken. Supervisors are responsible for ensuring adequate staffing levels and should attempt, when feasible, to resolve vacation scheduling conflicts based on length of service. However, employees who want to change their plans after the vacation schedule has been approved lose their seniority consideration.
7. Once per year, employees may elect to have their accrued vacation balance that exceeds 160 hours cashed out and deposited into a deferred compensation account set up through the City of Anacortes. The employee must notify payroll in writing by November 20 of each year for distribution on the December 5 payday. This benefit is prorated for part-time employees based on their full-time equivalency.
8. Upon termination, including retirement, voluntary or involuntary termination, layoff, or other the employee will have their vacation balance paid out at their exiting rate of pay.

Personal holidays are prorated according to the employee's full-time equivalency (FTE) in the payroll accounting system. Personal holiday hours are not carried over from one year to the next. At the end of the year, unused personal holiday hours are forfeited.

2. Full-time employees are eligible to receive their regular rate of pay (up to 8 hours) for each observed holiday. Part-time employees who are scheduled to work at least 20 hours per week (1,040 per year) are entitled to holiday pay. The amount of holiday pay is determined on the same basis as for full-time employees, but is based on the employees' FTE budget allocation. For example, an employee allocated at 65% FTE will receive 5.2 hours of holiday pay on each City approved holiday. Temporary employees and employees on unpaid leaves of absence or on layoff are not eligible to receive holiday pay.
3. To receive holiday pay, an eligible employee must be at work or taking an approved absence on the workdays immediately preceding and immediately following the day on which the holiday is observed. An approved absence is a day of paid vacation or paid short-term absence (**see** Policies 502 Vacations and 702 Absences). If an employee is absent on one or both of these days because of an illness or injury, the City of Anacortes may require verification of the reason for the absence before approving holiday pay (**see** Policy 205 Medical Procedures).
4. A holiday that occurs on a Saturday will be observed on the preceding Friday. A holiday that occurs on a Sunday will be observed the following Monday. Shift workers observe holidays on the actual holiday.
5. If a holiday occurs during an employee's vacation period, the employee records the day as holiday pay on their timesheet.
6. The City of Anacortes recognizes that some employees may wish to observe, as periods of worship or commemoration, certain days that are not included in the City of Anacortes's

regular holiday schedule. Employees may use personal holidays or accrued vacation for these occasions.

7. The City of Anacortes may schedule work on observed holidays as it considers necessary. Normally, work on an observed holiday will be paid as if the day were a regularly scheduled day. Employees will be given the option of receiving additional pay for the day or a “floating” holiday that may be taken, with the prior approval of their supervisor, at another time during the pay period~~year~~.

Policy 503b Unpaid Holidays For Reasons Of Faith Or Conscience

Employees are entitled to two unpaid holidays per calendar year for a reason of faith or conscience or an organized activity conducted under the auspices of a religious denomination, church, or religious organization.

1. Employees may select the days on which the employee desires to take the two unpaid holidays after consultation with their supervisor. If an employee prefers to take the two unpaid holidays on specific days, then the employee will be allowed to take the unpaid holidays on the days they selected unless the absence would unduly disrupt operations, impose an undue hardship, or the employee is necessary to maintain public safety. The term "undue hardship" has the meaning contained in the rule established by the Office of Financial Management.
2. If possible, an employee should submit a written request for an unpaid holiday provided for by this section to the employee's supervisor a minimum of 14 days prior to the requested day. Approval of the unpaid holiday shall not be deemed approved unless it has been authorized in writing by the employee's supervisor. The employee's supervisor shall evaluate requests by considering the desires of the employee, scheduled work, anticipated peak workloads, response to unexpected emergencies, the availability, if any, of a qualified substitute, and consideration of the meaning of "undue hardship" developed by rule of the Office of Financial Management.
3. The two unpaid holidays allowed by this section must be taken during the calendar year, if at all; they do not carry over from one year to the next.

3. Supervisors, where appropriate, should try to communicate with employees who seem to be experiencing problems. Depending on the circumstances, the supervisor should proceed as follows:
 - a. If an employee's problem seems to require professional counseling, or does not lend itself to an easy solution, the supervisor should refer the employee to the City's Employee Assistance Program.

In certain circumstances, however, the City of Anacortes may require an employee to participate in counseling as a condition of continued employment (**see** Policy 808 Drugs, Narcotics, and Alcohol).

Absences from Work

Policy 701 Attendance and Punctuality

The City of Anacortes requires employees to report for work punctually and to work all scheduled hours and overtime required by business necessity. Excessive tardiness and poor attendance disrupt workflow and customer service and will not be tolerated.

1. Supervisors should notify employees of their starting, ending, and break times. Employees are expected to be engaged in carrying out their duties during all scheduled work time and should be ready to begin working at their scheduled starting time (**see** Policy 209 Hours of Work). Supervisors should record all absences and, for nonexempt employees (those subject to the minimum wage and overtime requirements of the Fair Labor Standards Act), any tardiness or early departure exceeding ten minutes.
2. Employees should notify their supervisor in as far advance as possible whenever they are unable to report for work, know they will be late, or must leave early. The notice should include a reason for the absence and an indication of when the employee can be expected to report for work. If the supervisor is unavailable, notification should be made to the next level of management.
3. Employees will be compensated during authorized absences in accordance with Policy 702 Absences. Nonexempt employees will not receive compensation for time missed because of tardiness or early departure if the time missed exceeds 10 minutes after starting time or before quitting time. Failure to notify the City of Anacortes properly of any absence may result in loss of compensation during the absence and may be grounds for disciplinary action.
4. Nonexempt employees who are delayed in reporting for work more than 30 minutes and who have not notified their supervisor of their expected tardiness may lose their right to work the balance of the workday. In addition, employees who report for work without proper equipment or in improper attire may not be permitted to work (**see** Policies 601 Employee Safety and the Safety Committee and 802 Personal Appearance of Employees). 5. Employees generally are expected to report for work during inclement weather conditions unless the Mayor or the Mayor's designee declares an emergency closing. During times of inclement weather or natural disaster, it is essential that the City continue to provide vital public services. Therefore, employees are expected to make every reasonable effort to report to work, so long as doing so does not endanger their personal safety. An employee who is unable to get to work or leaves work early because of unusual weather conditions may charge the time missed to vacation, personal holiday, compensatory time off, exchange time off, or leave without pay.
6. Nonexempt employees will not be required or permitted to work any period of time before or after scheduled starting or quitting times for the purpose of making up time lost because of tardiness, unauthorized absence, authorized absence, or any other reason if the result will be that the employee works more than forty hours during the workweek.
7. Employees must report to their supervisor after being late or absent, give an explanation of the circumstances surrounding their tardiness or absence, and, when applicable, certify that they are fit to return to work (**see** Policy 205 Medical Examinations). The supervisor should record the information in the employee's file and forward a copy to Human Resources. When appropriate, the supervisor should counsel the employee on the importance of good

attendance and warn that excessive tardiness or absences will lead to discipline, up to and including termination (**see** Policies 702 Absences and 807 Disciplinary Procedure).

8. Employees who are frequently away from the premises for business reasons should inform their supervisors of their whereabouts during working hours.
9. Unauthorized or excessive absences or tardiness will result in disciplinary action, up to and including termination (**see** Policy 807 Disciplinary Procedure). An absence is considered to be unauthorized if the employee has not followed proper notification procedures or the absence has not been properly approved. Generally, absences in excess of those allowed in Policy 702 Absences, and tardiness or early departure (i.e., beyond ten minutes of starting or quitting time) more than three times in a three-month period are grounds for discipline.
10. Employees who are absent from work for three consecutive days without giving proper notice to the City of Anacortes will be considered as having abandoned their job. At that time, the City of Anacortes will formally note the termination and advise the employee of the action by certified mail to the employee's last known address (**see** Policy 213 Termination of Employment).

Policy 702 Absences

The City of Anacortes permits employees to be absent from work on an authorized basis for a variety of reasons, including illness or injury. To help employees maintain their income during certain authorized absences, the City provides compensation according to the guidelines below.

1. Washington Paid Sick Leave (WPSL)

- a. All City employees are eligible to accrue WPSL, whether regular, full-time, part-time, temporary or seasonal. Employees accrue WPSL at the rate of 1 hour for every 40 hours worked. For accrual purposes, hours worked encompasses actual working time, and not paid or unpaid leave. Accrual of WPSL begins on an employee's first day of work, although WPSL may not be used until the individual has been employed for 90 calendar days.
- b. Employees may carry up to a maximum of 40 hours of unused WPSL over from one calendar year to the next. Any accrued WPSL in excess of 40 hours will be transferred over to the employee's City Paid Sick Leave bank (subject to the maximum accrual limit of 1440 hours, as described below); if an employee is not eligible for City Paid Sick Leave, WPSL hours in excess of 40 at year end will be forfeited. Accrued but unused WPSL will not be cashed out upon separation from the City unless an employee qualifies for retirement buyback under section 3e below. If an employee separates from the City and is rehired within 12 months any WPSL balance that existed at the time of separation will be reinstated, provided that if the rehire occurs in the following calendar year, reinstatement of the balance will be limited to 40 hours.
- c. Accrued WPSL may be used for:
 - i. The employee's own illness, injury or health condition; to accommodate the need for medical diagnosis, care or treatment of a health condition; or preventive medical care.
 - ii. The employee's care for a family member with illness, injury, or health condition; care for family member who needs medical diagnosis, care or treatment; care for family member who needs preventive medical care. Family members include an employee's child (whether biological, adoptive, foster, step-child, a child's spouse, or child for whom employee stands in loco parentis, is a legal guardian for, or is a de facto parent and regardless of age or dependency status); parent (whether biological, adoptive, in-law, de facto, step-parent, legal guardian or person who stood in loco parentis to employee when employee was a child); spouse or registered domestic partner; grandparent; grandchild; ~~or sibling~~; or person with a relationship to the employee that creates an expectation of care.
 - iii. An absence due to closure of the City's offices by order of public official for any health-related reason, or where the employee's child's school or day care is closed for such a health-related reason or after the declaration of emergency by local, state, or federal government.
 - iv. Absences covered by the Domestic Violence/Sexual Assault/Stalking leave policy below.
- d. Where the need to use WPSL is foreseeable, employees should submit written notice of the need for leave to their supervisor at least 10 days in advance of the leave date(s). For unforeseeable leave, employees must contact their supervisor as soon as the need for leave becomes known. The City may require documentation regarding the use of leave, provided that for non-exempt employees:
 - i. Documentation may only be required when an employee uses more than three consecutive workdays of WPSL;
 - ii. An employee will have up to 10 calendar days to provide the required documentation;

- iii. If requested, documentation need not disclose the nature of the medical condition

- causing the need for leave; and
 - iv. If a requirement to provide documentation will result in unreasonable burden or expense to the employee, an employee may advise the City of this concern and the City will evaluate its request in light of the circumstances.
 - e. When an employee needs to be absent for a WPSL-covered reason (including any FMLA-eligible absence), any accrued WPSL may be applied. Any available City paid sick leave will be applied after the employee's WPSL accrual is exhausted (if City paid sick leave is qualifying), subject to the provisions of the Family Care policy below.
- 2. City Paid Sick Leave**
- a. Regular, full-time and regular part-time employees whose full-time equivalency is 50% or more are eligible to accrue City paid sick leave in addition to WPSL. Full-time employees will accrue City paid sick leave at the rate that ensures their total monthly sick leave accrual (including both WPSL and City leave) equals 8 hours per calendar month of continuous employment or the monthly accrual rate established in the applicable labor agreement. Eligible part-time employees will accrue City paid sick leave on a pro-rata basis.
Example: A full-time employee who is eligible for a total of 8 hours of paid sick leave per month works 160 hours during the month. They would receive 4 hours of WPSL (1 hour per 40 hours worked). The remaining 4 hours of their monthly entitlement of 8 hours would go into the employee's City sick leave bank.
Example: A part-time employee works 80% of a full-time schedule and is therefore entitled to a total monthly sick leave accrual of 6.4 hours (80% of 8 hours). During a month, the employee works 120 hours and would therefore accrue 3 hours of WPSL. The remaining 3.4 of their monthly sick leave accrual would be placed into the employee's City sick leave bank.
 - b. Employees do not accrue City sick leave benefits during an absence without pay. Temporary, seasonal and part-time employees who work less than a 50% equivalency are not eligible for City paid sick leave benefits.
 - c. The maximum number of hours of City paid sick leave that an employee can accumulate is one thousand four hundred and forty (1440) hours.
 - d. City paid sick leave is available to employees after their leave accrual under WSPL has been exhausted, subject to the provisions of the Family Care Act, described below.
 - e. City Sick leave may be used for **any of the following purposes:**
 - i. Personal illness or incapacity of the employee;
 - ii. Forced quarantine of the employee by a public health official;
 - iii. To care for the employee's dependent children under age 18 who is ill;
 - iv. To attend the birth of the employee's child;
 - v. Use of a prescription drug that impairs job performance or safety;
 - vi. Medical or dental appointments of the employee or dependent children under the age of 18, when such appointments cannot reasonably be scheduled during off-duty time;
 - vii. For any other purpose described in the WA Family Care policy set forth below.
 - viii. City paid sick leave may be coordinated with certain other leaves (see Family and Medical Leave policy below.) Employees may be required to provide medical or other documentation to verify the appropriate use of City sick leave. Excessive tardiness or absences (other than approved FMLA, WPSL or disability-related leave) may lead to disciplinary action up to and including termination.
- ~~e. the reasons outlined for Washington State Paid Sick Leave Policy 702(1)(c)-~~

~~City paid sick leave may be coordinated with certain other leaves (see Family and Medical Leave policy below). Employees may be required to provide medical or other documentation to verify the appropriate use of sick leave. A doctor's note will typically be required when an employee is absent for more than three consecutive days, or in other situations as deemed appropriate by the City of Anacortes (e.g., pattern absences on Fridays and/or Mondays.) Excessive tardiness or absences (other than approved FMLA, WPSL or disability-related leave) may lead to disciplinary action up to and including termination.~~

- f. An employee who is eligible for retirement under the applicable DRS retirement plan is eligible for cash out of a portion of their unused WPSL and City paid sick leave proportionate to their sick leave balance. Employees do not need to draw from retirement to be considered eligible for retirement under DRS and eligible for a sick leave buyout. City sick leave cash out is prorated for part-time employees based on full time equivalency at retirement.

Total Sick Leave Balance at Retirement	Percent Cash out
0-800 hours	0%
801-1251 hours	18% of unused sick leave hours
1251-1440 hours	25% of unused sick leave hours

Unused sick leave is not cashed out upon separation other than retirement.

3. Family Care/Use of Accrued Leave to Care for Sick Family Member

- a. Consistent with the Washington Family Care Act, employees may use their choice of any accrued leave that they have available for their own use in order to care for their child, spouse, domestic partner, parent, parent-in-law, or grandparent as described below.
- b. An employee may use available paid time off to care for their child where the child has a health condition requiring treatment or supervision, or where the child needs preventative care (such as medical, dental, optical, or immunization services).
- c. An employee may use available paid time off when a spouse, domestic partner, parent, parent-in-law, or grandparent has a "serious or emergency health condition" which are conditions:
 - i. Requiring an overnight stay in a hospital or other medical-care facility
 - ii. Resulting in any period of incapacity or treatment or recovery following inpatient care
 - iii. Involving continuing treatment under the care of a health services provider that includes any period of incapacity to work or attend to regular daily activities; or
 - iv. Involving an emergency (i.e., demanding immediate action)
- d. Where the need for family care leave is unexpected, the City of Anacortes understands that advance approval of the use of leave (as is required for certain kinds of accrued leave) may not be possible. Employees are required, however, to notify their supervisor of the need to take time off to care for a family member as soon as the need for leave becomes known. Subject to WPSL verification limits where WPSL is used, the City of Anacortes reserves the right to require verification or documentation confirming that a family member has or has had a "serious or emergency" health condition when available leave is used to care for that family member.

4. Family and Medical Leave ("FMLA")

Recognizing the importance of family and out of concern for the wellbeing of our employees, the City of Anacortes family and medical leave program enables employees to take time off, under certain conditions, for health reasons or to care for family members. This policy will be

administered in accordance with the federal Family and Medical Leave Act (FMLA). A notice entitled "Employee Rights and Responsibilities Under the Family and Medical Leave Act" is posted in break rooms and is provided to employees upon hire. Nothing in this policy affects or supersedes any federal or state law or collective bargaining agreement that may provide greater entitlement to medical or family leave than those set forth in this policy. Employees may also be entitled to seek partial wage replacement benefits during FMLA leave through the Washington Paid Family and Medical Leave (PFML) program (see Section 6 below).

- a. Eligibility for Federal Family and Medical Leave (FMLA): To be eligible for leave under this family and medical leave policy, an employee must have been employed by the City of Anacortes for at least 12 months, must have worked at least 1,250 hours in the preceding 12 months, and must work at a location where at least 50 employees are employed by the City of Anacortes within 75 miles.
- b. Leave Entitlement: An eligible employee may request up to 12 workweeks of FMLA leave per "leave year" for one or more of the following reasons:
 - i. To care for the employee's child upon birth, or to care for a child upon the child's placement with the employee for adoption or foster care;
 - ii. To care for a spouse, son, daughter, or parent who has a serious health condition;
 - iii. To care for self, if the employee has a serious health condition that makes the employee unable to perform the essential functions of the position (including

- incapacity due to pregnancy, prenatal medical care, or childbirth); or
- iv. For a “qualifying exigency” arising out of the fact that the employee’s spouse, son, daughter, or parent is a covered military member who is on active duty or has been notified of an impending call to active duty in support of a contingency operation. Covered military members are active-duty service members deployed to a foreign country, who have been called to active duty or notified of an impending call to active duty. Qualifying exigencies are generally activities related to the active duty or call to duty, including attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post- deployment reintegration briefings.
 - c. The City of Anacortes defines a leave year as the rolling twelve-month period measured backward from the date an employee uses any FMLA leave. FMLA leave for birth or placement for adoption or foster care must conclude within 12 months of the birth or placement. In addition, spouses employed by the City of Anacortes are jointly entitled to a combined FMLA leave of 12 workweeks of family leave for the birth or placement of a child for adoption or foster care, or to care for a parent with a serious health condition. Each spouse is, however, eligible for the full 12 weeks of leave in the 12-month leave period to care for a child, spouse with a serious health condition, or for the employee’s own serious health condition.
 - d. An eligible employee may also take up to 26 weeks of leave during a single 12-month period to care for an injured service member who is the employee’s spouse, parent, child, or next of kin. A covered service member is a current member or veteran of the Armed Forces, including National Guard or Reserves members, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform their duties for which the service member is undergoing medical treatment, recuperation or therapy; or in outpatient status; or is on the temporary disability retired list. This benefit applies to current service members or veterans who are undergoing medical treatment, recuperation, or therapy for a serious injury or illness that occurred any time during the five years preceding the date of treatment. For purposes of this kind of leave, the 12-month period begins the first day the employee takes leave. The combined total of leave for all purposes described in this policy may not exceed 26 weeks in the applicable leave year.
 - e. Serious Health Condition: A serious health condition is an illness, injury, impairment or physical or mental condition that involves:
 - i. Any period of incapacity or treatment connected with inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical care facility;
 - ii. A period of incapacity of more than three consecutive, full calendar days from work, school, or other regular daily activities that also involves:
 - 1. two visits to a health care provider, OR
 - 2. a single visit to a health care provider plus continuing treatment by (or under the supervision of) a health care provider;
 - iii. A period of incapacity due to pregnancy or for prenatal care;
 - iv. A period of incapacity or treatment due to a chronic serious health condition, for which a permanent or long-term condition for which treatment may not be effective, or to receive multiple treatments for restorative surgery after an accident or injury or for a condition that would likely result in an incapacity of more than three full, consecutive calendar days in the absence of medical treatment (e.g., chemotherapy for cancer or dialysis for kidney disease.)
 - f. Intermittent or Reduced Work Schedule Leave
 - i. In certain circumstances, eligible employees may take FMLA intermittently (for example, in smaller blocks of time) or by reducing their work schedule. If the FMLA

leave is because of the employee's own serious health condition or to care for a family member, the employee may take the leave intermittently on a reduced work schedule if it is medically necessary. Eligible employees may also take FMLA leave on an intermittent or reduced schedule basis when necessary, because of a qualifying exigency arising from a family member's military service. ~~If FMLA leave is to care for a child after the birth or placement for adoption or foster care, employees may take their FMLA leave intermittently or on a reduced work schedule only with the City of Anacortes's permission. Unless specifically permitted by Supervisor and Human Resources, FMLA leave to care for a child after the birth or placement for adoption or foster care, also known as bonding leave, cannot be taken intermittently or on a reduced work schedule.~~

- ii. Where intermittent leave or reduced-schedule leave is needed for planned medical treatment, an employee must make a reasonable effort to schedule the treatment so as not to disrupt unduly the City of Anacortes's operations. Where an employee needs intermittent or reduced-schedule leave based on planned medical treatment, the City of Anacortes may transfer the employee to an alternative position with equivalent pay and benefits that can better accommodate such recurring leave.
- g. Notice and Certification
 - i. Employees who want to take FMLA ordinarily must provide the City of Anacortes with at least 30 days' notice of the need for leave if the need for leave is foreseeable. If 30 days' advance notice is not possible, notice must be provided as soon as practical (which is generally the same day or next business day after the need for leave becomes known.) Absent unusual circumstances, employees are required to follow the City of Anacortes's regular procedural requirements when requesting FMLA leave. (see attendance and punctuality, Policy 701.) When requesting leave, employees must provide sufficient information for the City of Anacortes to determine whether the leave may be FMLA qualifying, and the anticipated timing and duration of requested leave. Employees must also inform the City of Anacortes if the requested leave is for a reason for which FMLA leave was previously taken or certified.
 - ii. When leave is requested in connection with planned medical treatment, the employee must make a reasonable effort to schedule treatment in order to prevent disruptions to the City of Anacortes operation.
 - iii. In addition, employees who need leave for their own or a family member's serious health condition must provide medical certification from the health care provider of the serious health condition. The City of Anacortes may require a second or third opinion (at the City of Anacortes's expense,) periodic recertification of the serious health condition, and when the leave is for an employee's own serious health condition, a certification that the employee is fit to return to work.
 - iv. Employees who need leave for a qualifying exigency arising from a family member's military leave must provide a certification confirming the need for leave.
 - v. The City of Anacortes may delay leave to employees who do not provide proper advance notice of the foreseeable need for leave. The City of Anacortes also may delay or deny approval of leave for lack of proper certification establishing the need for leave.
 - vi. Please contact Human Resources to obtain further information and forms relating to FMLA leave requests.
- h. Continuation of Pay and Benefits
 - i. FMLA leave is unpaid leave; however, employees are required to use accrued City paid sick leave for FMLA-qualifying events as part of their 12 weeks of FMLA leave. Employees may elect to use accrued WPSL. Use of vacation leave is optional.

- ii. During all leave designated as FMLA leave, the City of Anacortes will continue to pay the employer's portion of health insurance premiums, provided that the

employee continues to pay their share of the insurance premiums, if any. Failure of the employee to pay their portion of the premium may result in cancellation of health insurance. Under certain circumstances, if an employee fails to return to work at the end of the leave, the employee may be responsible to pay back the City of Anacortes for the employer portion of the health insurance premiums. Leave such as vacation and sick leave will continue to accrue during paid leave (e.g., while an employee is using accrued sick leave or vacation), but not during unpaid leave.

i. Job Restoration Upon Return from Leave

- i. Upon return from family and medical leave, an employee will be entitled to return to the employee's former position or a position with equivalent pay, benefits, and conditions of employment, unless unusual circumstances have arisen (e.g., the employee's position or shift was eliminated for reasons unrelated to the leave). If the employee chooses not to return to work for any reason, the employee should notify the City of Anacortes as soon as possible.

j. Leave for Pregnancy Disability and to Care for a Newborn

Note: The pregnancy disability leave does not apply when the qualifying event is the placement of a newborn by adoption or foster care.

- i. Under Washington State Law, regardless of whether the employee meets the FMLA eligibility requirements above, pregnant employees are entitled to an unpaid leave for the period of time that the female employee is physically disabled due to the pregnancy and/or childbirth. The period of temporary disability normally lasts six to eight weeks if the pregnancy and childbirth are without complications. With complications, such as required bed rest before childbirth, the period of temporary disability can last longer.
- ii. The pregnancy disability leave runs concurrently (at the same time) with FMLA for employees eligible for FMLA and does not extend the 12 weeks of leave allowed under federal law.
- iii. Pregnancy disability leave is unpaid leave unless the employee has accrued vacation and/or sick leave available (and the reason for the leave is sick leave qualifying). An employee may also be eligible for state PFML benefits during the period of disability (**see** Section 5 below).

5. Washington Paid Family and Medical Leave ("PFML")

Eligible employees may apply for PFML, a program administered by the Washington State Employment Security Department ("ESD"). The PFML program allows eligible individuals to receive partial wage replacement and time off for qualifying family or medical events, including welcoming a new child into their family, a serious health condition or injury, or the need to care for an ill relative, and for certain military-connected events. Leave benefits are funded by employer contributions and employee payroll deductions as described in RCW 50A.10.030. Eligibility is determined by the ESD, and employees must apply directly to the state to participate (<https://www.paidleave.wa.gov/login>).

If an employee's PFML application is approved by ESD, the employee must file weekly claims for benefits, and will receive benefit payments from the State. These benefits are distinct from paid leave accruals offered by the City. ~~An employee cannot receive PFML benefits and use paid leave accruals for the same absence.~~

a. Eligibility Under PFML

Employees may be eligible for monetary benefits and job protection when taking leave for covered reasons. Eligibility requirements are as follows:

- i. Monetary Benefits: In order to be eligible for monetary benefits from ESD, an employee must have worked 820 hours in Washington State (for any employer or combination of employers) during the year preceding the claim.

- ii. Job Protection: In order to be eligible for job protection with the City under PFML, an employee must meet the Federal Family Medical Leave Act (“FMLA”) eligibility requirements (must have worked for the City for at least 12 months and have worked 1250 hours in the last year).

An employee is ineligible for PFML benefits during any period of suspension from employment or during which the employee works for compensation or profit (i.e. outside employment or contracting).

b. Leave Entitlement

Within your “claim year” you can take:

- Up to 12 weeks of medical leave to recover from or get treatment for a “serious health condition,” or family leave to take care of a qualifying family member who is ill or injured with a “serious health condition” or to bond with a new child or for certain military events.
- Up to 16 weeks of combined medical and family leave if you have events covered by both in the same claim year.
- Up to 18 weeks of combined medical and family leave if you experience a condition in pregnancy that results in incapacity, like being put on bedrest, and then take bonding leave.

c. PFML leave may be taken for the following qualifying events:

- Family leave
 - Bonding with a new child coming into your family through birth, adoption, or foster placement.
 - Caring for a covered family member with a serious health condition ~~or injury~~.
 - Bereavement leave for seven days following the loss of a child for whom an employee could have taken medical or bonding leave.
 - Certain events for military families.
- Medical leave (for yourself)
 - Recovery or treatment for your own serious health condition ~~or injury~~, including recovery from childbirth.

PFML leave runs concurrently with FMLA leave year where an absence is covered by both laws and an employee is receiving PFML benefits.

d. Notification Requirements

An employee must provide written notice to Human Resources of the intent to take PFML leave. If the need for leave is foreseeable, notice must be given at least 30 days in advance of the leave. For unforeseeable leave, notice must be given as soon as possible.

If an employee fails to provide this required notice to the City, ESD will temporarily deny PFML benefits. After receiving the employee’s written notice of the need for leave, the City will advise the employee whether the employee is eligible for job protection under PFML or FMLA or both.

If leave is being taken for the employee’s or family member’s planned medical treatment, the employee must make a reasonable effort to schedule the treatment so as not to unduly disrupt City operations.

For any week during which an employee submits a claim to ESD for PFML benefits, the employee must notify the City of how many PFML hours were claimed, so that the City may properly track leave use. If taking leave intermittently, an employee must notify

Human Resources in writing each time PFML leave is taken so that the City may properly track leave use.

e. PFML Monetary Benefits

If ESD approves a claim for PFML benefits, partial wage replacement benefit payments will be made by ESD directly to the employee. The amount of the benefit is based on a statutory formula, which generally results in a benefit in the range of 75-90 percent of an employee's average weekly wage, subject to a weekly maximum. ESD's website provides a benefits calculator to assist employees in estimating their weekly benefit amount.

Paid leave accruals (vacation, Washington paid sick leave [WPSL], City sick leave, personal holidays, compensatory time, exchange time, or any other accrued leave) are allowable and supplemental to PFML. An employee may elect to use such accrued leave during a PFML-covered absence. Supplemental leave usage should not impact your weekly PFML benefit.

~~Existing Leave Benefits Paid leave accruals (vacation, Washington paid sick leave [WPSL], City sick leave, personal holidays, compensatory time, exchange time, or any other accrued leave) are not supplemental to PFML benefits. If an employee elects to use such accrued leave during a PFML-covered absence, the receipt of accrued leave must be reported to ESD as part of the PFML claims process, and will result in a pro-rated weekly PFML benefit.~~

~~Note: failure to report the receipt of accrued leave may result in an overpayment by ESD, which ESD may recoup from the employee.~~

f. Waiting Period

Monetary PFML benefits are subject to a seven (7) consecutive calendar waiting period, except for leave taken in connection with the birth or placement of a child or for a qualifying military exigency. The waiting period begins on the Sunday of the week in which PFML leave is first taken. ~~Employees may use available accrued leave to cover absences during the waiting period without a reduction in WA PFML benefits.~~

g. Coordination with Other Benefit Programs

When an employee is on leave and only receiving PFML benefits, the employee is deemed to be in "unpaid status" for purposes of City policies and benefit programs. Insurance coverage will be handled in the same manner as other unpaid leaves of absence, pursuant to City policy and subject to any FMLA or other legal requirements requiring continuation of coverage.

h. Job Restoration & Return to Work Recertification

Similar to the federal FMLA, an employee who is eligible for job-protected leave will be restored to the same or equivalent position at the conclusion of PFML leave, unless unusual circumstances have arisen (i.e., the employee's position or shift was eliminated for reasons unrelated to the leave). The City may require a return-to-work certification from a health care provider before restoring the employee to work following PFML leave when the employee has taken leave for the employee's own serious health condition. (Certification will typically be required after three (3) consecutive workday absences.)

If an employee taking PFML leave chooses not to return to work for any reason, the employee should notify Human Resources as soon as possible.

To apply for benefits, visit <https://paidleave.wa.gov/>

For more information on any of these leave policies, or if you think you may need to take family and/or medical leave, please contact Human Resources. Employees are

encouraged to contact Human Resources with any questions about how the various laws are coordinated in a particular situation.

6. Jury or Witness Duty

- a. Employees who are required by law to render jury service will be granted paid time off

during a period of jury duty up to ten workdays per calendar year. During jury service, exempt employees will receive their full pay for any workweek in which they perform any work for the City, even if jury service exceeds ten workdays. Employees should notify their supervisors as soon as possible after receipt of a juror summons so that operational adjustments can be made as needed during the employee's absence. A copy of the juror summons must be provided to the supervisor. If an employee is summoned for jury service during a critical work period, the City of Anacortes may ask the employee to request a waiver from duty; in such cases, the City of Anacortes will provide documentation to the relevant court supporting the waiver request. Employees should contact their supervisor for instruction if there is a break greater than four hours during jury duty where the employee is not required to report to the court; depending on the circumstances, an employee may be required to return to work during such a period.

- b. An employee subpoenaed to testify in court will be granted time off for the period served as a witness. In general, leave for witness duty is unpaid unless the employee has been called as a witness by the City of Anacortes.

7. Military Leave

- a. Every employee who is a member of the Washington National Guard or of the U.S. Army, Navy, Air Force, Coast Guard or Marine Corps, or of any organized reserve of the United States, will be granted military leave in accordance with state and federal law. Employees who take military leave will have whatever rights to reinstatement, seniority, vacation, layoffs, and compensation as are provided by applicable law.
- b. Paid Leave of 21 Days Per Year Washington State Law provides 21 days of paid military leave per year. A public employee is entitled to a paid military leave of absence for a period not to exceed 21 working days during each year beginning October 1st and ending the following September 30th. Military leave beyond the 21 days of paid time off will be unpaid. The employee may elect to use accrued vacation, compensatory time, exchange time, or other available paid time off during the period of military leave. Usage of the paid military leave entitlement will be calculated as follows:
 - Employees will be charged with the use of paid military leave only for days on which they are actually scheduled to work.
 - If an employee is scheduled to work a shift that begins on one calendar day and ends on the next, the employee will be charged with the use of military leave only for the first calendar day. If the employee is scheduled to work a shift that begins on one calendar day and ends later than the next calendar day, the employee will be charged military leave for each calendar day except the day on which the shift ends.
- c. Employees should notify their supervisor as soon as they receive notice of the need to report for military duty and provide the supervisor with a copy of the military orders.

8. Leave for Spouses of Military Personnel (Non-FMLA)

- a. During a period of military conflict declared by the President or Congress, an employee who is the spouse of a member of the Armed Forces, National Guard or Reserves is entitled to up to 15 days of unpaid leave while their spouse is on leave from deployment, or before and up to deployment. (This reason for leave may also be covered under FMLA leave for a qualifying exigency, although an employee need not meet the more stringent FMLA eligibility requirements in order to take this spousal military leave.) The purpose of this leave is to support the families of military personnel serving in military conflicts by permitting them to spend time together before a family member is deployed or while the family member is on leave from a deployment. An employee must work an average of 20 hours per week to be eligible for this family military leave.
- b. An employee who seeks to take family military leave must provide the City of Anacortes with notice of their intent to take the leave within five business days of receiving official notice that the employee's spouse will be on leave or of an impending call to active duty.

The employee may substitute available accrued vacation, compensatory time, or exchange time leave for any part of this family military leave.

9. Bereavement Leave

- a. In the event of the death of an employee's immediate family member, time off with pay for employee's regular scheduled workday will be granted to regular full time employees. The phrase "immediate family" for the purposes of the bereavement policy includes the employee's spouse, domestic partner, brother, sister, father, mother, stepfather, stepmother, grandparent, children, stepchildren, grandchildren, father-in-law, mother-in-law, grandparent-in-law, sister-in-law, brother-in-law, daughter-in-law, and son-in-law.
 - i. Three consecutive workdays off with pay will be approved For bereavement within 90 days of death of the immediate family member (Maximum 24 hours).
 - ii. Two additional consecutive workdays off with pay will be approved for travel from the employee's home to the funeral or memorial service if the travel exceeds two hundred (200) miles each way. (Maximum 16 hours)
 - iii. Regular part-time employees who are scheduled to work twenty or more hours per week are eligible to receive Bereavement Leave. The amount of leave allowed will be pro-rated for regular part-time employees.

10. Leave due to Domestic Violence or Sexual Assault; Safety Accommodations

- a. In compliance with Washington law, the City authorizes leave for employees who are victims of domestic violence, sexual assault, or stalking. It is also available to employees with a family member (child, spouse, domestic partner, parent, parent-in-law, grandparent, or person with whom the employee has a dating relationship) who is a victim of domestic violence, sexual assault, or stalking. The leave may be taken in blocks, intermittently, or on a reduced leave schedule. The amount of leave that an employee may take is limited to a "reasonable" amount. Domestic violence/sexual assault leave is unpaid, although an employee may elect to use the employee's accrued paid leave (e.g., vacation, compensatory time, exchange time, or sick leave if it qualifies) in connection with such leave.
- b. Domestic Violence/Sexual Assault Leave may be taken for the following purposes:
 - i. To seek law enforcement or legal assistance or to prepare for or participate in any legal proceeding related to domestic violence, sexual assault or stalking;
 - ii. To seek health care treatment for physical or mental injuries from domestic violence, sexual assault, or stalking, or attend to such health care treatment for a family member;
 - iii. To obtain (or assist a family member in obtaining) mental health counseling related to domestic violence, sexual assault, or stalking; or
 - iv. To participate in safety planning, to temporarily or permanently relocate, or to take other actions to increase the safety of the employee or family member relating to domestic violence, sexual assault, or stalking.
- c. When possible, employees must give advance notice of the intention to take leave. If advance notice is not possible, employees (or their designees) must give notice of the need for this leave no later than the end of the first day the employee takes the leave.
- d. The City of Anacortes may require verification to support the need for the leave. Depending on the situation, verification can take the form of police reports, court documents, or the employee's own written statement of the need for the leave. Except where disclosure is authorized or required by law, the City of Anacortes will maintain confidentiality of all information provided by the employee in conjunction with the Domestic Violence/Sexual Assault Leave Act.
- e. The City will also make reasonable safety accommodations for any employee who is the victim of domestic violence, sexual assault, or stalking. Accommodation may include, for example, modification of a telephone number or email address, a modified work

schedule, or implementation of safety procedures. An employee in need of safety accommodations should contact Human Resources.

11. Leave Share Program

- a. Eligible employees may donate excess vacation leave for use by another employee who is suffering from an extraordinary medical emergency requiring them to be out of work. Employees are eligible to receive shared leave when the severity of the emergency would cause the employee to take leave without pay or to terminate employment without shared leave. Employees who donate leave waive all rights to the donated leave.
- b. Employees may request a leave donation when they have or expect to use all of their accrued leave (including vacation, sick, personal days, compensatory time, and exchange time) and would otherwise be on a leave without pay and has been found to be ineligible to receive industrial insurance benefits. The employee receiving a leave donation is required to provide medical justification and documentation both of the necessity for the leave and the length of time the employee reasonably can be expected to be absent due to the condition. While an employee is receiving shared leave, the employee continues to be classified as a City employee and shall receive the same treatment in respect to salary, wages, and employee benefits as the employee would normally receive if using the employee's own accrued leave except that the shared hours received are not eligible for retirement benefits.
- c. The maximum number of days an employee can receive of donated leave is 90 per calendar year. The Mayor and Human Resource Department retain discretion to determine the eligibility to receive donated leave.
- d. The maximum amount of vacation leave an employee can donate per request, per calendar year is 40 hours. Donations and use of leave are on an hour-for-hour basis, without conversion for differentials between rates of pay received by the donors and the recipients.

12. Coordination of Wages with Worker's Compensation

Worker's Compensation provides partial wage replacement for injured employees. Employees receiving Worker's Compensation as a result of a Labor and Industries Claim may choose to use their accrued sick leave or vacation leave to supplement the Worker's Compensation wage replacement. If an employee elects to use accrued leave while receiving Worker's Compensation benefits, the City will pay the employee his/her regular wages using accrued sick or vacation leave. If an employee elects this option, when the employee receives time loss payments from the Department of Labor and Industries, the employee must turn such payments over to the Finance Department. The Finance Department will use the worker's compensation payment to replenish the employee's sick leave or vacation leave balance that was drawn down at the employee's current hourly wage rate. If an employee elects to use accrued leave while receiving Worker's Compensation benefits, disciplinary action may be taken if time-loss checks are not returned to the City. Compensatory time, exchange time, and shift trades are not eligible for buyback and may not be used following a work-related injury or illness while an employee is receiving Worker's Compensation pay.

13. Other Unpaid Leave

Subject to operational and other considerations, the Mayor may grant a leave of absence without pay for an absence not covered by any other type of leave. Any available accrued leave must be exhausted before an unpaid leave will be approved. An example of an absence that may qualify is a prolonged illness or medical condition for which an employee needs reasonable accommodation.

14. Administrative Leave

On a case-by-case basis, the Mayor may place an employee on administrative leave with or without pay for an indefinite period of time. Administrative leave may be used when it is in the City of Anacortes' best interest, such as during the pendency of an investigation.

15. Benefits During Leave

Employees who are on a paid leave of absence shall continue to receive benefits they were entitled to prior to the start of their leave, including the accrual of vacation, sick leave, holidays, retirement, and health insurance benefits. Unless stated otherwise in these policies, benefits that accrue according to length of service, such as paid vacation, holiday, and sick days, do not accrue during periods of unpaid leave or during periods in which the employee receives workers' compensation or PFML benefits. In certain cases, self-payment of insurance premiums may apply (**see** Policy 501 Health and Welfare Benefits [Eligibility Disclosure](#)).

16. Outside Employment During Leave

Employees who are on an approved leave of absence may not perform work for any other employer during that leave, except when the leave is for military service or explicitly approved by the Mayor.

- 17.** Employees will only receive paid time off if they have accrued balances in the leave banks prior to the leave being taken. In addition, authorized days off for short-term absences will not be considered as working time for calculating weekly overtime compensation (**see** Policy 209 Hours of Work).

1. Nonexempt employees should receive a rest break of fifteen minutes at approximately the middle of every four hours of work not interrupted by a meal period (**see** Policy 704 Meal Breaks).
2. Supervisors are responsible for scheduling the time for nonexempt employees' rest breaks and should consider the workload and the nature of the job performed. Whenever necessary, the frequency and time of rest periods may be changed.
3. Time spent on rest breaks will be compensated as working time (**see** Policy 209 Hours of Work). However, employees are expected to be punctual in starting and ending their breaks and may be disciplined for tardiness (**see** Policy 701 Attendance and Punctuality).
4. Employees are expected to take their rest breaks.
5. Mothers who choose to breastfeed their infants may express and collect breast milk during work hours. The City provides private space for breastfeeding. Each employee choosing to breastfeed can work with their supervisor or the Human Resource department to identify private space for the mother to express and collect breast milk. This space, other than a bathroom, will be shielded from view and free from intrusion by co-workers or the public. Employees may take reasonable breaks during work hours to express and collect breast milk. Break time which extends beyond normal paid breaks will be unpaid.
6. Employees on rest breaks may not interfere with other employees who are continuing to work (**see** Policy 603 Solicitation).

2. Part-time employees scheduled to work more than five consecutive hours during any workday will receive a meal break of the same duration as full-time employees in their department.
3. Supervisors are responsible for balancing workloads and scheduling meal breaks and should take into consideration the workload and the nature of the job performed. Whenever necessary, the duration and time of meal periods may be changed.

Policy 802 Personal Appearance Of Employees

The City of Anacortes requires each employee's dress, grooming, and personal hygiene to be appropriate to the work situation. Employees are expected at all times to present a professional image.

1. Employees are expected at all times to present a professional image to customers and the public. Professional personal appearance, like proper maintenance of work areas, is an ongoing requirement of employment with the City of Anacortes. Radical departures from personal grooming and hygiene standards are not permitted.
2. Office workers and any employees who have regular contact with the public must comply with the following personal appearance standards and are expected to dress in a manner that is considered professional attire in similar business establishments. Employees should not wear suggestive attire or similar items of casual attire that do not present a professional appearance. Additionally, employees should refrain from the excessive use of scented products, which may cause discomfort or allergic reactions to others.
3. Employees who do not regularly meet the public should follow basic requirements of safety and comfort but should still be as neat and professional as working conditions permit.
4. Certain employees may be required to meet special dress, grooming, and hygiene standards, such as wearing uniforms, depending on the nature of their job.
5. On Fridays, the City of Anacortes allows employees (who are not required to wear a uniform) to dress in a more casual fashion than is normally required; however, employees are still expected to present a neat appearance and are not permitted to wear ripped or disheveled clothing, or similarly inappropriate clothing.
6. An employee who does not meet the standards of this policy will be required to take corrective action, which may include leaving the premises. Non-exempt employees will not be compensated for any work time missed because of failure to comply with this policy. Violations of this policy also may result in disciplinary action.

Policy 803 Personal Finances Of Employees

The City of Anacortes expects employees to meet their financial obligations in a timely manner.

1. Employees should manage their personal finances so that they do not adversely affect job performance or the City of Anacortes's image in the community. The failure of employees to meet financial obligations may impose an administrative and financial burden on the City of Anacortes through extra bookkeeping and the need to respond to legal notices and court orders.
2. The City of Anacortes will not disclose employee financial information to outside parties without express written permission from the employee, except as required by law.
3. The Payroll Manager of the Finance Department is the only person authorized to receive a writ of garnishment or attachment, a notice of levy by any taxing authority, or any other similar order requiring payment of a portion of an employee's compensation to someone other than the employee. Human Resources will notify the affected employee and then Payroll will deduct the required amount from the employee's earnings, up to the limit permitted by law.
4. No employee will be disciplined because their earnings have been garnished for one indebtedness. However, multiple garnishments (three or more in a 12-month period) may result in discipline, up to and including termination, depending on the circumstances of the case and any legal restrictions.

Policy 804 Use Of Communication Systems

The City of Anacortes provides or contracts for the communications services and equipment necessary to promote the efficient conduct of its business.

1. Communications systems and equipment are provided by the City of Anacortes to facilitate the performance of City work. All communication systems must be used in compliance with applicable statutes, regulations, and the City's policies including those that require a work environment free from discrimination and harassment. Employees are expected to use common sense and sound judgment to avoid any communication which is disrespectful, offensive, or illegal.
2. The City as provider of access to communication systems reserves the right to specify how the City's network resources will be used and administered to comply with this policy. Message content sent from City communication systems reflects the City's image, both positively and negatively. Employees may be subject to disciplinary action for using these resources in a manner other than for the intended purposes. The information sources available via the Internet are worldwide and constantly growing in kind and number. It is not possible for any organization to fully manage the types and content of information accessed by its systems and users. Nonetheless, the City reserves the right to restrict access to any data source if/when, in its sole discretion and after appropriate review, the City determines such a source to be problematic. These restrictions do not constitute an implication of approval of other non-restricted sources.
3. City communications property or equipment may not be removed from the premises without written authorization from the employee's supervisor. Some resources (designated laptop computers and audio-visual equipment) are made available through a reservation system and may not require supervisory approval.
4. Employees should ensure that no personal correspondence appears to be an official communication of the City of Anacortes. Employees may be perceived as representatives of the City of Anacortes and, therefore, damage or create liability for the City. All outgoing messages, whether by mail, facsimile, e-mail, Internet transmission, or any other means, must be accurate, appropriate, and work- related. Employees may not use City of Anacortes stationery or postage for personal letters. Only the City of Anacortes may issue personalized stationery and business cards bearing the City's logo.
5. Employees who do not have direct access to a City of Anacortes telephone should make provisions to have emergency or other necessary incoming calls routed to a department approved telephone or to Human Resources. Although the City of Anacortes will attempt to deliver personal messages to employees, it cannot and does not accept responsibility for the prompt or accurate relay of these messages.
6. **See** Addendum A Information Technology & Systems Policies for further details on IT, IS, and communication systems.

Policy 805 Conflicts Of Interest

The City of Anacortes prohibits its employees from engaging in any activity, practice, or conduct which conflicts with, or appears to conflict with, the interests of the City of Anacortes. Since it is impossible to describe all of the situations that may cause or give the appearance of a conflict of interest, the prohibitions included in this policy are not intended to be exhaustive and include only some of the more clear-cut examples.

1. Employees are expected to represent the City of Anacortes in a positive and ethical manner. Thus, employees have an obligation to avoid conflicts of interest and to refer questions and concerns about potential conflicts to their supervisor.
2. Employees may not, directly, or indirectly whether on or off the job, engage in any conduct that is disruptive or damaging to the City of Anacortes.
3. Employees who marry or become members of the same household may continue employment as long as there is not:
 - a. A direct or indirect supervisor/subordinate relationship between the employees; or
 - b. An actual conflict of interest or the appearance of a conflict of interest.Should one of the above situations occur, the City of Anacortes would attempt to find a suitable position within the City of Anacortes to which one of the affected employees may transfer. If accommodations of this nature are not feasible, the employees will first be permitted to determine which of them will resign. If no agreement between the employees can be reached, the City of Anacortes will decide which of the employees will be terminated.
4. Employees and their immediate family may not accept gifts, except those of nominal (i.e. less than \$20.00) value, or any special discounts or loans from any person or firm doing, or seeking to do, business with the City of Anacortes. The meaning of gifts for purposes of this policy includes the acceptance of entertainment and free travel and lodging.
5. Employees may not give, offer, or promise, directly or indirectly, anything of value to any representative or any entity in connection with any transaction or business that the City of Anacortes may have.
6. Employees may not accept any employment relationship with any organization that does business with the City of Anacortes. This prohibition on employment includes serving as an advisor or consultant to any organization of that type, unless the activity is conducted as an assigned representative of the City of Anacortes.
7. Any conflict or potential conflict of interest must be disclosed to the City of Anacortes. failure to do so will result in discipline, up to and including termination (**see** Policy 807 Disciplinary Procedure).

Policy 806 Media Inquiries

All media inquiries and other inquiries of a general nature should be referred to the department head or division manager. In addition, the Mayor must approve all press releases, publications, speeches, or other official declarations (**see** Policy 605 Security). The Mayor may authorize specific employees to respond to media inquiries on the City's behalf without prior approval. Questions about employee references or other information concerning current or former employees should be referred to Human Resources.

Policy 807 Disciplinary Procedure

The City of Anacortes expects that all employees comply with the City of Anacortes's standards of behavior and performance and that noncompliance with these standards must be corrected.

1. Under many circumstances, the City of Anacortes utilizes a policy of progressive discipline in which it attempts to provide employees with notice of deficiencies and an opportunity to improve. It does, however, retain the right and discretion to administer discipline in any manner it sees fit, and to terminate all at-will employees with or without cause.
2. Depending on the circumstances, the City of Anacortes may utilize the following procedures:
 - a. If an employee is not meeting City of Anacortes standards of behavior or performance, the employee's supervisor may take the following action:
 - i. Meet with the employee to discuss the matter;
 - ii. Inform the employee of the nature of the problem and the action necessary to correct it; and
 - iii. Prepare a memorandum for the supervisor's own records indicating that the meeting has taken place.
 - b. If there is a second occurrence, the supervisor may hold another meeting with the employee and take the following action:
 - i. Issue a written reprimand to the employee (Human Resources should assist in the preparation of the written reprimand);
 - ii. Warn the employee that a third incident will result in more severe disciplinary action; and
 - iii. Prepare and forward to Human Resources a written report describing the first and second incidents and summarizing the action taken during the meeting with the employee. This information will be included in the employee's personnel file (**see** Policy 901 Personnel Records).
3. If there are additional occurrences, the supervisor may take the following action, depending on the severity of the conduct:
 - a. Issue an additional written reprimand or warning;
 - b. Typically, the employee should be suspended immediately, and an investigation of the incidents leading up to the suspension should be conducted to determine if any action such as termination should be taken; or
 - c. The supervisor must prepare and forward to Human Resources another written report describing the occurrences, indicating the timing between the occurrences, and summarizing the action taken or recommended and its justification.
4. The progressive disciplinary procedures described in (2), above, may also be applied to an employee who is experiencing a series of unrelated problems involving job performance or behavior.
5. The degree of disciplinary action administered depends on the severity of the infraction and will be carried out in accordance with this policy, or in accordance with applicable Civil Service Rules or collective bargaining agreements. It is the responsibility of management to evaluate the circumstances and facts thoroughly and objectively. In cases involving serious misconduct, or any time the supervisor determines it is necessary, the procedures contained in (2), above, may be disregarded. The supervisor should suspend the employee immediately and, if appropriate, recommend termination of the employee (**see** Policy 801 Behavior of Employees). If appropriate, an investigation of the incidents leading up to the suspension may be conducted to determine what further action, if any, should be taken. Employees suspended from work generally will not receive or accrue any employee benefits during the suspension.
6. Pre-disciplinary Meeting

- a. In the case of suspension, demotion, or termination of an employee (other than probationary employees), the City will conduct a pre-disciplinary meeting. The pre-disciplinary meeting serves as a check against mistaken decisions and as an opportunity for an employee to furnish additional facts before a suspension or termination decision is finalized. The employee shall be provided with a notice of intended discipline. The notice shall include an explanation of the charges on which the recommendation is based, and the time and date for a pre-disciplinary meeting. If the employee fails or refuses to appear, the suspension, demotion, or termination may proceed. Pre-disciplinary meetings will be presided over by the Human Resources Director or designated representative.
 - b. A non-supervisory employee who is represented by a union may request that a union representative be present at a pre-disciplinary meeting. The meetings are intended to be informal. The employee may show cause why they should not be suspended, demoted, or terminated. Usually within two working days after the pre-disciplinary meeting, the Mayor or Human Resources Director will issue a decision on whether there are reasonable grounds to believe the charges against the employee are true and support suspension, demotion, or termination. A longer review period may be required in situations that are more complex.
7. Human Resources shall review and approve all recommendations for termination before any final action is taken (**see** Policy 213 Termination of Employment).
 8. Employees who believe that this policy has not been followed, and wish to challenge the decision, must use the dispute resolution procedure (**see** Policy 902 Dispute Resolution Procedure).
 9. If an employee who has been disciplined for relatively minor misconduct works a full year without further disciplinary action under this policy, the next failure to meet behavior or performance standards may be treated as a first occurrence under this policy; however, the City of Anacortes may still consider all past disciplinary actions in evaluating the employee (**see** Policy 302 Performance Reviews).

Policy 808 Drugs, Narcotics, And Alcohol

The City of Anacortes is committed to protecting the health, safety and well-being of its employees and all individuals who come into contact with our employees and workplace. In addition, we strive to create and maintain a productive and efficient work environment in which all employees have an opportunity to thrive and be successful.

Recognizing that drug and alcohol use and abuse can pose a serious threat to these goals, the City of Anacortes is committed to providing a drug and alcohol-free workplace for all of its employees. This policy is in accordance with Chapter 296-800 of the Washington Administrative Code (WAC) and with the federal Drug Free Workplace Act.

This policy applies to all employees of the City. Employees who are required to maintain a commercial driver's license (CDL) are also subject to the City's Drug and Alcohol Policy for DOT Employees.

1. The City of Anacortes strictly prohibits the following in the workplace, on City property (including all City-owned, leased, and controlled premises, vehicles, and workstations whereby the employee is being paid by the City and is under the direct control and supervision of the City) or on work time:
 - a. the use, sale, distribution, dispensation, manufacture or possession of alcohol or drugs (including marijuana and other drugs included in Schedule I or II of the federal Controlled Substances Act) or drug paraphernalia;
 - b. the unauthorized use or distribution of prescription drugs;
 - c. the use of any legally obtained drug (prescriptions or over-the-counter medications) when such use may adversely affect an employee's job performance, their safety or the safety of others, or any combination thereof;
 - d. reporting to work or working while under the influence of alcohol or drugs (including marijuana and other drugs included in Schedule I or II of the federal Controlled Substances Act). An employee will be deemed under the influence of a drug if the employee tests positive following a test conducted in accordance with this policy or when the employee acknowledges impairment.
2. Prescription medication. The possession and use of medically prescribed or over-the-counter drugs during work hours is permissible, subject to certain conditions. The employee shall have no obligation to inform the City of such use unless, according to a warning notice or the input of a physician or pharmacist, the drug may cause a possible impairment that could prevent the employee from performing their job safely or effectively. In such cases, the employee should notify their supervisor or Human Resources so that a determination can be made as to whether it is in the best interests of the City and the employee that the employee work, not work or be reassigned during the period medication is used. Medical information will be handled in a confidential manner. Notwithstanding the above, the medical use of marijuana that causes drug or drug metabolites to be present in the body above minimum thresholds established by federal law constitutes prohibited conduct regardless of whether the marijuana was used under the guidance of a medical practitioner and regardless of whether the medical practitioner advised that such use will not adversely affect the employee's ability to safely and effectively perform job duties.
3. Workplace drug related convictions. The Drug Free Workplace Act of 1988 requires employees, as a condition of employment, to report any criminal convictions of drug-related activity in the workplace to the City no later than five (5) days following a conviction. Any such report should be directed to Human Resources. Employees convicted of workplace drug-related crimes may be subject to discipline up to and including termination.

4. Drug and alcohol testing
 - a. The City of Anacortes asserts its right to test employees or applicants for alcohol and/or controlled substances to the extent allowed by law. This includes urine drug testing and evidential breath alcohol testing. Employee or applicant acceptance of testing, when required in accordance with this policy, is a mandatory condition of employment. Refusing to submit to such tests constitutes a violation of City policy and will result in termination of employment or, for an applicant, withdrawal of the job offer. The City of Anacortes reserves the right to test for drugs and/or alcohol as defined below:
 - i. **Pre-employment** – After receiving a conditional offer of employment, an applicant for a safety sensitive position must submit to, and successfully pass, a drug test.
 - ii. **Post-accident** – An employee who is involved in an accident that causes significant property damage while driving a vehicle for City business, or who sustains or causes an injury that requires medical attention, will be required to submit to drug and alcohol testing, unless the circumstances surrounding the accident do not indicate a reasonable possibility that drug or alcohol use was a contributing factor.
 - iii. **Reasonable Suspicion** – Reasonable suspicion is based on specific personal observations that a City of Anacortes management representative can describe and document (using a Reasonable Suspicion Testing and Documentation Form) regarding an employee's appearance, behavior, speech and breath odor.
 - b. The City of Anacortes will follow the collection and drug testing guidelines and standards issued by the U.S. Department of Health and Human Services and the U.S. Department of Transportation (DOT).
 - c. To ensure the accuracy and integrity of the program, the City of Anacortes also will follow these employee protection guidelines:
 - i. For drug analysis, we will use a laboratory that has been certified by the Substance Abuse and Mental Health Services Administration (SAMHSA).
 - ii. A strict chain of custody will be used to ensure specimen integrity; a split specimen will also be collected.
 - iii. The process will ensure privacy and confidentiality of all test results.
 - iv. All positive drug test results will be confirmed by gas chromatography/mass spectrometry before they are reported to the City of Anacortes.
 - v. All confirmed positive, invalid, substituted, and adulterated results will receive medical review by a Medical Review Officer (MRO), who will give the employee an opportunity to provide possible medical explanations for the result.
 - vi. All negative test results will be reported to the designated employer representative.
 - d. In addition, when the City has a reasonable suspicion that an employee is violating any aspect of this policy, the employee may be asked by the City of Anacortes to submit immediately to a search or inspection at any time (including breaks and the lunch period) while on City premises or in City property. Any refusal to consent to a lawful search constitutes a violation of this policy and is grounds for disciplinary action, up to and including termination of employment.
5. Procedures for administering tests:
 - a. Drug screen
 - i. Upon identifying an event that requires testing (pre-employment, post-accident or reasonable suspicion), Human Resources will provide the employee with a non-DOT Custody and Control Form indicating the reason for the test and the specific services to be performed.
 - ii. The employee will report to a clinic or authorized collection site with the Custody and Control Form and photo identification within 60 minutes of notification. In the event of a post-accident or reasonable suspicion testing event, the employee will

be transported to the collection site by a City of Anacortes management representative.

- iii. Samples will be collected by personnel who have met DOT collector training requirements as specified by U.S. Department of Transportation (DOT) Regulations 49 CFR Part 40. Collectors will follow standard DOT collection procedures and use a non-DOT chain of custody form. A split sample collection is required.
 - iv. Shy bladder collections – In the event that an employee is unable to provide an adequate specimen on the first attempt, they will be given 40 ounces of water over a 3-hour period. The employee may attempt to provide a sample at any time within the 3-hour period. The employee must remain at the collection site until the collection is completed. If the employee is not able to provide an adequate specimen within 3 hours, the City of Anacortes Human Resources office will be notified immediately, and they will then notify the Medical Review Officer (MRO) for an evaluation. In this instance, the employee shall have the option to undergo a medical evaluation for “shy bladder” at their expense. If no medical explanation is found for their inability to produce urine, it shall constitute a refusal to test and be considered a failed test.
 - v. Suspected substitution or adulteration collections – If the employee provides a sample and the collection temperature does not register on the collection cup, or the collector suspects that the specimen has been adulterated (for example, it has a blue color or chemical odor that is not consistent with urine, such as bleach or perfume), that collection will be completed, and a second sample will be collected under same-gender direct observation. Both samples will be submitted to the lab for analysis, and both results will require MRO review. If an employee refuses to provide a second sample under observation, the event will be deemed as a refusal to test.
 - 1. The sample will be shipped via courier to a SAMHSA-certified lab.
 - 2. Each sample will undergo a screening test and, if it demonstrates a positive response for any drug, it also will be subject to a confirmation test by gas chromatography/mass spectrometry (GC/MS).
 - 3. All negative results will be reported by an authorized SAMHSA-certified lab directly to the City of Anacortes. All results reported from the laboratory as positive, invalid, substituted, or adulterated results will be reported to the MRO for review. The MRO will contact the employee by telephone to give that individual an opportunity to provide a valid medical explanation for the positive result.
 - 4. If the MRO accepts and employee’s explanation and/or documentation as a valid, medically acceptable explanation, the result may be deemed “negative” and reported to Human Resources as such. All results for which the MRO determines that there is no valid, acceptable medical explanation will be deemed a “confirmed positive” and reported to Human Resources as a failed test. The MRO may require a re-collection under direct observation in the event of some invalid results.
6. Breath alcohol
- a. All alcohol tests will be conducted using an evidential breath testing device operated by a trained Breath Alcohol Technician who has met qualification and proficiency requirements.
 - b. The Breath Alcohol Technicians will use a non-DOT Alcohol Testing Form to record the test. The employer copy of the Alcohol Testing Form will be sent to Human Resources.
 - c. A breath alcohol result of < 0.019 grams of alcohol/210 L of breath will be considered

- negative, and no further testing will be required for that incident.
- d. A breath alcohol result of > 0.020 grams of alcohol/210 L of breath will require a second, confirmatory test conducted no sooner than 15 minutes after the initial test. If the confirmation test result is > 0.020 grams of alcohol/210 L of breath, the result will be considered positive and will be reported immediately to Human Resources.
 - e. If the result is positive, the employee will not be allowed to return to work, and arrangements must be made to provide transportation to the employee's home.
7. Confidentiality. All information received by the employer through the program is confidential. Access to this information is limited to those who have a legitimate need to know.
 8. Consequences. An employee's refusal to do any of the following when required is considered non-compliance and may result in disciplinary action, up to and including termination of employment:
 - a. Take a drug or alcohol test.
 - b. Appear for testing.
 - c. Accept the EAP recommendations when required to use the EAP because of a positive drug test or due to violating a City rule pertaining to drugs or alcohol.
 - d. Comply with the conditions of a Last Chance Agreement.
 9. First verified positive test: An employee may be terminated solely for a first-time confirmed positive drug or breath alcohol test. However, if not terminated, the employee will be given an opportunity for job retention through a Last Chance Agreement. This policy does not prohibit an employee from being terminated for reasons other than a confirmed positive test result. The availability of a Last Chance Agreement in a given situation, as well as the specific terms of that agreement, shall be subject to the City's discretion and approval.
 10. Second verified positive test: If an employee has a confirmed positive drug screen or positive breath alcohol test for a second time, the employee will be terminated immediately.
 11. Implementation details
 - a. Supervisor training. The City of Anacortes will provide a supervisor training program to help supervisors recognize an employee with possible alcohol and/or drug problems. This program will train supervisors how to recognize specific performance or behavior criteria related to substance abuse and how to refer employees for assistance.
 - b. Employee education. The City of Anacortes will provide alcohol and drug awareness information for all employees. This will include the City of Anacortes policy on alcohol and drug abuse; the dangers of alcohol and drug abuse; and treatment and counseling services available through the Employee Assistance Program.
 - c. Employee Assistance Program. The City of Anacortes recognizes that alcohol and drug addiction can be successfully treated and is willing to help employees who suffer from these problems while holding them responsible for their own recovery. The City of Anacortes maintains an Employee Assistance Program (EAP). Employees may also have access to professional services through the City's medical health insurance plans to aid them with any alcohol or drug problems. Employees who need help with drug and/or alcohol misuse or abuse are encouraged to use these resources.
 12. Employees are strongly encouraged to seek help to address their drug or alcohol problems before such issues affect their performance or result in a positive drug or alcohol test. Seeking assistance after an employee has tested positive or demonstrated performance issues will not allow the employee to avoid the disciplinary consequences of his/her behavior. For employees seeking assistance for alcohol and/or drug problems, the EAP will be administered as follows:
 - a. Employees seeking help on their own, or who are referred to the EAP by their supervisor, will be provided assistance on a confidential basis without jeopardizing their employment status.
 - b. Employees who are offered a Last Chance Agreement in lieu of termination for a

violation of this policy may be required to use the EAP and/or successfully complete a treatment program as a condition of continued employment. In such case, the employee may be required to authorize the EAP or treatment provider to disclose to the City information regarding compliance with the treatment program. A Last Chance Agreement may also include requirements for follow-up drug and alcohol testing for a period of two years as a condition of continued employment.

Miscellaneous

Policy 901 Personnel Records

The City of Anacortes maintains personnel records for applicants, employees, and past employees in order to document employment-related decisions, evaluate and assess policies, and comply with government record keeping and reporting requirements.

1. The City of Anacortes tries to balance its need to obtain, use, and retain employment information with a concern for each individual's privacy. To this end, it attempts to maintain only the personnel information that is necessary for the conduct of its business or required by federal, state, or local law.
2. Human Resources is responsible for overseeing record keeping for all personnel information and will specify what information should be collected and how it should be stored and secured.
3. Employees have a responsibility to keep their personnel records up to date and should notify Human Resources in writing of any changes in at least the following:
 - a. Name;
 - b. Address;
 - c. Telephone number;
 - d. Marital status (for benefits and tax withholding purposes only);
 - e. Number of dependents;
 - f. Addresses and telephone numbers of dependents and spouse or domestic partner, or former spouse or domestic partner (for insurance purposes only);
 - g. Beneficiary designations for any of the City of Anacortes's insurance, disability plans; and for the State Department of Retirement Systems.
 - h. Persons to be notified in case of emergency.

In addition, employees who have a change in the number of dependents or marital status should complete a new Form W-4 for income tax withholding purposes.
4. Employees may inspect their own personnel records and may copy, but not remove, documents in the file. Inspections by employees must be requested in writing to Human Resources and will be scheduled at a mutually convenient time. All inspections must be conducted in the presence of a designated member of Human Resources. A reasonable charge, not to exceed the actual cost to the City of Anacortes, will be made for any copies of records made by the employee.
5. Employees who believe that any file material is incomplete, inaccurate, or irrelevant may submit a written request for file revisions to Human Resources. If the request is not granted, the employee may place a written statement of disagreement in the file and make a complaint using the regular grievance procedure (**see** Policy 902 Dispute Resolution Procedure).
6. Only supervisory and management employees who have an employment-related need-to-know for information about another employee may inspect the files of that employee. The inspection must be approved and witnessed by Human Resources. Records containing medical information will be maintained in a secure and confidential file, separate from the personnel file.
7. Employees should refer all requests from outside the City of Anacortes for personnel information concerning applicants, employees, and past employees to Human Resources. Human Resources normally will release personnel information only in writing and only after obtaining the written consent of the individual involved. Exceptions may be made to cooperate with legal, safety, and medical officials who need specific employee information.

In addition, exceptions may be made to release limited general information, such as the following: employment dates, position held, and location of job site.

8. The City follows the general retention schedules defined by the Local Government Records Retention Schedules established by the Washington State Archives.
9. The City customarily retains certain documents in the regular course of business as a part of an employee's permanent record, even if no regulation requires retention. Examples of this type of document would include performance management memos, disciplinary or warning memos, and memos describing the outcome of an internal investigation.

The manager should consider first whether a document in this category should be routed to Human Resources. The manager should contact the Human Resources Director or representative if unclear whether or not the contents should be placed in the employee's file. Other working documents that the manager may need:

- a. Drafts, notes of conversations
- b. Interviews or investigations
- c. Email
- d. Correspondence
- e. Memos
- f. Other working documents that may be needed to manage ongoing issues with employees. These documents may have little utility for anyone other than for the manager and/or the employee's manager and that generally are not viewed by anyone other than HR, the manager, in some cases the employee, and perhaps Legal.

The following documents should be routed to Human Resources for inclusion in the employee's personnel or medical file. Medical files are kept separately from personnel files.

- a. Application forms/ resumes/letters of offer
- b. Reviews/evaluation forms
- c. Performance Management memos
- d. Disciplinary memos
- e. Memos regarding the result of any internal complaint/investigation that resulted in disciplinary action being taken
- f. Termination/resignation notices
- g. Documents regarding the offer and/or acceptance of severance benefits
- h. Post-termination documents referencing a former employee's eligibility or ineligibility for rehire
- i. Applications for health, life, disability or other insurance or benefit program
- j. Workers' compensation claims
- k. Leave of absence
- l. Unemployment claims
- m. Medical records
- n. Physician's releases
- o. Documents pertaining to an ergonomic evaluation
- p. Request for accommodation of a physical or mental condition.

Policy 902 Dispute Resolution Procedure

The City of Anacortes believes that employees should have an opportunity to present their work-related complaints and to appeal management decisions through a dispute resolution procedure. The City of Anacortes will attempt to resolve promptly all disputes that are appropriate for handling under this policy.

1. Employees are encouraged to consult on a less formal basis with Human Resources, their supervisors, or other members of management regarding work-related complaints or disputes.
2. An appropriate dispute is defined as an employee's expressed dissatisfaction concerning any interpretation or application of a work-related policy by management, supervisors, or other employees. Examples of matters that may be considered appropriate disputes under this policy include:
 - a. A belief that City of Anacortes policies, practices, rules, regulations, or procedures have been applied inconsistently to an employee;
 - b. Treatment considered unfair by an employee, such as coercion, reprisal, harassment (including sexual harassment), intimidation, or retaliation;
 - c. Improper or unfair administration of employee benefits or conditions of employment such as scheduling, vacations, fringe benefits, promotions, retirement, holidays, performance review, salary, or seniority.
3. If the employee seeks to complain about harassment, discrimination, or retaliation, this complaint should be directed to the Human Resources Director (**see** Policy 202 Productive Work Environment). If the employee believes that the Human Resources Director is involved, the employee should direct the complaint to the Mayor. ~~For internal complaints, the Human Resources Director or Mayor will apply this dispute resolution process beginning at Step 3.~~ For all other types of complaints, the dispute resolution procedure is the exclusive remedy for employees with appropriate complaints. Employees should notify the City of Anacortes in a timely fashion of any dispute considered appropriate for handling under this policy. As used in this policy, the terms "timely fashion," "reasonable time," and "promptly" generally will mean ten working days. Certain employees may have more than one source of dispute resolution rights, i.e. a collective bargaining agreement, the City's Civil Service Rules, and this complaint process. Employees represented by a bargaining unit or who are covered under civil service rules should follow grievance procedures set out in their respective labor contracts or civil service rules where applicable. In all other cases, the procedures described in this section are to be used. Under no circumstances shall an employee have the right to utilize both this process and any other complaint or appeal procedure that may be available to the employee.
4. The dispute resolution procedure has a maximum of three steps, but disputes may be resolved at any step in the process. Disputes will be processed until the employee is satisfied, does not file a timely appeal, or exhausts the right of appeal under the policy. A decision becomes binding on all parties whenever an employee does not file a timely appeal or when a decision is made in the final step and the right of appeal no longer exists.
5. Employees who feel they have an appropriate dispute should proceed as follows:
 - a. **Step One** - Promptly bring the complaint to the attention of the immediate supervisor. If the dispute involves the supervisor, then the employee may proceed directly to step two. The supervisor, if authorized should investigate the complaint or refer it to Human Resources for handling, attempt to resolve it, and give a decision to the employee within a reasonable time. The supervisor should prepare a written and dated summary of the dispute and proposed resolution.
 - b. **Step Two** - Appeal the decision to the department head, if dissatisfied with the

supervisor's decision, or initiate the procedure with the department head if Step One has been bypassed. This appeal or initial dispute notification must be made in a timely fashion using a written form provided for this purpose. The supervisor's version of the dispute and decision will then be submitted using a similar written form. The department head will, in a timely fashion, confer with the employee, the supervisor, and any other members of management considered appropriate; investigate the issues; and communicate a decision in writing to all the parties involved.

- c. **Step Three** - Appeal an unsatisfactory department head decision to the Mayor. The timeliness requirement and procedures to be followed are similar to those in Step Two. The Mayor will take the necessary steps to review and investigate the dispute and will then issue a written, final, and binding decision.
6. Human Resources will provide training and support to supervisors and department heads in dealing with employee complaints. In addition, employees should be encouraged to consult with Human Resources, their supervisors, or other members of management on a less formal basis regarding employee complaints or disputes.
7. Final decisions on disputes will not be precedent-setting or binding on future disputes unless they are officially stated as City of Anacortes policy. When appropriate, the decisions will be retroactive to the date of the employee's original dispute notification.
8. Information concerning an employee dispute should be confidential to the extent possible. Supervisors, department heads, and other members of management who investigate a complaint may discuss it only with those individuals who have a need to know about it or who are needed to supply necessary background information or advice.
9. Time spent by employees in dispute discussions with management during their normal working hours will be considered hours worked for pay purposes.
10. Employees will not be penalized for proper use of the dispute resolution procedure. However, it is not considered proper use if an employee raises complaints in bad faith or solely for the purposes of delay or harassment or repeatedly raises meritless disputes. Implementation of the dispute resolution procedure by an employee does not limit the right of the City of Anacortes to proceed with any disciplinary action that is not in retaliation for the use of the dispute resolution procedure. In addition, employees and supervisors are prohibited from retaliating against an employee who properly uses the dispute resolution procedure.
11. The City of Anacortes may, at its discretion, refuse to proceed with any dispute it determines is improper under this policy.

Policy 903 Whistleblower Protection Act

The City of Anacortes, in compliance with the Local Government Employee Whistleblower Protection Act, RCW 42.41.050, encourages employees to disclose any improper governmental action taken by City officials or employees without fear of retaliation. This policy also safeguards legitimate employer interests by encouraging complaints to be made first to the City, with a process provided for speedy dispute resolution.

1. Improper governmental action is any action by a city officer or employee that is:
 - a. Undertaken in the performance of the official's or employee's official duties, whether or not the action is within the scope of the employee's employment, and
 - b. In violation of any federal, state, or local law or rule, is an abuse of authority, is of substantial and specific danger to the public health or safety, or is a gross waste of public funds.
 - c. Improper governmental action does not include personnel actions including employee grievances, complaints, appointments, promotions, transfers, assignments, reassignments, reinstatements, restorations, re-employments, performance evaluations, reductions in pay, dismissals, suspensions, demotions, violations of collective bargaining or civil service laws, alleged violation of labor agreements or reprimands. In addition, employees are not free to disclose matters that would affect a person's right to legally protected confidential communications.
2. Retaliatory action is any material adverse change in the terms and conditions of an employee's employment. Emergency means a circumstance that if not immediately changed may cause damage to persons or property.
3. Employees who become aware of improper governmental action should follow these procedures:
 - a. Bring the matter to the attention of the Director of Human Resources, if non-involved, in writing that states in detail the basis for the employee's belief that an improper action has occurred. This should occur as soon as the employee becomes aware of the improper action. Where the employee believes the improper action involves the Human Resources Director, the employee may raise the issue directly with the Mayor.

In the case of an emergency, where the employee believes that damage to persons or property may result if action is not taken immediately, the employee may report the improper governmental action directly to the appropriate government agency with the responsibility for investigating the improper action.

- b. The Mayor or the Mayor's designees shall promptly investigate the report of improper government action. After the investigation is completed (within thirty (30) days of the employee's report), the employee shall be advised of the results of the investigation. City of Anacortes officers and employees involved in the investigation shall keep the identity of reporting employees confidential to the extent possible under law, unless the employee authorizes the disclosure of their identity in writing. After an investigation has been completed, the employee reporting the improper governmental action shall be advised of a summary of the results of the investigation. To the extent allowed under the Public Record Act, personnel actions taken as a result of the investigation may be kept confidential.
4. An employee who makes a good faith effort to follow this policy is entitled to protection against retaliation pursuant to RCW 42.41.030.
5. In the case of an emergency, where the employee believes that damage to persons or property may result if action is not taken immediately, the employee may bypass the above procedure and report the improper action directly to the appropriate government agency

responsible for investigating the improper action. Outside agencies to which reports may be made include, but are not limited to, the following:

Skagit County Prosecuting Attorney's Office
Washington Attorney General
Washington State Auditor
Department of Labor & Industries
Washington State Patrol
Washington Department of Natural Resources

6. Employees may report information about improper governmental action directly to an outside agency if the employee reasonably believes that an adequate investigation was not undertaken by the City to determine whether an improper governmental action occurred, or that insufficient action was taken by the City to address the improper action or that for other reasons the improper action is likely to recur.
7. It is unlawful for a local government to take retaliatory action because an employee, in good faith, provided information that improper government action occurred. Where an employee believes that retaliation has occurred for reporting an improper government action, the following procedures will apply:
 - a. Employees must provide a written complaint to the Human Resources Director within thirty days of the occurrence of the alleged retaliatory action. If the Human Resources Director is involved, the notice should go to the Mayor. The written charge must specify the alleged retaliatory action and the relief requested.
 - b. The Mayor shall investigate the complaint and respond in writing within thirty days of receipt of the written charge.
 - c. After receiving the response of the City of Anacortes or thirty (30) days after the delivery of the charge to the City of Anacortes, the employee may request a hearing before a state administrative law judge to establish that a retaliatory action occurred and to obtain appropriate relief provided by law. An employee seeking a hearing should deliver the request for hearing to the City of Anacortes Mayor within the earlier of either fifteen (15) days of delivery of the City of Anacortes' response to the charge of retaliatory action, or forty-five (45) days of delivery of the charge of retaliation to the City of Anacortes for response.
 - d. Within five (5) working days of receipt of a request for hearing the City shall apply to the State Office of Administrative Hearing's for an adjudicative proceeding before an administrative law judge. At the hearing, the employee must prove that a retaliatory action occurred by a preponderance of the evidence. The ALJ will issue a final decision no later than forty-five days after the date of the request for hearing, unless an extension is granted.
 - e. Additional information can be obtained on the Internet: <https://sao.wa.gov/report-a-concern/how-to-report-a-concern/whistleblower-program/>

Policy 904 Emergency Operations

The City of Anacortes has a responsibility to protect the health and safety of the public during times of emergency. In order to carry out this responsibility, it is a requirement of the City of Anacortes that employees report to work after assessing the health and safety of their families. The City will make every effort to provide assistance to employees and their families to facilitate this reporting. The City realizes that employees will not be able to effectively work until family situations are taken care of first and foremost. This policy establishes guidelines for when employees will be required to report to work in the event of an emergency as declared. Further details can be found in the City's full Emergency Operation Plan and Emergency Guides maintained by the City's Emergency Manager.

1. Where and When to Report:

- a. Department Directors will establish a staffing plan for essential functions which will be needed during an emergency. Employees should be informed in advance of where and when to report.
- b. Employees are expected to make every effort possible to get to the assigned work site. If, due to road closures, the employee is unable to get to the assigned job site, the employees should report to the nearest City facility. It is also understood that some employees may be unable to get to work for a period after an event. At the same time, employees who are at work at the time of the event may be required to remain on the job to provide emergency services or may be unable to leave due to unsafe conditions. The City of Anacortes will assist them in contacting their families.
- c. Employees who are unable to report should contact the designated department representative as soon as possible.

2. Family Needs:

The initial reaction of most employees will be to try to determine the well-being of their own families. If at home at the time of the event, an employee's first responsibility is to care for themselves and their family's immediate needs, then report to work. If at work, employees can make every effort to establish contact with the family to determine status. The City will do all that is possible to assist you in contacting your family to ensure their safety. An updated "Emergency Contact Notification" form should be completed annually by you to ensure the proper contact person is notified. Contact the Human Resources department anytime you wish to update the form.

3. Location of City Emergency Operations:

Employees should report to their regular place of employment. Should it become necessary to establish an Emergency Operation Center (EOC). The City's EOC locations are as follows:

- a. Primary: Police Station/Municipal Court, 1218 24th Street. If the Police Station is not available, employees should report to the secondary location.
- b. Secondary: Fire Station 1, 1016 13th Street.

4. Emergency Notification:

- a. Listen to your car or battery-operated radio for emergency updates and routine instruction. The dissemination of emergency warning information to the public is dependent upon the use of mobile sirens and public address systems located on police and fire vehicles. In addition to mobile sirens, City government will rely on the use of various media and the local Emergency Broadcast Systems (KLKI) and Community Alert Network (C.A.N) system to alert and inform the public.
- b. The Mayor is the only City official authorized to activate the local Emergency Broadcast System to assist in emergency warning and dissemination of information to the public. In the absence of the Mayor, the Mayor Pro Tempore is in charge followed by the city attorney. The Emergency Broadcast System must be activated through the Skagit County Department of Emergency Management.

5. Employee Role in an Emergency:

- a. Report to Work: After your crucial personal and family emergency responsibilities have been met, and you are physically able, you are expected to report to work according to your department's operational procedures following a major emergency.
- b. Contact the City: If the telephone system is out and radio information is not forthcoming, you should report as soon as possible. During a major emergency, the telephone network will probably be overwhelmed and in some cases completely shut down. Every effort should be made to report to work or a place of work if unable to get to your work location.
- c. Find out where you are needed: If phones are operative, you are to contact your respective department for information on when and where to report to duty. In a major emergency, the initial response to an emergency incident will be primarily provided by fire, police, and public works. The Incident Commander shall have the authority to request additional resources from other City departments.
- d. Help for your family: Coordination of emergency welfare services (including, but not limited to shelter, feeding, and daycare) will be provided to immediate family members of City employees who are on duty.
- e. Out-of-Town Reporting: If you live outside of Anacortes and cannot get into the City and cannot report via telephone, report to the nearest local Emergency Operation Center and request that governmental agency to contact Anacortes EOC for instruction. You may need to work in your town of residence.
- f. What to Expect:
 - i. In the event of an emergency, you may not be doing the regular functions of your job. Each department will be assigned specific tasks. This may mean you will be doing whatever is necessary to care for and protect the City of Anacortes citizens. You may be working under a different organizational structure, i.e., one designed for the incident at hand, and a different chain of command. People who you now report to may not be the people you are assigned to in an emergency. Likewise, if you are in charge of others, you may have different people assigned to you. Whether given a pre-designated assignment in the emergency plan or not, be prepared to respond as needed.
 - ii. The citizens of Anacortes depend on municipal employees to be organized and deliver support services in a timely manner. We will do everything possible to meet those expectations.
 - iii. Remaining at work is essential until released by your department or the City's Emergency Management Director. This makes it especially important for you to prepare your family.
 - iv. It is advised to establish an out-of-state telephone contact; someone that all family members can call should you be separated. Long distance service may be available even though local service is not.

Policy 905 Telecommuting

The City of Anacortes recognizes that a telecommuting arrangement may be a viable and mutually beneficial option when both the employee and the position are suited for such an arrangement. Working from home is a benefit of the City's flexible workplace and not a guaranteed privilege. Quality public service, team cohesion, cross-team collaboration, and positive relationships are the core of our ongoing success and essential functions of every job. Each employee has a vital part to play in building and sustaining strong teams and providing quality public service. A team focus should be any employee's priority over the telecommuting benefit.

Telecommuting means performing normal work duties, during regular business hours, away from the office, either at home or at an alternative worksite chosen by the employee, provided the location allows for the employee to work productively. Workdays that include attendance at trainings, conferences, representing the city at approved/recognized events, and similar activities are not considered telecommuting under this policy. Employees are expected to physically work within the City as necessary in order to be a part of the community they serve. If telecommuting impacts an employee's ability to provide required internal or external customer service, telecommuting will be discontinued at the city's sole discretion.

Telecommuting is a voluntary work alternative, and supervisors shall determine if an employee's work is conducive to telecommuting. Telecommuting is not an entitlement and is not a citywide benefit. Telecommuting in no way changes the terms and conditions of employment with the City.

The amount of time the employee is expected to work per day or pay period will not change as a result of telecommuting. Telecommuting is not designed to be a replacement for the care of children or other individuals. Total telecommuting hours per week are discussed between supervisor and employee, with the intent that employees work at least three or more days a week in the office. There is no minimum hourly requirement for telecommuting. Temporary schedule adjustments can be made as necessary at supervisor approval.

Final decisions to allow telecommuting, the duration, and the employee's schedule are approved by the department director, with additional oversight by Human Resources and the Mayor.

1. Program Description

Telecommuting is voluntary and is a mutually agreed upon work alternative between the employee and supervisor. Either an employee or a supervisor can suggest telecommuting as a possible work arrangement. This arrangement can be modified at any time by the City or by mutual agreement between the employee, manager, and department head. All telecommuting arrangements are made on a case-by-case basis, focusing on the business needs of the City. Work must be specific, measurable, and have attainable performance expectations.

2. Eligibility

When evaluating a request to telecommute, the City will consider the following eligibility criteria:

- a. Nature of employee's duties and extent to which duties can be performed effectively working remotely,
- b. The employee's past and present levels of performance,
- c. Job, work group, department, operational and customer service needs, including the impact on other staff members,
- d. Equitable distribution of telecommuting work arrangements for similar type work,
- e. Equipment needs,
- f. Ability to return to the office on short notice from the telecommuting work location,
- g. Telecommuting workspace condition, including those affecting safety and security, and
- h. Other factors relevant to a particular situation.

3. Requirements

Employees and supervisors contemplating telecommuting as a work option must comply with the following requirements:

- a. The employee must complete an alternative work schedule with remote option agreement, available on Laserfiche forms;
- b. The employee must complete another alternative work schedule with remote option agreement if the employee would like to modify or terminate the telecommuting schedule, or if they change positions;
- c. The employee must establish and maintain a safe work area that facilitates productivity and adheres to City policies regarding City equipment;
- d. The City shall not be required to provide additional equipment to facilitate the employee's ability to telecommute unless it is related to safety or disability accommodation; however, employees may be permitted to use City equipment (laptops, mobile devices, etc.) issued to them as part of their employment while telecommuting;
- e. The employee must ensure that City-owned equipment will be well cared for, secure, not used by anyone other than employee, and returned as requested;
- f. The supervisor must be satisfied that the telecommuting employee will be able to carry out work tasks in an acceptable manner;
- g. The employee must work at least three or more days a week in the office;
- h. The employee must adhere to all requirements of the employer for hours tracking while telecommuting;
- i. The employee must adjust their telecommute time to ensure their participation at required in person meetings and City events;
- j. A supervisor may require an employee to appear in-person at City facilities during their normally scheduled telecommuting work hours after providing the employee reasonable notice based upon the employee's circumstance;
- k. The telecommuting employee must be a resident of Washington State and the alternative work location must be in Washington State;
- l. The employee's telecommuting workspace environment must be free from disruptions and distractions that negatively affect attendance and/or the performance of job duties; and
- m. Telecommuting work must not be used to provide active care for a child or other dependent. Employees should arrange care so as not to interfere with performing the requirements of their position.

4. Telecommuting Security

Consistent with the City's expectations of information security for employees working at the office, employees who are working remotely must ensure the protection of proprietary City information and confidential information accessible from their telecommuting work location. Steps include:

- a. Locking the computer when leaving the work area,
- b. Installation of updates as they become available,

- c. Secure handling and disposal of physical documentation,
- d. Ensuring secure (password protected) internet service,
- e. And any other measures appropriate for the job and the environment.

All telecommuting workers are responsible for all activity performed under their City account and must protect against any unauthorized use. If an employee's access login or password has been compromised or if the telecommuting access user's computer, laptop, or any City owned equipment is lost, stolen, or otherwise compromised, the Information Systems Department must be contacted immediately. City equipment should be used by the employee only. Additionally, all e-mail, documents and other materials created using telecommuting access privileges are public records and will fall under the disclosure rules of the Public Records Act.

5. Telecommuting Safety

Employees are expected to maintain their workspace in a safe and ergonomically suitable manner, free from safety hazards. Injuries sustained by the employee in a telecommuting office location and in conjunction with regular work duties are normally covered by the City's workers' compensation policy. Employees working remotely are responsible for notifying their supervisor of any injuries as soon as practical and should complete an Incident Report Form. Employees should not have work-related persons (non-city employees), vendors, or other customers visit the employee at their telecommuting work site.

6. Telecommuting Hours Worked and Meal/Rest Periods Requirements

Employees approved to work remotely are expected to work their assigned work schedule unless approved by their supervisor. They must also observe regular lunch and rest periods. For overtime eligible employees, any overtime hours require the advance approval of the employee's supervisor. Failure to comply with this requirement may result in termination of the telecommuting work arrangement. An employee working remotely may be required by their supervisor to maintain a daily log of work activities and/or report their work activities. The employee will follow existing City policies to use paid sick, vacation time, or other accrued leave.

7. Telecommuting Employee Availability/Responsiveness Requirements

An employee who is working remotely must be available and responsive during regularly scheduled work hours. Regardless of an agreed-upon telecommuting work schedule, if an employee's in-person presence is needed, the employee must remain willing and able to come to the worksite to perform job duties. Supervisors should give at least 24-hour advance notice whenever possible. A request to come to the worksite during regularly scheduled work hours is not considered a schedule change. Reporting to the office from a telecommuting work location is commute time and is non-compensable. The City will make a reasonable effort to provide advance notice of any changes to an established regular telecommuting work schedule, but advance notice will not always be possible.

8. Telecommuting Employee Disciplinary Action Requirements

Failure to follow the rules and guidelines stated in this policy may result in progressive disciplinary action up to and including termination and in accordance with the relevant collective bargaining agreement.

9. Tax Liability

Employees agree to be responsible for their own compliance with tax laws. The City is not responsible for substantiating an employee's claim for tax deductions for operating a home office. If a telecommuting employee has questions concerning whether home office expenses are tax deductible, that employee should seek advice from their tax consultant.

10. Residency

For employees who telecommute, each employee's residence and alternative work location must be within the State of Washington. Tax requirements differ from state to state, and payroll cannot set up and file taxes outside the state of Washington. If an employee fails to

retain Washington residency, the employee will be expected to immediately resign or return to Washington State. Otherwise, the City will initiate the employment termination process. If separation occurs, the employee is expected to return any City equipment by submitting a Help Desk ticket in advance for instructions on how to return equipment.

11. Working Out of State

Telecommuting during temporary travel or moving out of the State of Washington is allowed with supervisor approval and cannot exceed a total of thirty (30) calendar days in a calendar year (January 1 through December 31). Extension of telecommuting for working out of state in excess of 30 calendar days must have HR Director approval.

The employee is responsible for creating a mutually agreed upon work schedule with their supervisor. The work schedule cannot cause undue hardship to the division or department. There is no guarantee that continued out-of-state telecommuting shall be permitted.

12. Ad Hoc Telecommuting

Ad hoc telecommuting arrangements may be requested by the employee in writing and approved by a supervisor for circumstances such as special projects, health-related accommodations, business travel, or other unexpected circumstances. The employee will not be required to complete a telecommuting agreement during ad hoc telecommuting. These arrangements are approved on an as-needed basis only, with no expectation of ongoing continuance, and focusing first on the business needs of the organization. Ad hoc telecommuting may last a maximum of eighty (80) hours per circumstance leading to the need to ad hoc telecommute, or the employee and supervisor must complete an alternative work schedule with remote option agreement.

Failure to follow this policy could result in discipline up to and including termination and liability for failing to properly maintain records per the Public Records Act. Text messages and other electronic correspondence sent using a personal cell phone or device that pertain to City business or otherwise fall within the definition of a "public record" as defined in the Public Records Act are public records. Users have no right to privacy in City-owned cell phones or devices.

City of Anacortes employees are encouraged not to use personal devices for City business. An employee who uses their personal cell phone or device to send or receive text messages related to City business is required to follow this policy and shall be required to produce the device containing texts and other electronic data relating to City business in accordance with this policy.

A-8 Notice of Requirement for Public Records Act Compliance

All electronic data are the property of the City of Anacortes and may be public records under the Public Records Act, chapter 42.56 RCW.

A-9 Acquisition Of Information Technology Resources

Acquisition of technology resources must conform to the provisions as defined in City of Anacortes Purchasing Policy, including but not limited to the following:

1. The City of Anacortes Purchasing Policy requires the concurrence of the IS Division at the discretion of the IS Manager, for purchases for the following:
 - a. Software or hardware (including copiers, scanners, and mobile devices) that interfaces with or will be used on the City's network or city-owned computer equipment.
2. Chapter 36.92 RCW requires that all data processing shall not be provided or acquired by a City department other than the IS Division.

Before acquisition, the IS Division must review and concur with all software, hardware, removable device (i.e., anything that connects via USB port, serial port, USB thumb drive, web cameras, etc.) and related maintenance and support contracts, whether the selected products or solution will be on the network or off, used by one or many people, and regardless of program and funding sources.

All software and hardware must be installed by the IS Division. Specialized software and hardware technologies exclusive to individual departments may be managed within the appropriate department, in coordination with and approval of the IS Division.

Most City hardware has a pre-determined lifecycle replacement period and must be surrendered for replacement on a 1:1 basis or retired, according to that schedule. Such technology may not be redeployed without the concurrence of the IS Division.

All hardware resources including computers, monitors, tablets, etc. purchased for in-office or field usage should reside at their assigned work location. Any changes made to hardware locations must be coordinated with the IS Division and the relevant Department Head.

A-10 City-Provided Cellular Telephones

The City of Anacortes recognizes that for certain job functions it is critical that an employee be accessible when away from the assigned work location, during times outside scheduled working hours, or during times of emergency. To accommodate these accessibility needs, the City will provide a mobile communications device to those certain employees, who will then be expected to be accessible as may be necessary. Use of such City-provided mobile communications devices are subject to the expectations described in this policy and no expectation of privacy. All cell phone use is subject to public disclosure, including calls made and received, text messages, photos, and data usage.

All City of Anacortes cellular phones are programmed with staff contacts to promote optimal use of the network. Employees should verify the contact list is up to date; the IS Division can assist with updating if necessary.

Employees are expected to monitor personal use of the internet, messaging, and other applications, to ensure that the City is being appropriately served. Employees must obtain authorization from their supervisor before incurring charges; for example, from downloading data, accessing a paid service, or installing an application.

The City reserves the right to audit and review usage of City-provided cell phones to ensure appropriate and reasonable use.

A-11 Downloads

Downloading files from the internet or opening email attachments from sources outside the City can lead to malware infections that can severely damage or degrade the City's network and/or data. The IS Division has installed anti-virus and anti-spyware software on all City computers and continuously updates signature definition files. However, that does not guarantee that all malware is detected, and blocked.

If you are downloading a file and receive a message that a virus or spyware has been detected, you must contact the IS Division immediately for assistance. Similarly, if you receive an email with a suspicious attachment, or from an unusual source, you must notify the IS Division before opening it. If you notice that your computer is behaving strangely or suspect some type of malware, notify the IS Division immediately.

A-12 Reasonable Use/Permissible Incidental Usage

The City provides software and hardware to employees for the primary purpose of supporting their job responsibilities. However, de minimus personal use may be permitted where such use does not interfere with employee or department productivity, nor distract from employees' assigned work. De minimus personal use means:

1. Use does not compromise the security or integrity of City data or to the City Network.
2. Use does not result in a cost to the City.
3. Use does not interfere with the responsibilities and fulfillment of job duties.
4. Use is brief in duration and frequency.
5. Use does not distract from the conduct of City business.
6. It does not constitute any prohibited use, as discussed below.

A-13 Unallowable Use of Resources

Use of the City's Technology Resources to engage in any communication that violates federal, state, or local laws or regulations, or any City policy, is strictly prohibited. In addition, the following uses of the City's Technology Resources are inappropriate and prohibited, unless specifically exempted:

1. Usage for any type of unlawful harassment or discrimination, including the transmission of obscene or harassing messages to any individual or group or other protected status.
2. Usage that precludes or hampers City network performance.
3. Unauthorized copying or downloading of copyrighted material.
4. Usage that violates software license agreements.
5. Downloading of software programs (unless specifically approved by applicable Department Head and coordinated with the IS Division).
6. Sending anonymous messages and/or misrepresenting an employee's name, position, or job description.
7. Deliberately propagating any virus, worm, malware, spyware, crypto-mining software, or other code or file designed to disrupt, disable, impair, or otherwise harm either the City's networks or systems, or those of any other individual or entity.
8. Releasing misleading, distorted, untrue or confidential materials regarding City business, views or actions.
9. Use of Technology Resources in an excessive manner to deprive others of system use or resources, including the sending of bulk email for other than official business or forwarding "chain letter" emails of any kind.
10. The unauthorized use of another user's login credentials, or the sharing of login credentials

is prohibited.

11. Visiting Internet sites that are inappropriate for a work environment, or referencing, downloading and/or storing materials that are inappropriate in a work environment is prohibited unless such activity is specifically related to the City Network User's job responsibilities and has been authorized by the IS & IT Manager. Examples of such prohibited content includes but is not limited to content from sexually explicit sites, and those associated with violence, hate crimes or illegal activities.
12. Conducting of outside business or commercial enterprise.
13. Supporting, promoting, or soliciting monetary or material contributions for any non-City sponsored organization or group, including religious activity, campaigning, or political activity.
14. Any use that results in the City being placed on blacklisted electronic mailing lists.

The preceding list does not address all prohibited uses, but merely covers common examples.

Any employee who violates these policies could be subject to disciplinary action, up to and including termination. In addition, employees may be held personally liable for damages incurred because of copyright and licensing requirements.

A-14 Electronic Document Management

Users must manage their electronic documents in accordance with record retention policies and procedures as defined and identified by Chapters 40.14 and 42.56 of the Revised Code of Washington.

A-15 General & Remote Access

The IS Division must authorize all access to central computer systems.

Employees may access the City's Intranet, by pointing a web browser to:

<https://www.cityofanacortes.org/945/Staff-Intranet> and City email at: <https://portal.office.com> and other cloud applications including Laserfiche, RGIS, Cartegraph, Civic Clerk, etc.

There are a limited number of laptops available for employees to check out for business-related travel or projects. These must be returned to the IS Division immediately upon returning, and before being connected to the City's network.

1. VPN

Access to the City's network via VPN (virtual private network) requires approval from the department head and mayor via a Laserfiche form. VPN accounts will be audited, and inactive accounts will be deactivated. Reactivation of intermittently used VPN accounts for vendor support purposes will be accommodated upon request.

2. Password Policy

The IS Division must authorize all access to City computer systems. Each user is responsible for establishing and maintaining a password that meets City requirements. The use of another person's account or attempt to capture other users' passwords is prohibited. Passwords must:

- a. Have a minimum length of 12 characters,
- b. Be complex. Passwords should have at least three of the following four types of characters:
- c. Lowercase

- d. Uppercase
- e. Numbers
- f. Special characters such as .!@#\$\$%^&*(){}[]
- g. Passwords should not be easy to guess.
- h. Should not be shared under any circumstance.
- i. IS should be notified in the event of an accidental disclosure or breach of any City business related password.
- j. Passwords should not be similar to the last 10 passwords used or reused across multiple systems.
- k. Passwords should not be documented in a manner that is easily accessed by others, i.e., on a post-it note next to your computer.
- l. The use of another person's account or attempt to capture other users' passwords is strictly prohibited.

A-16 Network Access and Usage

The IS Division must approve of any devices connecting to the City's network. This includes PCs, network hubs and switches, printers, handhelds, scanners, remote connections, and wireless or wired devices.

Non-employee third parties (e.g., vendors, contractors) are required to have their PCs, laptops, etc. scanned by the IS Division for malware virus detection prior to connecting to the City's network. Representatives of the contracting departments are responsible for assisting their contractors to engage the IS Division to perform these services. If third parties are required to access our enterprise network for the purposes of performing their duties, all individuals should sign a Remote Access form, Non-Disclosure agreement and may be required to complete a Network Security Training.

A-17 Public Network Access & Usage

City staff may use their own personal technology devices to access the public side (COA Guest network) of the City wireless network and connect to the internet for personal use. It should also be noted that the public network is NOT secure, and users connect to public Wi-Fi at their own risk thus there is an associated risk.

A-18 Social Media

Social media presents both an opportunity and risk to individual City departments, employees, and the City as a whole. New social media sites associated with the City must be created with prior Department Head approval. Site links and passwords must be shared with IS for archival purposes. As a general matter, social media posts should not be considered the best source of information on City business. Official City publications located on the website or through official press releases are the best location for accurate information.

A-19 Cyber Security Training

City employees are required to complete cyber security training within one month of hire. Employees may be subject to additional cyber security training if deemed necessary by the IS Division, HR Department, or the employee's manager.

A-20 IS Help Desk

It is the preference of the IS Help Desk to receive requests via email to generate a Help Desk ticket at helpdesk@cityofanacortes.org. Urgent requests can be made via phone at 360-588-8230 or x5555 but should also be followed up with an email to generate a ticket.

Addendum B - Continuation coverage rights under COBRA

To: **City of Anacortes Employees**
From: **City of Anacortes**
Subject: COBRA health care continuation coverage

This notification is being sent for your information only as a reminder of your COBRA rights and obligations. There has been no COBRA qualifying event to trigger this notice.

You and your covered family members may continue coverage under your health plan provided through the AWC Trust (AWC Trust) in certain instances when coverage would otherwise be lost. **When you first become covered by your health plan, this “Initial COBRA Notification” explains your rights and obligations should your employment end or certain other events occur which cause you to lose your medical coverage.** This notice is also sent to employees and retirees on an annual basis in order to remind you of your COBRA rights.

COBRA coverage will be the same as that provided to employees (or if you are on a retiree plan, retirees) and their covered family members, including domestic partners. This includes open enrollment changes and adding dependents due to birth or marriage.

Rules for the continued coverage are provided by federal law – the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended, and its regulations. COBRA continuation coverage is continuation of Plan coverage when coverage would end because of a life event known as a “qualifying event.” Under COBRA, you can continue medical coverage if you have any one of these qualifying events that causes you to lose to coverage under the plan:

- Your employment terminates for any reason other than for gross misconduct. If you decide not to return to employment at your employer during FMLA leave, you will be offered COBRA at the earlier of the date your FMLA leave ends or the date you tell your employer that you will not return to work after the FMLA leave.
- You are no longer eligible for coverage due to reduced work hours.

Your covered family members can continue coverage if their coverage ends because of one of these qualifying events:

- One of the two qualifying events listed above;
- Your death;
- Legal separation, divorce, or termination of domestic partnership; or
- Your child is no longer eligible for coverage under the Plan as a “Dependent child,” due to age or loss of disability status.

Persons who are eligible to continue coverage under COBRA are called “qualified beneficiaries.” You may change your coverage and add or cancel coverage for eligible family members (1) during any annual or other open enrollment period that is offered; and (2) during any special enrollment period applicable to your coverage.

When the qualifying event is the end of your employment, the reduction of hours of your employment, or your death, your employer will notify the AWC Trust of the qualifying event within 30 days of the event.

You must give notice of some qualifying events. You or a family member is responsible for notifying the AWC Trust of a qualifying event which is your legal separation, divorce, termination

of domestic partnership, or your Dependent child ceasing to be eligible for coverage. Such notice must be provided in writing within 60 days of the qualifying event to the AWC Trust either through your employer, or as provided in the "Notice Procedures" below.

Failure to furnish notice in accordance with these rules will result in a loss of coverage continuation rights that are otherwise available under COBRA.

How to apply and pay for COBRA

You must follow the steps below to apply and pay for COBRA continuation coverage.

Within 14 days after the AWC Trust receives notice of your qualifying event, a COBRA enrollment form will be mailed to the address listed on your employment record.

To elect continuation coverage, complete the enclosed COBRA election notice and return it to the AWC Trust. You and your dependents have **60 days** from the later of the date you lost coverage or the date of the enclosed COBRA election notice. Each qualified beneficiary (family member) who was covered under the plan at the time of loss of coverage has a separate right to elect COBRA continuation coverage. For example, the employee's spouse may elect COBRA coverage even if the employee does not. COBRA coverage may be elected for only one, several, or for all dependent children who are qualified beneficiaries. A parent may elect to continue coverage on behalf of any dependent children. The employee or the employee's spouse can elect COBRA coverage on behalf of all of the qualified beneficiaries.

You must make your first payment for continuation coverage no later than 45 days after the date of your election. The 45 days is measured from the date your Election Notice is post-marked. Note that your COBRA benefits will not begin until payment is received. **Your first payment must be made in full, including all payments due back to the effective date of your COBRA coverage.** Failure to make timely payment within the 45-day period will result in termination of your continuation coverage and loss of all COBRA rights.

After you make your first payment for continuation coverage, you are required to make monthly payments for each subsequent coverage period. Although monthly payments are due on the first day of the month of coverage, the AWC Trust allows a grace period of 60 days after the first day of the coverage period. Your continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period. Failure to make payment in full before the end of the 60-day grace period will result in termination of your coverage and loss of all COBRA rights. COBRA coverage will not be reinstated. In the event that you do not receive a monthly billing, it is still your responsibility to make your payment no later than the end of 60-day grace period.

Cost of COBRA coverage

You pay the full premium cost of COBRA coverage, plus a 2% administrative fee, as permitted by law.

Duration of COBRA coverage

Your COBRA continuation coverage is effective the first of the month following the date of your loss of coverage. In the case of a loss of coverage due to the end of employment or reduction in hours of employment, COBRA coverage generally may be continued for up to a total of 18 months. In the case of losses of coverage due to an employee's death, divorce or legal separation, or a dependent child ceasing to be a dependent under the terms of the plan, coverage may be continued for up to a total of 36 months.

When the qualifying event is the end of employment or a reduction of hours, and the employee became entitled to Medicare benefits less than 18 months **before** the qualifying event, COBRA coverage for qualified beneficiaries (other than the employee) who lose coverage as a result of the qualifying event can last for a period of no less than 36 months from the date the employee became entitled to Medicare.

Disability extension

An 11-month extension of coverage may be available if any one of the qualified beneficiaries is determined by the Social Security Administration (SSA) to be disabled. The qualified beneficiary must receive a Social Security Determination and provide a copy of the SSA Disability Award letter to AWC within the first 18 months of the COBRA continuation coverage. **Failure to provide the SSA Disability Award letter timely will result in the loss of your right to extend COBRA coverage.**

Each qualified beneficiary who is enrolled in COBRA coverage at the time of the disability determination will be entitled to the 11-month disability extension. If SSA determines the qualified beneficiary is no longer disabled, you must notify AWC of that fact within 30 days after that determination.

Second qualifying event extension

An 18-month extension of coverage is available to spouses and dependent children who are qualified beneficiaries enrolled in COBRA coverage if a second qualifying event occurs during the first 18 months of COBRA coverage. The maximum amount of COBRA coverage available when a second qualifying event occurs is 36 months. Second qualifying events include the death of a covered employee, divorce or separation from the covered employee, or a dependent child reaching the limiting age for coverage under the plan. These events can be a second qualifying event only if they would have caused the qualified beneficiary to lose coverage under the plan if the first qualifying event had not occurred. **You must notify the AWC Trust within 60 days after a second qualifying event occurs if you want to extend your continuation coverage. Failure to provide notice within 60 days will result in the denial of any COBRA coverage extension.**

Termination

COBRA coverage will be terminated before the end of the maximum period if:

- any required premium is not paid in full on time,
- a qualified beneficiary becomes covered under another group health plan **after** electing COBRA,
- a qualified beneficiary becomes entitled to Medicare benefits (Part A, Part B, or both) **after** electing COBRA,
- the employer ceases to provide any group health plan for its employees.

Special considerations in deciding whether to elect COBRA

In considering whether to elect COBRA, you should take into account that you have special enrollment rights under federal law. You have the right to request special enrollment in another group health plan for which you are otherwise eligible (such as a plan sponsored by your spouse's employer) within 30 days after your group health coverage under the plan ends because of one of the qualifying events listed above. You will also have the same special

enrollment right at the end of the COBRA coverage if you get COBRA coverage for the maximum time available to you.

In addition to COBRA coverage, you should consider health coverage alternatives that may be available to you through the Health Insurance Marketplaces. In the Marketplace, you could be eligible, depending upon your household income and other factors, for a new kind of tax credit that lowers your monthly premiums right away. At the Marketplace, you can see what your premium, deductibles, and out-of-pocket costs will be before you make a decision to enroll in any available insurance. Being eligible for COBRA does not limit your eligibility for a tax credit through the Marketplace. For more information about health insurance options available through the Health Insurance Marketplace in Washington, visit www.wahealthplanfinder.org. For information about health insurance options in other states, visit www.healthcare.gov.

Address changes

In order to protect your family's rights, you should keep your employer and the AWC Trust informed in writing of any changes in the address or marital status or domestic partnership of family members. You should also keep a copy for your records of any notices you send to the AWC Trust, your employer, or anyone else concerning COBRA.

This notice does not describe all information concerning your continuation rights under federal law. More complete information regarding such rights is available by contacting the AWC Trust.

COBRA notice procedures

PERSONNEL RESPONSIBILITIES

Policy 100 Receipt Of Personnel Policies

All employees should read the following, and then sign, date and return the form to Human Resources. The form will be placed in the employee's personnel file.

Enclosed are the City of Anacortes' Personnel Policies. It is your responsibility to read these policies, as they will acquaint you with your employee benefits, our personnel practices and rules, and organizational philosophy. The most current personnel policies are always available on the City website for your review. Please pay special attention to our Addendums that contain additional policies and information.

It is important to understand that these policies do not create an employment contract or a guarantee of employment of any specific duration between the City and its employees. These policies are general guidelines and do not constitute promises of specific treatment in specific circumstances. Although we hope that your employment relationship with us will be long term, we recognize that at times things do not always work out as hoped, and either of us may decide to terminate the employment relationship.

As the City grows and changes, the Personnel Policies may change. The City, therefore, reserves the right to revise, supplement, clarify or rescind any policy or portion of a policy when deemed appropriate by the Mayor. You will be notified of any such changes.

If you have any questions about these policies or any other policies of the City, please feel free to ask your supervisor, department head, Human Resources, or the Mayor.

I have read and understand the statement above.

To: All Supervisors & Managers
Re: Personnel Policies

The Personnel Policies have been prepared as a guide and reference for members of management at all levels of supervisory responsibility. This information is to be used to help guide employer/employee relations. The Personnel Policies have the approval of the City Council, Mayor, and department heads.

We believe that it is in the best interest of the organization and our employees to have written personnel policies to help the City of Anacortes meet our mission, to prevent misunderstandings and problems, and to ensure that all employees know what is expected of them. It is essential that all members of management understand the role of these policies in meeting the organization's objectives and in limiting our legal exposure.

Any policy, however, is only as good as its implementation. Supervisors and managers who are in direct contact with, and responsible for, a group of employees are essential to effective policy implementation. You are the individuals who must translate these ideas and principles into action.

Please understand that no supervisor, manager, or representative of the City has the authority to make any written or verbal statements or representations which are inconsistent with these policies without prior written approval from the Mayor. We depend upon you for the successful development of a productive, legal, and harmonious working environment for our employees.

Accordingly, I request that you thoroughly familiarize yourself with the contents of these Personnel Policies so that all policies and procedures of the organization may be administered appropriately.

Mayor Matt Miller

Policy 102 Function of Personnel Policies

These personnel policies (“policies”) should be used as an outline of the basic personnel policies, practices, and procedures for the organization.

1. The Personnel Policies contain general statements of the City of Anacortes and should not be read as including the details of each policy. However, in many cases details are provided and appropriate cross-references are made. These policies should not be interpreted as forming an express or implied contract or promise that the policies discussed in it will be applied in all cases. The City of Anacortes may add to the policies, revoke, or modify them from time to time. The City will make efforts to keep the policies current, but there may be times when policy will change before this material can be revised.
2. These policies shall apply to all City employees. They shall not apply to independent contractors or elected officials, provided that the policy sections on Reimbursement of Employee Expenses (**see** Policies 401-405) and Employee Benefits (**see** Policies 501 and 507) shall apply to the Mayor, who shall be eligible to participate in City employee benefit programs and subject to applicable policies regarding those benefit programs. In the event of conflict between any provision of these policies and any provision of a valid and effective collective bargaining agreement, employee contract, or applicable Civil Service Rules and regulations, the provisions of the contract and/or the Civil Service Rules shall govern. In all other cases, these policies shall govern.
3. Except as specified below, non-represented employees can be terminated only “for cause.” Simply defined, “for cause” generally means that the employer has a valid performance, conduct, or attitude-related reason for disciplining or terminating the employee, or that there is a valid budgetary, operational, or other legitimate reason for termination. Probationary employees are “at-will” employees and can be terminated without cause. Employees who have an individual contract designating their employment as “at will” can also be terminated without cause.
4. Human Resources is responsible for distribution of the Personnel Policies to employees.
5. Human Resources will continue to review and recommend changes to the Mayor in the City of Anacortes’ personnel policies. Department heads and supervisors are encouraged to recommend changes or new policies. Human Resources is responsible for disseminating new policy information.
6. Department heads and supervisors should refer to the policies whenever questions of policy interpretation or implementation arise. Issues needing clarification should be referred to Human Resources. From time to time, the City may adopt temporary or emergency policies and practices to address a public health emergency or other unusual circumstances. Such policies and procedures will be communicated to affected employees as appropriate to the situation. Employees are responsible for reviewing and complying with any policies or addendums that supplement these policies.
7. Terms as used in the policies:
 - a. “Supervisor” means an individual with the authority to assign, direct, and review the work of one or more subordinates; and
 - b. “Domestic Partner” means a person whom an employee identifies as their domestic partner and who together are registered as a domestic partnership with the Washington State Secretary’s State Registry.
 - c. “Protected Class” means groups protected from discrimination by law on the basis of race, religion, creed, color, genetic information, sex/gender, sexual orientation, gender expression, gender identity, pregnancy, age, national origin, citizenship or immigration status, disability or use of a trained guide dog or service animal by a person with a disability, status as a victim of domestic violence, sexual assault, or stalking, marital

status, honorably discharged veteran or military status, and any other status protected by local, state, or federal law.

and preserving a culture of diversity, equity, and inclusion that reflects our community and values.

- a. We embrace and encourage our employees' differences in age, color, disability, ethnicity, family or marital status, gender identity or expression, language, national origin, physical and mental ability, political affiliation, race, religion, sexual orientation, socio-economic status, veteran status, and other characteristics that make our employees unique.
- b. We recognize that those unique qualities bring value to the organization.
- c. To that end, expectations of both the employer and employees include:
 - i. Respectful collaboration amongst all employees.
 - ii. Workplace participation that allows representation of all groups and perspectives.
 - iii. Consistent attention and updates to policies and practices that obstruct the promotion of diversity, equity, and inclusion.
 - iv. Contributions to the community that promote a greater understanding and respect for diversity.
- d. Employees who believe they have been discriminated against or have been treated in a manner inconsistent with this policy are encouraged to reach out to Human Resources.

Policy 104 Ethics

The City of Anacortes conducts its business fairly, impartially, in an ethical and proper manner, and in compliance with all laws and regulations.

1. The City of Anacortes is committed to conducting its business with integrity underlying all relationships, including those with citizens, customers, suppliers, and communities, and among employees. The highest standards of ethical business conduct are required of City of Anacortes employees in the performance of their responsibilities. Employees will not engage in conduct or activity that may raise questions as to the City's honesty, impartiality, or reputation, or otherwise cause embarrassment to the City. Employees will avoid any action, whether specifically prohibited in the personnel policies, which might result in or reasonably be expected to create an appearance of:
 - a. Using public office or public position for private gain;
 - b. Giving preferential treatment to any person or entity;
 - c. Losing impartiality; or
 - d. Adversely affecting the confidence of the public in the integrity of the City of Anacortes.
2. Every employee has the responsibility to ask questions, seek guidance, report suspected violations, and express concerns regarding compliance with this policy. The City of Anacortes will maintain a program to communicate to employees its commitment to integrity and uncompromising values. The program will inform employees of City policies and procedures regarding ethical business conduct and assist them in resolving questions and in reporting suspected violations. Retaliation against employees who use City reporting mechanisms to raise concerns in good faith will not be tolerated.
3. Human Resources is responsible for providing policy guidance and issuing procedures to assist employees in complying with the City of Anacortes' expectations of ethical business conduct and uncompromising values. This policy constitutes the standards of ethical business conduct required of all employees. Managers are responsible for supporting their implementation and monitoring compliance.

Employment

Policy 201 Equal Employment Opportunity

The City of Anacortes is an equal opportunity employer. The City of Anacortes does not discriminate in employment decisions or policies in violation of law on the basis of protected class. This policy applies to all terms and conditions of employment, including hiring, placement, promotion, termination, reduction in force, recall, transfer, leaves of absence, compensation, and training.

1. Reasonable Accommodation of Disabilities
 - a. The City of Anacortes complies fully with its duty to provide reasonable accommodation to allow an employee with physical or mental disabilities to perform the essential functions of the employee's job. Employees who have a disability that limits their ability to perform their job should contact Human Resources to inform the City of their disability and request for accommodation.
 - b. In order to provide a reasonable accommodation, the City of Anacortes may seek to communicate with the employee's medical provider to gain a better understanding of any limitations they possess, and given those limitations, the means by which an accommodation would allow the employee to perform the essential functions of a position. Employees may be asked to submit to a medical examination by an independent medical provider to confirm their medical condition and resulting limitations. After returning from disability-related leave, the City of Anacortes may request that an employee undergo a fitness for duty examination to ensure that they are capable of performing the essential functions of the job.
 - c. If an employee qualifies, the City of Anacortes will work with the employee and their medical providers to provide the employee with reasonable accommodation so that the employee can continue to perform the job. This may include making changes to the employee's work schedule, changing some of the job duties or transferring the employee to another position that the employee is able to perform.
2. Reasonable Accommodation of Religious Beliefs:
 - a. The City of Anacortes complies fully with its duty to provide a reasonable accommodation of any employee's sincerely held religious beliefs, unless the City of Anacortes believes such an accommodation would create an undue hardship or is contrary to the City's commitment to equal opportunity. For example, if an employee requires a certain work schedule or a particular day off for religious observance, or to dress or attire oneself in a way that varies from any dress code adopted by the City, the employee must contact Human Resources to request accommodation.
3. Reasonable Accommodation of Pregnancy:
 - a. An employee who needs accommodation due to pregnancy may be afforded the following accommodations with or without medical certification: frequent, longer, or flexible restroom breaks; seating or allowing the employee to sit more frequently; and limiting lifting to 17 pounds or less. In addition, the City will provide reasonable accommodation to an employee's known limitations relating to pregnancy, childbirth or related medical conditions unless the accommodation would cause undue hardship. Accommodations may be subject to written certification from a health care professional regarding the need for the requested accommodation.

Policy 202 Productive Work Environment (Complaints of Unlawful Discrimination, Harassment, or Retaliation)

The City of Anacortes promotes a productive work environment and does not tolerate unlawful discrimination, harassment, or retaliation.

1. The City of Anacortes is committed to providing a workplace that is free from unlawful discrimination. Unlawful discrimination occurs when an employee is disciplined, terminated, demoted, or suffers some other adverse consequence in their employment on the basis of protected class (referred to in this policy as “protected classes” or “protected class status”).
2. The City of Anacortes is committed to providing a work environment which is free from unlawful harassment. The City expressly prohibits any form of unlawful harassment by or against its employees on the basis of any protected class status.
3. Sexual harassment is conduct that is directed at an employee because of their sex, is unwelcome, and is offensive. Each supervisor and manager have a responsibility to keep the workplace free of any form of harassment, and in particular, sexual harassment. No supervisor or manager is to threaten or insinuate, either explicitly or implicitly, that an employee’s refusal or willingness to submit to sexual advances will affect the employee’s terms or conditions of employment. Romantic or sexual relationships between co-workers where one individual has influence or control over the other’s conditions of employment can create a range of potential issues, including actual or perceived favoritism, bias, conflicts of interest and even harassment. As a result, supervisors and employees are required to disclose such a relationship to Human Resources so that the City may evaluate the need for changes in reporting relationships or other modifications to avoid actual or potential problems.
4. Other sexually harassing or offensive and discriminatory conduct in the workplace, whether committed by supervisors, managers, non-supervisory employees, or non-employees, is also prohibited. Prohibited conduct includes, but is not limited to:
 - a. Unwanted physical contact or conduct of any kind, including sexual flirtations, touching, advances, or propositions;
 - b. Verbal harassment of a sexual nature, such as lewd comments, sexual jokes or references, and offensive personal references;
 - c. Demeaning, insulting, intimidating, or sexually suggestive comments about an individual;
 - d. The display in the workplace of demeaning, insulting, intimidating, or sexually suggestive objects, pictures, or photographs;
 - e. Demeaning, insulting, intimidating, or sexually suggestive written, recorded, or electronically transmitted messages.

Any of the above conduct, or other offensive conduct directed at individuals on the basis of protected class status is strictly prohibited.

5. The City of Anacortes is committed to providing a workplace that is free from unlawful retaliation. The City of Anacortes prohibits any form of retaliation against any employee for good faith actions in filing a complaint under the City’s discrimination and harassment policies, and for participating in the investigation of any complaint of discrimination or harassment. Improper retaliation may include, but is not limited to, discipline, termination, transfers, assignment of unfavorable duties, or treating the employee who made the complaint in a hostile manner when such action or behavior is motivated in substantial part by the employee’s participation in protected activity. Employees who bring complaints may be subject to discipline if the investigation reveals that the complaint was made in bad faith.
6. Complaint Process. An employee who feels harassed should immediately tell the offending individual how they feel and ask them to stop. If that does not work or if the employee is uncomfortable confronting the offending individual, the employee should report the incident

promptly. A complaint can be made verbally or in writing to Human Resources. In the alternative, as the employee may wish, the complaint may be brought to the attention of the Mayor. If an employee brings the complaint to the attention of another manager, the manager is obligated to report the complaint to Human Resources and/or the Mayor within one day.

A harassment complaint generally will be handled as follows:

- a. Every complaint is to be reported promptly, whether by the complainant or by the person receiving the complaint. If reported verbally, the person taking the complaint should produce a written statement for the complainant to review and sign.
 - b. The complaint will be investigated as soon as reasonably practicable. Choice of investigator, level of formality, and the procedures used in the investigation may vary, depending upon the nature of the allegations and full circumstances of the situation, including the context in which the alleged incidents occurred.
 - c. Confidentiality will be maintained throughout the investigatory process to the extent practical and consistent with the need to undertake a full investigation.
 - d. There shall be no retaliation by the City, its officers, managers, or other employees toward any employee bringing a complaint in good faith or cooperating with the investigation of a harassment complaint. Any person who feels they have been retaliated against, should immediately report their concern to Human Resources. The City strictly prohibits retaliation under this policy, and any sustained allegations of retaliation will lead to discipline, up to and including termination.
 - e. Where the investigation confirms the allegation of unlawful harassment or retaliation, the City will take prompt corrective action, and, where appropriate, discipline the offending individual. Discipline may include verbal and written reprimands, professional counseling, reassignment, demotion, or other appropriate action, up to and including termination. The affected individuals will be informed of the outcome of the investigation.
7. All officers and managers are assigned responsibility for implementing this policy, ensuring compliance with and knowledge of its terms, and for taking immediate and appropriate corrective action if they witness inappropriate behavior or receive a complaint. Managers must open and maintain channels of communication to permit employees to raise concerns of sexual or other workplace harassment without fear of retaliation, stop any observed harassment, and treat harassment matters with sensitivity, confidentiality, and objectivity. A manager's failure to carry out these responsibilities may result in disciplinary action up to and including termination.

Policy 203 Workplace Violence

The City of Anacortes is committed to providing a safe workplace for its employees, guests, contractors, vendors, and the public. Therefore, in an effort to help prevent or reduce the possibility of violence here in our workplace, the City of Anacortes has implemented this policy on workplace violence for our employees.

1. Workplace Violence Prohibition. The City of Anacortes strictly prohibits threatened or actual workplace violence. This includes, but is not limited to, any of the following conduct associated in or around the workplace, or otherwise related to employment:
 - a. Threatening injury or damage against a person or property
 - b. Fighting or threatening to fight with another person
 - c. Threatening to use a weapon on City of Anacortes premises (unless such threat is a lawful use of force by an employee required to carry a firearm or weapon as a condition of employment)
 - d. Abusing or injuring another person
 - e. Abusing or damaging property
 - f. Using obscene or abusive language or gestures in a threatening manner
 - g. Raising voices in a threatening manner
 - h. Because of the potential for misunderstanding, joking about any of the above misconduct is also prohibited.
2. "City of Anacortes Premises" Definition: The term "premises" means all areas within the ownership and/or control of the City of Anacortes, including, but not limited to, buildings, offices, work areas, lounges, parking lots, desks, cabinets, lockers, storage areas, and any other property on which employees may work. The City of Anacortes reserves the right to search all facility premises when the facility management determines that such a search is a reasonable and necessary precaution for workplace safety.
3. Reporting Violent Conduct. Any workplace violence incidents or incidents indicating a potential for violence are to be reported by an employee to the Human Resources Director as soon as possible. Incident reports are to be completed, as appropriate. If the City of Anacortes determines that an employee has violated this policy, the employee will be subject to immediate discipline up to and including termination. Human Resources and department head shall handle concerns with members of the public or other parties as it determines under its policies and procedures.
4. Imminent Danger/Violence Incident Procedure. Any employee who believes that a situation with an aggressive employee, resident, guest, contractor, vendor, or other party (e.g., any person who uses obscene or abusive language or gestures, makes threats or acts in a violent or threatening manner) may immediately become violent putting the employee or others in imminent danger, the employee should promptly leave the work area and immediately call 911 to request officer contact. No disciplinary action shall be taken against any employee who leaves a work area when the employee has a reasonable belief that an emerging situation with an aggressive person is likely to turn violent at that time. The employee should coordinate the timing and circumstances of possible return by the employee to the area with police and their immediate manager.
5. Security Precautions. All City of Anacortes security policies and rules must be adhered to at all times. To prevent inappropriate outsider access, facility solicitation and access rules must be strictly followed. It is especially important that building security rules and procedures are specifically enforced at all times (e.g., doors locked after hours). Failure to comply with these requirements may lead to disciplinary action, up to and including involuntary termination. The following expectations also apply to all employees:
 - a. Being familiar with all safety and health procedures relevant to the operations under their

supervision;

- b. Inspecting their work areas periodically;
- c. Identifying conditions that are recognized as being unsafe; and
- d. Reporting accidents and injuries to the immediate manager, department head and Human Resources immediately and ensuring that any injured employee is referred to appropriate medical care (**see** Policy 205 Medical Examinations).

Policy 204 Hiring

The City of Anacortes is an equal opportunity employer and hires individuals solely based on their qualifications and ability to do the job to be filled.

1. The City of Anacortes will normally try to fill job openings above entry level positions by promoting from within if qualified internal applicants are available (**see** Policies 207 Transfer and 208 Promotion). In addition, the City of Anacortes will normally give consideration to any known qualified individuals who are on layoff status before recruiting applicants from outside the organization (**see** Policy 212 Layoff and Recall).
2. The City of Anacortes will consider a member of an employee's immediate family for employment if the applicant possesses all the qualifications for employment. An immediate family member may not be hired, however, if the employment would:
 - a. Create either a direct or indirect supervisor/subordinate relationship with a family member; or
 - b. Create an actual conflict of interest or the appearance of a conflict of interest.
3. These criteria will also be considered when assigning, transferring, or promoting an employee. For purposes of this policy, "immediate family" includes: the employee's spouse, domestic partner, brother, sister, mother, father, stepmother, stepfather, children, stepchildren, father-in-law, mother-in-law, sister-in-law, brother-in-law, daughter-in-law, son-in-law, and any other member of the employee's household.
4. Former employees who left the City of Anacortes in good standing may be considered for re-employment. Former employees who resigned without advance notice or who were dismissed for disciplinary reasons may not be considered for re-employment (**see** Policy 213 Termination of Employment).
5. A former employee who is re-employed will be considered a new employee from the date of re-employment unless the break in service is less than 6 months, in which case the employee will retain accumulated seniority. Length of service for the purposes of benefits is governed by the terms of each benefit plan (**see** Policy 501 Health and Welfare Benefits Eligibility).
6. Employees who retire may be eligible, in certain circumstances, to be considered for rehire (**see** Policy 214 Retirement).

Policy 205 Medical Examinations

The City of Anacortes may require applicants to whom a conditional offer of employment has been extended, and current employees, to undergo medical tests, procedures, or examinations whenever management determines that these are necessary for the safe or efficient operation of the organization and are job-related and consistent with business necessity.

1. Successful applicants for employment may be required as a condition of employment to submit to a medical examination to establish their fitness to perform the jobs for which they have applied without endangering the health and safety of themselves or others. If management determines that an examination is appropriate to a particular position, all applicants for the job to whom a conditional offer of employment has been made shall be examined.
2. Employees may be required to have a medical examination on other occasions when the examination is job-related and consistent with business necessity. For example, a medical examination may be required when an employee is exposed to toxic or unhealthful conditions, requests an accommodation for a particular disability, returns from a leave due to a medical condition, or has a questionable ability to perform essential job functions due to a medical condition.
3. Employees are encouraged, but not required unless it is determined to be a condition of employment, to have physical examinations periodically during their employment. Employees are encouraged, but not required, to participate in wellness programs.
4. Medical examinations required by the City of Anacortes will be paid for by the City and will be performed by a physician or licensed medical facility designated or approved by it. Medical examinations paid for by the City of Anacortes are the property of the City of Anacortes, and the examination records will be treated as confidential and kept in separate medical files. However, records of specific examinations, if required by law or regulation, will be made available to the employee, persons designated and authorized by the employee, public agencies, relevant insurance companies, or the employee's doctor.
5. Employees who need to use prescription or nonprescription legal drugs while at work must report this requirement to their supervisor if the use might impair their ability to perform their job safely and effectively. Depending on the circumstances, employees may be reassigned, prohibited from performing certain tasks, or prohibited from working if they are determined to be unable to perform their jobs safely and properly while taking prescription or nonprescription legal drugs (**see** Policy 808 Drugs, Narcotics, & Alcohol).
6. The City reserves the right, to the extent permitted by law, to require acceptable confirmation of the nature and extent of any illness or injury that requires an employee to be absent from scheduled work. The City also may require a second and, if appropriate, third medical opinion regarding an employee's absence because of illness or injury. The City will pay for any additional opinions it requires.
7. Employees returning from a disability leave or an absence caused by health problems may be required to provide a doctor's certification of their ability to perform their regular work satisfactorily without endangering themselves or their fellow employees.
8. Employees who become ill on the job or suffer any work-connected injury, no matter how minor, must report immediately to their supervisors. The supervisor will arrange referral for examination, treatment, and recording of the incident as necessary. Time an employee spends waiting for and receiving this medical attention will be considered hours worked for pay purposes.
9. The City also may require job applicants and current employees to take a test to determine the presence of drugs, narcotics, or alcohol, unless prohibited by law. For policies and procedures on this type of testing **see** Policy 808 Drugs, Narcotics, & Alcohol.

Policy 206 Probationary Period

The City of Anacortes carefully monitors and evaluates all new employees and all present employees transferred or promoted to a new job during an initial probationary period. After satisfactory completion of the probationary period, those employees will be evaluated as provided for in the Performance Review policy (**see** Policy 302 Performance Reviews).

1. Normally, the probationary period should last twelve months or as designated in the appropriate collective bargaining agreements and/or Civil Service Rules. Supervisors should carefully observe the performance of each employee in a new job position. Where appropriate, weaknesses in performance, behavior, or development should be brought to the employee's attention for correction.
2. Supervisors should prepare a written evaluation of the employee's job performance before the end of the probationary period in the new job (**see** Policy 302 Performance Reviews). The evaluation should include a recommendation as to whether the employee should continue in the position. Copies of the evaluation should be forwarded to the department head and Human Resources for inclusion in the employee's personnel file (**see** Policy 901 Personnel Records).
3. Employees generally will be allowed to continue in their new positions if they are given both a satisfactory evaluation by the end of their probationary period and their supervisor's endorsement to continue in the job. Employees who do not receive a satisfactory evaluation and endorsement may be given additional time in 30-day increments to demonstrate their ability to do the job, if the supervisor feels additional time is warranted in order to achieve acceptable job performance; during any such extension, the employee will remain in probationary status. Supervisors may recommend the termination of a probationary employee at any time. Probationary employees are at-will employees and may be terminated at any time, with or without cause. A recommendation for termination should be submitted in writing to Human Resources for review and should include an evaluation and a list of actions taken to assist the employee (**see** Policy 213 Termination of Employment). Action to terminate should have the prior approval of Human Resources.
4. At the discretion of management, transferred or promoted employees who are unable to perform satisfactorily in their new jobs may be returned to their original jobs, if a vacancy exists, or may be terminated (**see** Policies 207 Transfer and 208 Promotion).

Policy 207 Transfer

The City of Anacortes may at its discretion initiate or approve employee job transfers from one job to another or from one location to another.

1. The City of Anacortes may require employees to make either a temporary or long-term job transfer in order to accommodate the City's business needs. The City of Anacortes will try to limit the number and duration of temporary transfers that it requests from individual employees in a twelve-month period.
2. Employees may request a voluntary job transfer. To be eligible for a voluntary transfer, employees normally must meet the requirements of the new position, have held their current position for at least 12 months, have a satisfactory performance record, and have no disciplinary actions during the same period.
3. Job openings for which management solicits candidates from within the City of Anacortes are sent electronically to all staff through City-provided email. However, as it considers appropriate, management will fill job openings or make transfers without posting notices.
4. Internal Job Openings: Eligible employees who request a transfer generally will be considered in the following order, unless specified in a collective bargaining agreement:
 - a. Employees in the same department as the job opening;
 - b. Employees who are being considered for layoff because of a reduction in force or because of the elimination of their job (**see** Layoff and Recall, Policy 212); and
 - c. All other employees.
5. Application Process for Internal Job Openings: Requests for transfer normally should be handled as follows:
 - a. The employee should submit an internal job application form to Human Resources. Requests based on posted job openings must comply with the procedures described in Policy 208 Promotion, and should be initiated prior to the cut-off date specified in the posting. It is recommended that employees inform their immediate supervisor of their intent to apply for another position.
 - b. Human Resources and the hiring manager should determine if the requested job or a suitable job opening exists and whether the employee is eligible.
 - c. If the employee is eligible for a job opening, the hiring manager should arrange an interview with the candidate. The candidate will be allowed time off with pay for job interviews related to the transfer.
 - d. The department head with the job opening will make the final transfer decision, subject to prior approval of Human Resources and Mayor (**see** Policy 208 Promotion).
6. Transferred employees will be subject in their new positions to a six-month trial period. Regular step increases on January 1 will be maintained. Transferred employees may be required to have a medical examination if the examination is job-related and consistent with business necessity (**see** Policy 205 Medical Examinations).
7. Transferred employees will retain their existing City seniority.
8. Pay for transferred employees generally will be handled as follows:
 - a. Employees transferred to a job within the same salary range will continue to receive their existing rate of pay;
 - b. Employees transferred to a job in a higher salary range will be paid at a rate within the higher range to be determined at the time of transfer;
 - c. Employees transferred, for management's convenience, to a job in a lower salary range will usually be paid at their former rate. At management's discretion, however, employees may be paid at the rate of the new job; and
 - d. Employees who are transferred for disciplinary reasons, lack of work, budgetary reasons, municipal reorganization, or at their own request to a job in a lower salary

range will be paid at the lower rate beginning with the start of the new job.

Policy 208 Promotion

The City of Anacortes may offer employees promotions to higher-level positions when appropriate. Management prefers to promote from within and may first consider current employees with the necessary qualifications and skills to fill vacancies above the entry level, unless outside recruitment is considered to be in the City of Anacortes' best interest.

1. All employees are encouraged to seek advancement opportunities and to obtain promotion and career guidance from their supervisor, department head, and Human Resources.
2. Employee eligibility for promotion will be determined by the requirements of the new job. In addition, to be considered, employees must have held their current position for at least twelve months, have a satisfactory performance record, and have no disciplinary actions during the same period. Management retains the discretion to make exceptions to the policy.
3. Job openings and promotions for which management solicits candidates from within the City of Anacortes normally will be distributed via email to all city staff. However, as it considers appropriate, management may fill job openings or make promotions without posting notices. When job openings or promotion opportunities are posted:
 - a. Interested employees must complete an internal application form and cover letter and forward it to Human Resources prior to the cut-off date specified in the posting;
 - b. Human Resources may, at its discretion, solicit outside candidates during or after the posting period.
4. Employees who are candidates for job openings and promotions will be considered for the position (**see** Policy 207 Transfer).
5. Employee candidates for promotion will normally be screened and selected based on attendance and work records, performance reviews, and job-related qualifications including, in some instances, aptitude or achievement tests. Seniority will be considered if required by a labor contract. In addition, employees seeking promotion may be required to have a medical examination if the examination is job-related and consistent with business necessity (**see** Policy 205 Medical Examinations).
6. Promoted employees will be subject to six-month trial period as outlined in the Transfer policy (See Policy 207(6) Transfer).

Policy 209 Hours of Work

The City of Anacortes establishes the time and duration of working hours as required by workload and workflow, customer service needs, the efficient management of employees, and any applicable law or bargaining agreement.

1. The normal workweek is Sunday through Saturday, beginning and ending at midnight on Saturday, and consisting of forty hours. The normal workday will consist of eight hours of work with an unpaid meal period. Different work schedules, such as in the case of police, fire, water, and wastewater employees, may be established by the City to meet job assignments and provide necessary City services. Rest breaks are considered time worked.
2. Each employee's scheduled work hours will be determined by their department head. The department head, or the department head's designee, will inform employees of their daily schedule of hours of work, including meal periods and rest breaks, and of any changes that are considered necessary or desirable by the City of Anacortes (**see** Policies 703 Rest Breaks and 704 Meal Breaks).
3. Department heads may schedule overtime or extra shifts. Supervisors will assign overtime to nonexempt employees (those employees who are subject to the minimum wage and overtime provisions of the Fair Labor Standards Act) as needed. Employees are not permitted to work overtime without the prior approval of their supervisor or department head. For the purposes of overtime compensation, only hours worked in excess of forty during a workweek will be counted.
4. Employee attendance at lectures, meetings, and training programs will be considered hours of work, and therefore will be compensated time, if management requires and authorizes attendance.
5. Nonexempt employees normally will be granted a minimum of two hours of "reporting pay" and "call-back pay." Reporting pay will be granted when an employee reports for work and no work is available. However, reporting pay will not be granted if the lack of work is the result of conditions beyond the City of Anacortes' control or if employees refuse to accept other work that they are qualified to perform. When work is not available, the City of Anacortes will make a reasonable effort before starting time to notify employees not to report to work. Callback pay will be granted when employees are asked to come to work outside of their normal working hours.
6. Department heads, at their discretion, may allow nonexempt employees to make-up lost time during a given workweek. However, make-up will not be allowed if the lost time is the result of conditions the employee could control, if there is no work the employee is qualified to do, or if adequate supervision is not available.
7. Nonexempt Timesheets: All nonexempt employees are required to complete an individual time record showing the daily hours worked. Time records cover half of one month (1-15th and 16th-end of month) and must be completed by dates determined by the Finance Department. The following points should be considered in filling out time records:
 - a. Employees should record their total hours worked for each workday;
 - b. Employees are not permitted to sign in or begin work before their normal starting time or to sign out or stop work after their normal quitting time without the prior approval of their supervisor;
 - c. Employees are required to take scheduled lunch or meal breaks;
 - d. Employee time records should be reviewed and approved by the supervisor. Special attention should be given to unworked time for which an employee is entitled to be paid (paid absences, paid holidays, or paid vacation time) and authorized overtime;
 - e. Unapproved absences should not be considered as hours worked for pay purposes. (**see** Policies 701 Attendance and Punctuality and 702 Absences). Supervisors should

- inform employees if they will not be paid for certain hours of absence and;
- f. Timesheet estimation is permitted following established guidelines; however, falsifying any time record is prohibited and may be grounds for disciplinary action, up to and including termination (**see** Policies 801 Behavior of Employees and 807 Disciplinary Procedure).
8. Compensatory Time Off: Nonexempt employees can earn overtime for hours worked beyond the normal workweek. Nonexempt employees (those not exempt from the provisions of the Fair Labor Standards Act) will be paid overtime compensation, either in cash or compensatory time off, at the rate of one and one-half times (1.5x) their regular hourly rate for work in excess of forty hours during their normal workweek. If an employee elects to accrue compensatory time off in lieu of overtime pay, one and one half-hours (1.5) of compensatory time-off is earned for one hour of work beyond the normal workweek.
- a. Maximum accruals of compensatory time shall be limited to two hundred-forty (240) hours or per bargaining agreement. After maximum accrual, overtime compensation will be paid to nonexempt employees.
 - b. Employees may use compensatory time after making a request to their department head, unless doing so would unduly disrupt City operations. Compensatory time should be used for short-term absences from work during times mutually agreed to by the employee and the department head.
 - c. Upon termination of any type, including retirement, employees receive compensation for their accrued compensatory time balance.
9. Exempt Timesheets and Exchange Time Off: Personnel employed in executive, administrative, professional, or certain computer-related capacities generally are exempt from the provisions of the Fair Labor Standards Act.
- a. Exempt employees are not required to complete hourly time records but must account for daily attendance and attendance exceptions.
 - b. Exempt employees do not receive overtime compensation. Exempt employees are eligible to receive exchange time off on a one-for-one basis for work in excess of forty hours during their normal workweek.
 - c. Maximum accruals of exchange time shall be limited to two hundred and forty (240) hours. Exempt employees will not continue to accrue exchange time after reaching the maximum.
 - d. Upon voluntary or involuntary termination of any kind, accrued exchange time hours are not eligible for payout.
10. For policies and procedures regarding pay practices, **see** Policies 300-305 Pay Practices.

Policy 210 Outside Employment

The City of Anacortes allows its employees to engage in outside work or hold other jobs, subject to certain restrictions as outlined below.

1. Employees are required to disclose outside work or other jobs to their department heads and obtain pre-approval to perform outside work or hold another job.
2. The City of Anacortes requires that employees' activities and conduct away from the job must not compete, conflict with, or compromise its interests, or adversely affect job performance and the ability to fulfill all responsibilities to the City of Anacortes (**see** Policy 805 Conflicts of Interest). This requirement, for example, prohibits employees from performing any services for customers on non-working time that are normally performed by City of Anacortes personnel. This prohibition also extends to the unauthorized use of any City of Anacortes resources, including its communication systems, and the unauthorized use or application of any confidential information. In addition, employees are not to solicit or conduct any outside business during paid working time.
3. Employees are cautioned to carefully consider the demands that additional work activity will create before accepting outside employment. Outside employment will not be considered an excuse for poor job performance, absenteeism, tardiness, leaving early, refusal to travel, or refusal to work overtime or different hours. If outside work activity causes or contributes to job-related problems, it must be discontinued. If necessary, normal disciplinary procedures will be followed to deal with the specific problems (**see** Policy 807 Disciplinary Procedure).
4. In evaluating whether to grant approval for outside work, department heads and Human Resources will consider whether the proposed employment:
 - a. May reduce the employee's efficiency in working for the City of Anacortes;
 - b. Involves working for an organization that does a significant amount of business with the City of Anacortes, such as major contractors, suppliers, and customers; or
 - c. May adversely affect the City of Anacortes' image.
5. If employees outside employment job duties are similar or related to their City of Anacortes service, or if they cause the employee to deal with people or entities whom the employee deals with for the City of Anacortes duties, the employee must be prepared to explain why no potential conflict exists between the outside employment and the official duties of the City of Anacortes.
6. Employees who have accepted outside employment may not use paid sick leave to work on the outside job. Fraudulent use of sick leave will result in disciplinary action up to and including termination (**see** Policy 807 Disciplinary Procedure).

Policy 211 Employee Classifications

The City of Anacortes classifies employees as full-time, part-time, or temporary and as exempt or nonexempt for the purposes of compensation administration. In addition, the City of Anacortes may supplement the regular workforce, as needed, with other forms of flexible staffing.

1. Human Resources is responsible for classifying employees. Employees generally may be categorized as follows:
 - a. A **full-time employee** is an individual who works a normal forty-hour workweek and is hired for an indefinite period (**see** Policy 209 Hours of Work). A full-time employee may be classified as either exempt or nonexempt.
 - b. A **part-time employee** is an individual who works less than a normal workweek and is hired for an indefinite period. A part-time employee may be classified as either exempt or nonexempt. Note that a modified definition of part-time employee is used under Policy 501 Health and Welfare Benefits Eligibility, to align the City's health insurance coverage with the Affordable Care Act.
 - c. A **temporary employee** generally is an individual who is hired either part-time or full-time for a specified, limited period. A temporary employee may be classified as either exempt or nonexempt. A temporary employee who works more than one thousand, forty regular hours (1,040) in a work year may be required to join the applicable bargaining unit.
 - d. A **nonexempt employee** generally is subject to the minimum wage and overtime provisions of the Fair Labor Standards Act ("FLSA") and is typically paid either on an hourly or salary basis.
 - e. An **exempt employee** is exempt from the provisions of the FLSA and is not entitled to overtime payments. Exempt employees typically are paid on a salary basis and include administrative, executive, professional employees, outside sales representatives, and certain highly skilled computer professionals (**see** Policy 209 Hours of Work).Other flexible staffing classifications or arrangements may be added as needed.
2. For information regarding eligibility for paid absences, vacations, and holidays **see** Policy 702 Absences, Policy 502 Vacations, Policy 503a Holidays, and Policy 503b Unpaid Holidays for Reasons of Faith or Conscience. An employee whose status changes from full-time to part-time may use any days of paid absence or vacation earned as a full-time employee. An employee whose status changes from temporary or part-time to full-time will be considered hired on the date of the change of status for purposes of eligibility for paid absences and vacation. Information concerning eligibility for other City of Anacortes benefits, such as the pension plan, is available from Human Resources.

Policy 212 Layoff And Recall

If the City of Anacortes must reduce employment because of adverse economic or other conditions, layoffs and recall from layoffs generally will be conducted in a manner that is consistent with City of Anacortes requirements and in accordance with the procedures described below.

1. In the event that a layoff is expected, the City of Anacortes will attempt to communicate information about an impending layoff as soon as possible, subject to operational needs and considerations.
2. Layoffs that are expected to be temporary generally will be handled according to the provisions of this policy. Selections for layoffs that are known to be permanent will be made according to this policy and then handled according to policies outlined in Policy 213 Termination of Employment and Policy 303 Severance Pay.
3. Evaluation of layoff criteria shall be within the sole discretion of the City. Employees will be selected for layoff, based on the following criteria:
 - a. Promotion potential and transferability of skills to other positions within the City;
 - b. Demonstrated current and past performance;
 - c. The needs of the City of Anacortes; and
 - d. Length of service with the City of Anacortes.
4. An employee's length of service is measured from the original date of employment with the City of Anacortes, as long as there has not been a break in service greater than 30 days. During a layoff, employees with breaks in service greater than 30 days, but less than one year per break, are credited only for their time actually worked, i.e., the break time does not get counted unless required by law. Employees with a break in service greater than one year receive credit for service only from their most recent date of hire with the City of Anacortes.
5. Employees selected for layoffs will be given as much notice as is required by law or as much as is reasonable under the circumstances.
6. Employees who are laid off will be maintained on a recall list for six months or until management determines the layoff is permanent, whichever occurs first. Removal from the recall list terminates all job rights the employee may have. While on the recall list, employees should report to Human Resources if they become unavailable for recall. Employees who do not keep a current home address on record with Human Resources will lose their recall rights.
7. Employees will be recalled according to the needs of the City of Anacortes, their classification, and their ability to perform the job. Notice of recall will be sent by registered mail, return receipt requested, to the current home address on record with Human Resources. Unless an employee responds to the recall notice within seven days following receipt of the notice, or its attempted delivery, the employee's name will be removed from the recall list and the employee will no longer have any job rights with the City of Anacortes.
8. Credit for seniority will continue to accumulate during any layoff of 30 days or less. Employees laid off for more than 30 days and subsequently recalled within one year from the date of layoff will be credited with the years of service accumulated at the time of layoff.
9. If the layoff is expected to exceed 30 days, vacation pay equal to the number of unused vacation days accrued will be paid at the time of layoff. Employees who are laid off will not accrue vacation or sick leave during the layoff.

Policy 213 Termination Of Employment

The City of Anacortes may terminate employment due to voluntary or involuntary reasons including an employee's resignation, termination, or retirement, the expiration of an employment contract, or a permanent reduction in the workforce. Involuntary termination can be for any reason not prohibited by law. In the absence of a specific written agreement, employees are free to resign at any time and for any reason, and the City of Anacortes reserves the right to involuntarily terminate employment with cause. The exception to this is with "at will" employees, such as probationary employees and department heads (who have individual contracts with the City of Anacortes) who may be terminated at any time, with or without notice and with or without cause. At will employees, however, cannot be terminated for any reason that would violate anti-discrimination laws or public policy.

1. Employees are requested to give advance written notice of their intent to resign including the anticipated date of termination. Failure to give advance written notice may result in ineligibility for re-employment (**see** Policy 204 Hiring and Policy 502 Vacations). The following guidelines are suggested:
 - a. Department heads and managerial employees should give at least four weeks' notice; and
 - b. All other employees should give at least two weeks' notice.
2. Employees who are absent from work for three consecutive days without being excused or giving proper notice will be considered as having voluntarily terminate (**see** Policy 701 Attendance and Punctuality).
3. Human Resources is responsible for notifying terminating employees who are covered by the City of Anacortes's group health plan of their right to continue coverage under that plan. (For a special summary of the Consolidated Omnibus Budget Reconciliation Act "COBRA" continuation coverage requirements, **see** Addendum B).
4. Supervisors should send notices of resignation and recommendations for termination to Human Resources for review. This information should be accompanied by any needed supporting documents, such as performance reviews or disciplinary reports (**see** Policy 302 Performance Reviews and Policy 807 Disciplinary Procedure).
5. Requests for employment references should be made in writing to Human Resources and should include an authorization by the employee for the release of the requested information. Generally, Human Resources will not release reference information without the employee's authorization or will limit the information to verification of the employee's position, job location, and dates of employment with the City of Anacortes. Employees may request that their supervisor provide a letter of recommendation. A copy of the letter of recommendation is to be placed in the employee's personnel file. Supervisors are not authorized to provide references on behalf of the City without the approval and involvement of the Human Resources Director (**see** Policy 901 Personnel Records).

Policy 214 Retirement

The City of Anacortes determines employees who are eligible for normal retirement per the guidelines described in the Washington State Department of Retirement Systems Handbook that is applicable to the employee's job classification. Regular uniformed employees in the police and fire departments are covered by the Law Enforcement Officers' and Firefighters' Retirement System (LEOFF). Regular full-time and eligible part-time non-uniformed employees are covered under the Public Employees Retirement System (PERS). The State of Washington determines eligibility, benefit levels, and contribution rates.

1. Employees who choose to take normal retirement are requested to give Human Resources as much advance notice of their intent as possible, or at least 90 days. Employees who have given notice of either normal or early retirement may be called upon to assist in the training of their replacements.
2. Employees who qualify for retirement under this policy may be eligible to receive limited health and various other benefits in accordance with the provisions of the City of Anacortes's employee benefit plans (**see** Policy 501 Health and Welfare Benefits Eligibility). Retiring employees are eligible to receive pay for accrued but unused vacation (**see** Policy 502 Vacations). All employee benefit plans and programs are subject to amendment or termination, even after retirement, at the City of Anacortes's and the Washington State Retirement System's discretion.
3. The Washington State Department of Retirement Systems (DRS) administers the retirement benefits. DRS is the best resource for staff members with questions about retirement benefits. Information on DRS can be found here: <http://www.drs.wa.gov/>
4. Retiring employees may be eligible to reapply for employment, and those who are interested in future temporary or part-time employment with the City of Anacortes should make that interest known at their exit interview (**see** Policies 204 Hiring and 213 Termination of Employment). Hiring an applicant who is receiving Washington State retirement benefits must comply with State of Washington regulations. These include a prohibition of any written agreement for re-employment and an absence of at least one month prior to starting a new job with the City of Anacortes.

Pay Practices

Policy 301 Salary Administration

The City of Anacortes pays compensation that is nondiscriminatory and competitive. However, all compensation policy decisions must take into consideration the City of Anacortes's overall financial condition and competitive position.

1. New employees generally will be hired at the starting rate assigned to their job grade. Supervisors may recommend higher or lower starting rates depending on an applicant's experience or skill level or other competitive considerations. These recommendations will be reviewed and approved before implementation by the appropriate department head, Human Resources, and the Mayor.
2. Human Resources is responsible for coordinating with the Mayor the continuing review of compensation and for making sure that each job is evaluated and assigned a job grade and salary range. This review should determine whether compensation accurately and fairly reflects each position's responsibilities and performance.

Policy 302 Performance Reviews

The City of Anacortes will evaluate the job performance of each employee periodically.

1. Supervisors should complete performance reviews upon the following occasions (or per the applicable collective bargaining agreement):
 - a. At least once before the end of the first twelve months of employment (**see** Policy 206 Probationary Period); evaluation conversations are encouraged once per quarter;
 - b. Then on an annual basis (based on anniversary date or before the end of each calendar year, depending on the department).Between scheduled appraisals, supervisors should discuss with employees on an informal basis any performance issues that require attention and should keep records of any significant incidents. Supervisors may be authorized to retain information to aid in the development on an employees' performance review. These notes are to be destroyed following the performance review.
2. In evaluating employees, supervisors should consider factors such as the experience and training of the employee, the job description, and the employee's attainment of previously set objectives and goals. Other factors that normally should be considered include knowledge of the job, quantity and quality of work, promptness in completing assignments, cooperation, initiative, reliability, attendance, judgment, conduct, and acceptance of responsibility.
3. Supervisors should prepare a written performance review of each employee's job performance. The review should include the supervisor's comments and recommendations, an action plan for both the employee and supervisor, and performance goals for the next evaluation period.
4. Department heads and the Human Resources Director should review each supervisor's written evaluation to help assure that the evaluation function has been properly completed in as uniform, fair, and objective a manner as possible.
5. The supervisor and employee should meet and discuss the evaluation, assess the employee's strengths and weaknesses in a constructive manner, and set objectives and goals for the period ahead. The employee should be given the opportunity to examine the evaluation and make written comments about any aspect of it. The employee and supervisor should then sign and date the evaluation and forward it to Human Resources for review and inclusion in the employee's personnel file (**see** Policy 901 Personnel Records, Policy 901). Employees may have a copy of their completed performance review for their records.
6. Information derived from the performance review may be considered when making decisions affecting training, pay, promotion, transfer, or continued employment.

Policy 303 Severance Pay

The City of Anacortes allows that severance pay may be granted to terminated employees under certain limited circumstances. The City of Anacortes, however, retains the right to amend or terminate its severance policy at any time.

3. Eligible employees will be required to sign a release agreement in order to receive severance pay.

2. Employees may elect to receive payment by direct deposit by providing written authorization and filling out the necessary forms with Human Resources. Direct deposit will remain in effect until revoked in writing by the employee.
3. Employees on each payday will receive, in addition to their pay, a statement showing gross pay, deductions, health and welfare benefits (if applicable), and net pay. Employees may elect to have additional deductions taken from their pay only if they authorize the deductions in writing.
4. Employees who discover a mistake in their paycheck, lose their paycheck, or have it stolen should notify their supervisor immediately. In the case of a mistake made by the City the error will be remedied promptly. In the case of loss or theft, the Finance Department will attempt to stop payment on the check and reissue a new one to the employee. However, the employee is solely responsible for the monetary loss, and the City of Anacortes will not be responsible for the loss or theft of a check if it cannot stop payment on the check.
5. Employees who wish to authorize another person to pick up their paycheck must complete a "Payroll Warrant Pick Up Authorization Form." A copy of the completed form must be provided to the employee's manager and the Finance Department. Paychecks will not be distributed without authorization in place.
6. If the employee and immediate supervisor are not able to resolve the question, the employee should contact the department head or Human Resources. The City will promptly investigate all reported complaints and, if appropriate, take corrective action. The City prohibits and will not tolerate retaliation against any employee because that employee filed a good faith complaint under this policy. Interim assignments require pre-approval from the Mayor. Interim assignees will receive a wage premium of 9% beginning on the 11th consecutive day of the assignment. Interim assignments are limited to 90 business days. Extensions require approval by the Mayor. The interim assignee must be able to assume the majority of the duties of the higher classification. If an employee covered by a bargaining unit is assigned to a non-union interim assignment, this policy will govern conditions of the assignment unless in conflict with the applicable bargaining agreement. If an employee covered by a bargaining agreement is assigned to a position within the same bargaining unit, the bargaining agreement procedures take precedence.

Employee Benefits

Policy 501 Health and Welfare Benefits Eligibility

The City of Anacortes provides employees with various health and welfare benefits, with information and plan summaries furnished to all eligible plan participants and beneficiaries on a timely and continuing basis. The City reserves the right to modify, amend, or terminate its health and welfare benefits as they apply to all current, former, and retired employees. In addition, the administrator of each benefit plan has the discretionary authority to determine eligibility for benefits and to interpret plan terms.

To enroll in health and welfare coverage, eligible individuals must comply with all application requirements and deadlines. Failure to do so may result in delayed or no enrollment until the next annual enrollment period or upon a qualified change in status.

Eligible employees may waive enrollment in the City's health and welfare benefits, unless otherwise required by a collective bargaining agreement. The City will provide a written waiver that must be timely completed, signed, and submitted by an employee seeking to waive enrollment. Unless a plan specifies otherwise, a new waiver must be completed annually. The City will provide eligible employees who previously waived coverage the opportunity to enroll at least once annually.

1. Health Coverage and the Affordable Care Act

The City has structured its health and welfare benefits plan in accordance with the Employer Shared Responsibility provisions of the Affordable Care Act ("ACA"). Unless an exception is authorized by the City's Human Resources Department, the City provides health coverage to all full-time employees and their eligible dependents up to age 26. The benefits, terms, and conditions of City's health and welfare benefits plans, including costs owed by employees, are explained in separate plan documents and/or in applicable collective bargaining agreements.

2. Employee Definitions and Eligibility

Solely for purposes of this policy, the following definitions apply:

- a) **Full-Time Employees** – Employees reasonably expected to work, on average, 30 or more hours weekly. Regular full-time employees and their dependents are eligible for health coverage and will be enrolled in health coverage as specified in plan documents. Upon hire or change in classification, employees will be enrolled in coverage no later than the first day of the fourth month of employment or change in classification.
- b) **Part-Time Employees** – Employees reasonably expected to work, on average, less than 30 hours weekly. Regular part-time employees classified as 0.50 to 0.74 FTE are eligible for one-half (1/2) of the City's financial contribution towards employee-only medical insurance premiums, based on the lowest cost plan offered by the City. Employees may choose between benefit plans offered by the City, but the City's financial contribution remains fixed at the lowest cost plan. Regular part-time employees eligible for coverage have the option of enrolling eligible dependents at their sole expense. Regular part-time employees classified as under 0.50 FTE are not eligible for health coverage unless otherwise required by a collective bargaining agreement. Part-time employees eligible for coverage under this section will be enrolled in coverage no later than the first day of the fourth month of employment or change in classification.

With limited exceptions for infrequent and temporary workload fluctuations, part-time employees should not work 30 hours or more weekly with any regularity.

- c) **Seasonal Employees** – Employees hired into a position for which the customary annual employment is based on seasonal work demands, with the job typically beginning and ending in approximately the same time each calendar year. Seasonal employees are subject the ACA “look back” measurement method (see below). To ease in administration and hourly tracking, seasonal employees are subject to a mandatory annual six (6) month break in service, unless an exception is authorized by the City’s Human Resources Department. Seasonal employees are not eligible for health coverage, although the City reserves the sole discretion to grant exceptions based on the unique scheduling demands associated with particular seasonal positions.

3. ACA Look Back Measurement Method

When required by the ACA for purposes of determining employee eligibility for health coverage, the City utilizes 12-month initial and standard measurement and stability periods. The City also utilizes an initial administrative period of not longer than two (2) months, divided in two (2) phases. The first phase begins on the date of hire and continues until the last day of that calendar month. The second phase begins at the end of the 12-month initial measurement period and lasts for one (1) full calendar month. The City uses a standard administrative period of 31 days. The purpose of the standard administrative period is to calculate the hours worked by employees during the preceding standard measurement period and to enroll eligible employees in health coverage during the resulting standard stability period. Please refer to the City’s Human Resources Department for more information.

Policy 502 Vacations

The City of Anacortes grants annual vacations with pay to regular full-time and regular part-time employees in accordance with the guidelines established below.

1. Vacations are accrued or earned based on the employee's length of service and on the time actually worked. Vacation does not accrue when an employee is on an unpaid leave of absence.
2. Full-time employees will accrue paid vacation according to the following schedule:

Service Period	Vacation Accrual (per month)	Vacation Accrual (per year)	Maximum Accrual
First month through 48 months (years 0-4.00)	8 hours	96 hours	176 hours
Months 49 through 108 (years 4.01-9.00)	10 hours	120 hours	200 hours
Months 109 through 168 (years 9.01-14.00)	14 hours	168 hours	240 hours
169 months and beyond (years 14.01+)	17 hours	204 hours	240 hours

Vacation cannot be taken until hours are accrued. Employees whose vacation balance meets the maximum accrual will no longer accrue vacation benefits until the vacation balance falls below the maximum accrual. Employees are responsible for monitoring their accrual balance. If an employee requests vacation that has not accrued and has personal holiday hours available, the personal holiday hours will be utilized.

3. Regular part-time employees whose full-time equivalency is 50% or more are entitled to vacation on a prorated basis. Regular part-time employees shall earn vacation leave proportionate to the number of hours that they work in a pay period divided by the number of hours a full-time employee works in the same pay period. Maximum accrual of hours is prorated for part-time employees based on their full-time equivalency. Part-time employees working less than 20 hours per week and temporary employees do not receive paid vacation (**see** Policy 211 Employee Classifications).
4. Employees who feel that there is a discrepancy in the calculation of their vacation pay or eligibility may request a review of that calculation from the Human Resource and Finance Departments (**see** Policy 902 Dispute Resolution Procedure).
5. Vacation pay for full-time and part-time employees will consist of the employee's regular rate of pay for the vacation period.
6. Generally, employees should submit vacation plans to their supervisor at least four weeks in advance of the requested vacation date. Management reserves the right to approve when vacations are taken. Supervisors are responsible for ensuring adequate staffing levels and should attempt, when feasible, to resolve vacation scheduling conflicts based on length of service. However, employees who want to change their plans after the vacation schedule has been approved lose their seniority consideration.
7. Once per year, employees may elect to have their accrued vacation balance that exceeds 160 hours cashed out and deposited into a deferred compensation account set up through the City of Anacortes. The employee must notify payroll in writing by November 20 of each year for distribution on the December 5 payday. This benefit is prorated for part-time employees based on their full-time equivalency.
8. Upon termination, including retirement, voluntary or involuntary termination, layoff, or other the employee will have their vacation balance paid out at their exiting rate of pay.

Policy 503a Holidays

The City of Anacortes designates and observes certain days each year as holidays. Eligible employees will be given a day off with pay for each holiday observed.

1. The City of Anacortes observes the following holidays (8 hours each) per calendar year:

1	New Year's Day	January 1st
2	Martin Luther King Day	3rd Monday in January
3	President's Day	3rd Monday in February
4	Memorial Day	Last Monday in May
5	Juneteenth	June 19th
6	Independence Day	July 4th
7	Labor Day	1st Monday in September
8	Veteran's Day	November 11th
9	Thanksgiving Day	4th Thursday in November
10	Native American Heritage Day	Day after Thanksgiving
11	Christmas Day	December 25th
12-14	3 Personal Holidays	See below

Employees may select three (3) personal holidays each year. On January 1st each year, 24 hours of personal holiday are added to an employee's record. Personal holidays are prorated for employees who work less than 12 months of the year or a part-time schedule. Personal holidays are prorated according to the employee's full-time equivalency (FTE) in the payroll accounting system. Personal holiday hours are not carried over from one year to the next. At the end of the year, unused personal holiday hours are forfeited.

In the event of conflict between this provision of the policies and any provision of a valid and effective collective bargaining agreement, employee contract, or applicable Civil Service rules, the provisions of the contract and/or the Civil Service rules shall govern.

2. Full-time employees are eligible to receive their regular rate of pay (up to 8 hours) for each observed holiday. Part-time employees who are scheduled to work at least 20 hours per week (1,040 per year) are entitled to holiday pay. The amount of holiday pay is determined on the same basis as for full-time employees, but is based on the employees' FTE budget allocation. For example, an employee allocated at 65% FTE will receive 5.2 hours of holiday pay on each City approved holiday. Temporary employees and employees on unpaid leaves of absence or on layoff are not eligible to receive holiday pay.
3. To receive holiday pay, an eligible employee must be at work or taking an approved absence on the workdays immediately preceding and immediately following the day on which the holiday is observed. An approved absence is a day of paid vacation or paid short-term absence (**see** Policies 502 Vacations and 702 Absences). If an employee is absent on one or both of these days because of an illness or injury, the City of Anacortes may require verification of the reason for the absence before approving holiday pay (**see** Policy 205 Medical Procedures).
4. A holiday that occurs on a Saturday will be observed on the preceding Friday. A holiday that occurs on a Sunday will be observed the following Monday. Shift workers observe holidays on the actual holiday.
5. If a holiday occurs during an employee's vacation period, the employee records the day as holiday pay on their timesheet.
6. The City of Anacortes recognizes that some employees may wish to observe, as periods of worship or commemoration, certain days that are not included in the City of Anacortes's

regular holiday schedule. Employees may use personal holidays or accrued vacation for these occasions.

7. The City of Anacortes may schedule work on observed holidays as it considers necessary. Normally, work on an observed holiday will be paid as if the day were a regularly scheduled day. Employees will be given the option of receiving additional pay for the day or a “floating” holiday that may be taken, with the prior approval of their supervisor, at another time during the pay period.

Policy 503b Unpaid Holidays For Reasons Of Faith Or Conscience

Employees are entitled to two unpaid holidays per calendar year for a reason of faith or conscience or an organized activity conducted under the auspices of a religious denomination, church, or religious organization.

1. Employees may select the days on which the employee desires to take the two unpaid holidays after consultation with their supervisor. If an employee prefers to take the two unpaid holidays on specific days, then the employee will be allowed to take the unpaid holidays on the days they selected unless the absence would unduly disrupt operations, impose an undue hardship, or the employee is necessary to maintain public safety. The term "undue hardship" has the meaning contained in the rule established by the Office of Financial Management.
2. If possible, an employee should submit a written request for an unpaid holiday provided for by this section to the employee's supervisor a minimum of 14 days prior to the requested day. Approval of the unpaid holiday shall not be deemed approved unless it has been authorized in writing by the employee's supervisor. The employee's supervisor shall evaluate requests by considering the desires of the employee, scheduled work, anticipated peak workloads, response to unexpected emergencies, the availability, if any, of a qualified substitute, and consideration of the meaning of "undue hardship" developed by rule of the Office of Financial Management.
3. The two unpaid holidays allowed by this section must be taken during the calendar year, if at all; they do not carry over from one year to the next.

Policy 504 Continuing Education

The City of Anacortes attempts to provide employees with flexible work schedules when taking Mayor-approved educational courses.

1. Flexible work schedules will be considered if the City of Anacortes determines the courses of study are directly related to the employee's present job or that will enhance the employee's potential for advancement to a position within the City of Anacortes and to which the individual in the view of management has a reasonable expectation of advancing.

Policy 505 Employee Counseling

The City of Anacortes assists employees with referral services that will help in solving financial, legal, and emotional wellbeing concerns.

1. The City of Anacortes recognizes that personal difficulties can adversely affect job performance. Accordingly, employees experiencing financial, legal, or emotional wellbeing concerns are encouraged to seek assistance from the Employee Assistance Program (EAP). The Employee Assistant Counselors are available 24 hours a day, seven days a week to arrange an appointment with a qualified counselor. The telephone number for EAP is 1-800-570-9315 or www.guidanceresources.com.
2. Supervisors should be alert to signs of the existence of personal problems among their employees. Indications of personal problems include excessive absenteeism, changes in both behavior and employee attitudes, and substandard job performance.
3. Supervisors, where appropriate, should try to communicate with employees who seem to be experiencing problems. Depending on the circumstances, the supervisor should proceed as follows:
 - a. If an employee's problem seems to require professional counseling, or does not lend itself to an easy solution, the supervisor should refer the employee to the City's Employee Assistance Program.
 - b. If the employee's problem is an unresolved complaint or grievance, the supervisor should advise the employee of the appropriate steps to be taken in compliance with the Grievance Procedure (**see** Policy 902 Dispute Resolution Procedure).
4. Employees needing extended treatment may request a leave of absence in accordance with the City of Anacortes's leave policy (**see** Policy 702 Absences).
5. Human Resources will also, to the degree that its resources permit, provide counseling and reference information for employees seeking guidance on education and career planning, relocation, outplacement, and retirement planning (**see** Policies 213 Termination of Employment, 214 Retirement, and 504 Continuing Education).
6. Employees are required to meet satisfactory standards of job performance. Performance reviews are to be based on factors related to job performance, regardless of whether an employee seeks counseling (**see** Policy 302 Performance Reviews). In certain circumstances, however, the City of Anacortes may require an employee to participate in counseling as a condition of continued employment (**see** Policy 808 Drugs, Narcotics, and Alcohol).
7. Communications between employees, supervisors, Human Resources, the Employee Assistance Program, and professional counselors or agencies as a result of this policy are to be confidential, except to the degree necessary to protect the safety of the employee or others or to protect the security of City of Anacortes property.

Policy 506 Employee Recognition and Service Awards

The City of Anacortes recognizes employee contributions and service to the organization by presenting employee recognition and service awards to eligible employees according to the guidelines below.

1. The City of Anacortes may reward outstanding performance and productivity by presenting recognition awards to eligible employees. Generally, the Mayor will be responsible for setting eligibility requirements and implementing the different programs. Department heads and supervisors may assist in determining award recipients for the Mayor's Award of Merit. In most cases, the Mayor's Award of Merit awards will be presented at a City Council meeting following the determination of an award recipient. The Mayor is responsible for identifying the employees who will be honored, notifying the presenter, ordering the awards, and arranging for appropriate announcements and publication of awards, both internally and externally.
2. All regular full-time and regular part-time employees are eligible to receive a Pride in Service award upon completion of 1, 5, 10, 15, 20, 25, and 30 years of service. Human Resources is responsible for identifying when employees should be honored, notifying the employees, ordering the awards, and helping management to arrange appropriate announcements and publications of awards, both internally and externally.
3. Regular full-time and regular part-time employees hired prior to January 1, 2022 are eligible to accrue longevity benefits as described in their applicable bargaining agreement. Non-union employees receive \$5.00 per month for each year of service following completion of 5 years of service. The maximum longevity benefit per month is \$100.00.
4. The IRS classifies cash and gift certificate awards as taxable income. Payroll withholds taxes accordingly.

Policy 507 Exercise and Wellness Programs

The City of Anacortes encourages employees to participate in exercise and wellness programs. In support of the City of Anacortes Wellness Program, the City established a Fitness Reimbursement Program to encourage regular exercise.

1. Participation in the City of Anacortes fitness reimbursement program is open to regular full-time or regular part-time employees who are regularly scheduled to work 20 or more hours per week. Spouses, domestic partners, and other employee dependents who are eligible for the City's medical insurance coverage may participate. Volunteer firefighters are eligible to participate. Temporary, seasonal, terminated, or retired employees are not eligible to participate.
2. These programs are voluntary and should take place outside normal working time.
3. To be eligible for reimbursement of a portion of the membership dues, the employee, spouse, domestic partner, or eligible dependent must provide proof of participation and dues to Human Resources showing at least 10 workouts per month at a fitness facility or through a paid exercise subscription. Swim lessons with 8 sessions per month are the only exception to the 10-visit rule. Proof of visits must be provided each month and will not be retroactively paid. For example, if you have visits for the month of March, you must turn in your proof no later than the last day of April. Free programs are not eligible for reimbursement.
4. Employees, spouses, domestic partners, and eligible dependents are limited to one health club reimbursement per month, per person. Eligible family members are not required to work out at the same facility.
5. Employees are responsible for the full payment of the fitness program/dues including initiation fees, annual charges, or other associated fees. The extent of City of Anacortes financial support for each program will be determined on an annual basis. This benefit is considered taxable income.
6. The reimbursement will appear as "Fitness/Pool Reimburs" on the employee's paystub. There may be up to a two-month lag time before reimbursements may be processed through payroll.
7. Participation in the City of Anacortes fitness reimbursement program is limited in some situations to employees who have medical benefits through the City of Anacortes.
8. The City of Anacortes retains the right to change all aspects of its exercise and wellness programs and to discontinue their existence.

Policy 508 Dual Insurance Incentive

The City of Anacortes encourages all employees and their spouse and/or dependent(s) to participate in health insurance coverage to maintain health and wellness. Employees who have a spouse and/or dependent(s) who obtain full medical insurance coverage elsewhere and opt out of dual coverage under a City health insurance plan may be eligible to receive a monthly incentive.

1. Human Resources is responsible for benefit plans for all employees.
2. The Dual Insurance Incentive plan is a voluntary program limited to employees who have medical insurance coverage through the City of Anacortes and this coverage must be maintained to participate in the plan.
3. Employee's spouse and/or dependent(s) must be removed from the City of Anacortes medical insurance coverage. This does not extend to dental, vision, or life insurance, which remain in effect.
4. Employees must certify through a Dual Insurance Incentive Enrollment form that their spouse and/or dependent(s) have obtained medical insurance that meets "minimum essential coverage." Minimum essential coverage cannot be obtained from an individual market or an insurance exchange. Coverage from Medicare does not qualify a spouse and/or dependent(s) for the dual insurance incentive. Coverage from TRICARE does qualify a spouse and/or dependent(s) for the dual insurance incentive.
5. Incentive amounts are based on the lowest cost PPO plan determined by Human Resources and updated annually on the Dual Insurance Incentive Enrollment form.
6. Employees must provide proof of their spouse's and/or dependent's continuous, comprehensive medical coverage. Enrollment is effective for one year only. Employees must resubmit a Dual Insurance Incentive Enrollment form each year during open enrollment to receive the incentive payment. If employees do not re-enroll, dual insurance incentive will be automatically dropped. Retroactive dual insurance incentives will not be provided for late proof.
7. Employees are responsible for informing Human Resources of any changes in insurance statuses when receiving the dual insurance incentive. If an employee fails to inform Human Resources that they are no longer eligible for the incentive and receives funds the employee is not entitled to, the City of Anacortes will withhold amounts overpaid from the employee's paycheck as permitted by and consistent with RCW 49.48.200-.210.
8. The City retains the right to revoke, modify, or cancel this policy at any time and as it deems appropriate.

City of Anacortes Premises and Work Areas

The City of Anacortes complies with all applicable federal, state, and local health and safety regulations and provides a work environment as free as practicable from recognized hazards. Employees are expected to comply with all safety and health requirements whether established by the City of Anacortes or by federal, state, or local law. The Safety Committee maintains an Accident Prevention Manual and Blood Borne Pathogen Manual.

1. The City of Anacortes appoints a Safety Committee to oversee the City of Anacortes' safety policies and procedures.
2. All employees are responsible for ensuring that they understand and comply with all City of Anacortes safety rules, regulations, and procedures. All employees are responsible for:
 - a. Being familiar with all safety and health procedures relevant to the operations under their supervision;
 - b. Inspecting their work areas periodically;
 - c. Identifying conditions that are recognized as being unsafe; and
 - d. Reporting accidents and injuries to the immediate manager, department head and Human Resources immediately and ensuring that any injured employee is referred to appropriate medical care (**see** Policy 205 Medical Examinations).

Supervisors should complete a Safety Orientation Checklist upon hiring a new employee and before the new employee begins work. This is to ensure that the employee understands and complies with the safety rules, regulations, and procedures within their department. The completed and signed form should be included in the employee's personnel folder.

3. Employees should report to their supervisor or the Safety Committee all observed safety and health violations, potentially unsafe conditions, and any accidents resulting in injuries to employees or the public. Employees are encouraged to submit suggestions to the Safety Committee concerning safety and health matters.
4. Violations of City of Anacortes safety rules, regulations, or procedures will result in disciplinary action, up to and including termination (**see** Policies 801 Behavior of Employees and 807 Disciplinary Procedure).
5. Employees are offered CPR and First Aid training. Depending on the employee's job assignment the training may be mandatory.
 - a. Employees whose job descriptions warrant them to take Blood Borne Pathogen training should, if possible, be scheduled to attend training as soon as possible. The Blood Borne Pathogen Site Specific Plan identifies job titles in which exposure to pathogens may exist and require training. Supervisors are responsible to ensure that their employees' Blood Borne Pathogen certification remains current.

Employees who may be exposed to Hepatitis B as disclosed in their job description have the option to receive Hepatitis B vaccinations paid for by the City of Anacortes. Employees will be advised during orientation of the risks associated with their job classification and given the opportunity to accept or decline the vaccinations.

- a. Employees who do not have health insurance will be reimbursed for reasonable expenses to obtain their Hepatitis B vaccination when their role may have exposures.
- b. Employees who have health insurance are expected to utilize their insurance to cover the costs of the vaccination.

Policy 602 Personal Property

The City of Anacortes asks employees to refrain from bringing unnecessary or inappropriate personal property to work.

1. The City of Anacortes recognizes that employees may bring certain personal items to work such as family photographs, houseplants, or other small decorative items for their workspaces. However, personal property that is not related to the employee's job performance may disrupt work or pose a safety risk to other employees.
2. Employees are expected to exercise reasonable care to safeguard unauthorized personal items brought to work. The City of Anacortes is not responsible for the loss, damage, or theft of personal belongings, and employees are advised not to carry unnecessary amounts of cash or other valuables with them when they come to work.
3. The City of Anacortes may assign each employee a locker or storage area for safekeeping small personal effects during working hours. In addition, the City of Anacortes will provide and retain keys for file cabinets, desks, and other workstations. Employees may not place their own locks on any storage facility.
4. To maintain security and protect against theft, the City of Anacortes reserves the right to inspect when presented with reasonable suspicion all personal property brought onto the City of Anacortes' premises, including vehicles, packages, briefcases, backpacks, purses, bags, and wallets. In addition, whether locked or not, the City of Anacortes may inspect the contents of lockers, storage areas, file cabinets, desks, and workstations at any time and remove all City of Anacortes property and other items that violate City of Anacortes rules and policies (**see** Policy 605 Security).
5. Articles of personal property found on the premises should be returned to the owner, if known, or turned in to the Facilities Manager. Inquiries regarding lost property should be directed to the Facilities Manager.

Policy 603 Solicitation

The City of Anacortes prohibits solicitation and distribution on its premises by non-employees and permits solicitation and distribution by employees only as outlined below.

1. The City of Anacortes limits solicitation and distribution on its premises because those activities can interfere with its normal operations, reduce employee efficiency, annoy customers or employees, and pose a threat to security.
2. Human Resources is responsible for administering this policy and enforcing its provisions. Employees will be subject to disciplinary action for violating this policy (**see** Policies 801 Behavior of Employees and 807 Disciplinary Procedure).
3. Individuals not employed by the City of Anacortes are prohibited from soliciting funds or signatures, conducting membership drives, distributing literature or gifts, offering to sell merchandise or services (except with the Mayor's prior approval) or engaging in any other solicitation, distribution, or similar activity on City of Anacortes premises.
4. The City of Anacortes may authorize a limited number of fund drives by employees on behalf of charitable organizations or for employee gifts. Employees are encouraged to volunteer to assist in these drives, but participation is entirely voluntary.
5. The following restrictions apply when employees engage in permitted solicitation or distribution of literature for any group or organization, including charitable organizations:
 - a. Soliciting and distributing literature, or selling merchandise or services, during the working time of either the employee making the solicitation or distribution, or the targeted employee, is prohibited. The term "working time" does not include an employee's authorized lunch or rest periods or other times when the employee is not required to be working.
 - b. Distribution of literature is prohibited in work areas at all times.
 - c. Distributing literature in a way that causes litter on City of Anacortes property is prohibited.
 - d. Employees may not use City facilities, resources, or supplies to promote or solicit participation in gambling activities, including but not limited to wagers, bets, or pools.
6. The City of Anacortes maintains various communication systems to communicate City of Anacortes information to employees and to disseminate or post notices required by law. These communication systems (including bulletin boards, text messages, cell phones, electronic mail, voice mail, facsimile machines, and personal computers) are for business use only and may not be used for employee solicitation or distribution of literature. The unauthorized use of the communication systems or the distribution or posting of notices, photographs, or other materials on any City of Anacortes property is prohibited (**see** Policy 804 Use of Communication Systems).

Policy 604 Parking

The City of Anacortes provides parking facilities, when practical, for the benefit and convenience of its employees, customers, and visitors.

1. The City of Anacortes will provide parking for as many employees as practical. Special spaces will be designated for certain employees, customers, and visitors.
2. The City owned parking lots are considered part of the City of Anacortes premises; therefore, all City of Anacortes policies and rules apply to employees and their vehicles while on the lots (**see** Policy 801 Behavior of Employees).
3. Employees who use the City of Anacortes parking lots do so at their own risk. The City of Anacortes assumes no responsibility for any damage to, or theft of, any vehicle or personal property left in the vehicle while on the parking lots (**see** Policies 602 Personal Property and 605 Security).

Policy 605 Security

The City of Anacortes makes reasonable efforts to provide for the security of its property, its employees, and visitors to its premises.

1. Employees (unless required to carry a firearm or weapon as a condition of employment), are prohibited from possessing firearms or other weapons on City of Anacortes property and at events sponsored by the City of Anacortes. To the maximum extent permissible by law, employees (unless required to carry a firearm or weapon as a condition of employment) may not carry weapons in employer-provided vehicles or in personal vehicles while on City business.
2. All personal property brought onto the City of Anacortes' premises, such as vehicles, packages, briefcases, backpacks, purses, bags, and wallets, are subject to inspection with reasonable suspicion. In addition, the City of Anacortes may inspect the contents of lockers, storage areas, file cabinets, desks, and workstations at any time and may remove all City of Anacortes property and other items that are in violation of City of Anacortes rules and policies (**see** Policy 602 Personal Property).
3. Employees working in sensitive or high security jobs must meet any applicable special security clearance requirement specified for those jobs (for example, police and fire employees). These requirements may include more extensive background checks, fingerprinting, bonding, or other special security measures. Failure or inability to meet or comply with any special security requirements is grounds for termination of employment or rejection of an applicant.
4. Employees may remain at their workplace outside their normal working hours only when authorized to do so by their supervisor.
5. Employees are expected to exercise reasonable care for their own protection and for that of their personal property while on the City of Anacortes premises and while away from the premises on business. The City of Anacortes assumes no responsibility for loss, damage, or theft of personal property (**see** Policy 602 Personal Property).
6. Employees are expected to know and comply with the City of Anacortes' security procedures and should report any violations or potential problems to the Police Department. Violations of City of Anacortes security rules or procedures will result in disciplinary action, up to and including termination (**see** Policies 801 Behavior of Employees and 807 Disciplinary Procedure).

Policy 606 Tobacco Use

The City of Anacortes complies with all applicable federal, state, and local regulations regarding tobacco in the workplace and provides a work environment that promotes productivity and the wellbeing of its employees.

1. The use of tobacco products of any kind (including cigarettes, cigars, pipes, e-cigarettes, vapes, or chewing tobacco) in the workplace is prohibited. This prohibition applies to time spent at work sites or stations in any City building, facility, vehicle, or location.
2. The no tobacco use policy applies to employees during working time and to customers and visitors while on the City of Anacortes' premises.
3. Tobacco use is only allowed in designated outside areas that are at least 25 feet from building entrances and exits, windows that open, and ventilation intakes during designated breaks or off-work time. There shall be absolutely no tobacco use during work time. Employees are expected to exercise common courtesy and to respect the needs and sensitivities of coworkers with regard to the smoking policy. Smokers have a special obligation to not abuse break and work rules and to keep smoking areas litter-free. Complaints about smoking issues should be resolved at the lowest level possible but may be processed through the City of Anacortes' grievance procedure (**see** Policy 902 Dispute Resolution Procedure). Employees who violate the policy will be subject to disciplinary action (**see** Policy 807 Disciplinary Procedure).
4. Employees may contact Human Resources for information regarding the effects of smoking and the availability of smoking cessation programs.

Absences from Work

Policy 701 Attendance and Punctuality

The City of Anacortes requires employees to report for work punctually and to work all scheduled hours and overtime required by business necessity. Excessive tardiness and poor attendance disrupt workflow and customer service and will not be tolerated.

1. Supervisors should notify employees of their starting, ending, and break times. Employees are expected to be engaged in carrying out their duties during all scheduled work time and should be ready to begin working at their scheduled starting time (**see** Policy 209 Hours of Work). Supervisors should record all absences and, for nonexempt employees (those subject to the minimum wage and overtime requirements of the Fair Labor Standards Act), any tardiness or early departure exceeding ten minutes.
2. Employees should notify their supervisor in as far advance as possible whenever they are unable to report for work, know they will be late, or must leave early. The notice should include a reason for the absence and an indication of when the employee can be expected to report for work. If the supervisor is unavailable, notification should be made to the next level of management.
3. Employees will be compensated during authorized absences in accordance with Policy 702 Absences. Nonexempt employees will not receive compensation for time missed because of tardiness or early departure if the time missed exceeds 10 minutes after starting time or before quitting time. Failure to notify the City of Anacortes properly of any absence may result in loss of compensation during the absence and may be grounds for disciplinary action.
4. Nonexempt employees who are delayed in reporting for work more than 30 minutes and who have not notified their supervisor of their expected tardiness may lose their right to work the balance of the workday. In addition, employees who report for work without proper equipment or in improper attire may not be permitted to work (**see** Policies 601 Employee Safety and the Safety Committee and 802 Personal Appearance of Employees). Employees, who report for work in a condition considered not fit for work, whether due to illness, alcohol or drug use, or any other reason, will not be allowed to work (**see** Policies 205 Medical Examinations and 809 Drugs, Narcotics, and Alcohol).
5. Employees generally are expected to report for work during inclement weather conditions unless the Mayor or the Mayor's designee declares an emergency closing. During times of inclement weather or natural disaster, it is essential that the City continue to provide vital public services. Therefore, employees are expected to make every reasonable effort to report to work, so long as doing so does not endanger their personal safety. An employee who is unable to get to work or leaves work early because of unusual weather conditions may charge the time missed to vacation, personal holiday, compensatory time off, exchange time off, or leave without pay.
6. Nonexempt employees will not be required or permitted to work any period of time before or after scheduled starting or quitting times for the purpose of making up time lost because of tardiness, unauthorized absence, authorized absence, or any other reason if the result will be that the employee works more than forty hours during the workweek.
7. Employees must report to their supervisor after being late or absent, give an explanation of the circumstances surrounding their tardiness or absence, and, when applicable, certify that they are fit to return to work (**see** Policy 205 Medical Examinations). The supervisor should record the information in the employee's file and forward a copy to Human Resources. When appropriate, the supervisor should counsel the employee on the importance of good

attendance and warn that excessive tardiness or absences will lead to discipline, up to and including termination (**see** Policies 702 Absences and 807 Disciplinary Procedure).

8. Employees who are frequently away from the premises for business reasons should inform their supervisors of their whereabouts during working hours.
9. Unauthorized or excessive absences or tardiness will result in disciplinary action, up to and including termination (**see** Policy 807 Disciplinary Procedure). An absence is considered to be unauthorized if the employee has not followed proper notification procedures or the absence has not been properly approved. Generally, absences in excess of those allowed in Policy 702 Absences, and tardiness or early departure (i.e., beyond ten minutes of starting or quitting time) more than three times in a three-month period are grounds for discipline.
10. Employees who are absent from work for three consecutive days without giving proper notice to the City of Anacortes will be considered as having abandoned their job. At that time, the City of Anacortes will formally note the termination and advise the employee of the action by certified mail to the employee's last known address (**see** Policy 213 Termination of Employment).

Policy 702 Absences

The City of Anacortes permits employees to be absent from work on an authorized basis for a variety of reasons, including illness or injury. To help employees maintain their income during certain authorized absences, the City provides compensation according to the guidelines below.

1. Washington Paid Sick Leave (WPSL)

- a. All City employees are eligible to accrue WPSL, whether regular, full-time, part-time, temporary or seasonal. Employees accrue WPSL at the rate of 1 hour for every 40 hours worked. For accrual purposes, hours worked encompasses actual working time, and not paid or unpaid leave. Accrual of WPSL begins on an employee's first day of work, although WPSL may not be used until the individual has been employed for 90 calendar days.
- b. Employees may carry up to a maximum of 40 hours of unused WPSL over from one calendar year to the next. Any accrued WPSL in excess of 40 hours will be transferred over to the employee's City Paid Sick Leave bank (subject to the maximum accrual limit of 1440 hours, as described below); if an employee is not eligible for City Paid Sick Leave, WPSL hours in excess of 40 at year end will be forfeited. Accrued but unused WPSL will not be cashed out upon separation from the City unless an employee qualifies for retirement buyback under section 3e below. If an employee separates from the City and is rehired within 12 months any WPSL balance that existed at the time of separation will be reinstated, provided that if the rehire occurs in the following calendar year, reinstatement of the balance will be limited to 40 hours.
- c. Accrued WPSL may be used for:
 - i. The employee's own illness, injury or health condition; to accommodate the need for medical diagnosis, care or treatment of a health condition; or preventive medical care.
 - ii. The employee's care for a family member with illness, injury, or health condition; care for family member who needs medical diagnosis, care or treatment; care for family member who needs preventive medical care. Family members include an employee's child (whether biological, adoptive, foster, step-child, a child's spouse, or child for whom employee stands in loco parentis, is a legal guardian for, or is a de facto parent and regardless of age or dependency status); parent (whether biological, adoptive, in-law, de facto, step-parent, legal guardian or person who stood in loco parentis to employee when employee was a child); spouse or registered domestic partner; grandparent; grandchild; sibling; or person with a relationship to the employee that creates an expectation of care.
 - iii. An absence due to closure of the City's offices by order of public official for any health-related reason, or where the employee's child's school or day care is closed for such a health-related reason or after the declaration of emergency by local, state, or federal government.
 - iv. Absences covered by the Domestic Violence/Sexual Assault/Stalking leave policy below.
- d. Where the need to use WPSL is foreseeable, employees should submit written notice of the need for leave to their supervisor at least 10 days in advance of the leave date(s). For unforeseeable leave, employees must contact their supervisor as soon as the need for leave becomes known. The City may require documentation regarding the use of leave, provided that for non-exempt employees:
 - i. Documentation may only be required when an employee uses more than three consecutive workdays of WPSL;
 - ii. An employee will have up to 10 calendar days to provide the required documentation;

- iii. If requested, documentation need not disclose the nature of the medical condition

- causing the need for leave; and
- iv. If a requirement to provide documentation will result in unreasonable burden or expense to the employee, an employee may advise the City of this concern and the City will evaluate its request in light of the circumstances.
- e. When an employee needs to be absent for a WPSL-covered reason (including any FMLA-eligible absence), any accrued WPSL may be applied. Any available City paid sick leave will be applied after the employee's WPSL accrual is exhausted (if City paid sick leave is qualifying), subject to the provisions of the Family Care policy below.

2. City Paid Sick Leave

- a. Regular, full-time and regular part-time employees whose full-time equivalency is 50% or more are eligible to accrue City paid sick leave in addition to WPSL. Full-time employees will accrue City paid sick leave at the rate that ensures their total monthly sick leave accrual (including both WPSL and City leave) equals 8 hours per calendar month of continuous employment or the monthly accrual rate established in the applicable labor agreement. Eligible part-time employees will accrue City paid sick leave on a pro-rata basis.

Example: A full-time employee who is eligible for a total of 8 hours of paid sick leave per month works 160 hours during the month. They would receive 4 hours of WPSL (1 hour per 40 hours worked). The remaining 4 hours of their monthly entitlement of 8 hours would go into the employee's City sick leave bank.

Example: A part-time employee works 80% of a full-time schedule and is therefore entitled to a total monthly sick leave accrual of 6.4 hours (80% of 8 hours). During a month, the employee works 120 hours and would therefore accrue 3 hours of WPSL. The remaining 3.4 of their monthly sick leave accrual would be placed into the employee's City sick leave bank.

- b. Employees do not accrue City sick leave benefits during an absence without pay. Temporary, seasonal and part-time employees who work less than a 50% equivalency are not eligible for City paid sick leave benefits.
- c. The maximum number of hours of City paid sick leave that an employee can accumulate is one thousand four hundred and forty (1440) hours.
- d. City paid sick leave is available to employees after their leave accrual under WSPL has been exhausted, subject to the provisions of the Family Care Act, described below.
- e. City Sick leave may be used for any of the following purposes:
 - i. Personal illness or incapacity of the employee;
 - ii. Forced quarantine of the employee by a public health official;
 - iii. To care for the employee's dependent children under age 18 who is ill;
 - iv. To attend the birth of the employee's child;
 - v. Use of a prescription drug that impairs job performance or safety;
 - vi. Medical or dental appointments of the employee or dependent children under the age of 18, when such appointments cannot reasonably be scheduled during off-duty time;
 - vii. For any other purpose described in the WA Family Care policy set forth below.
 - viii. City paid sick leave may be coordinated with certain other leaves (see Family and Medical Leave policy below.) Employees may be required to provide medical or other documentation to verify the appropriate use of City sick leave. Excessive tardiness or absences (other than approved FMLA, WPSL or disability-related leave) may lead to disciplinary action up to and including termination.

- f. An employee who is eligible for retirement under the applicable DRS retirement plan is eligible for cash out of a portion of their unused WPSL and City paid sick leave proportionate to their sick leave balance. Employees do not need to draw from retirement to be considered eligible for retirement under DRS and eligible for a sick leave buyout. City sick leave cash out is prorated for part-time employees based on full time equivalency at retirement.

Total Sick Leave Balance at Retirement	Percent Cash out
0-800 hours	0%
801-1251 hours	18% of unused sick leave hours
1251-1440 hours	25% of unused sick leave hours

Unused sick leave is not cashed out upon separation other than retirement.

3. Family Care/Use of Accrued Leave to Care for Sick Family Member

- Consistent with the Washington Family Care Act, employees may use their choice of any accrued leave that they have available for their own use in order to care for their child, spouse, domestic partner, parent, parent-in-law, or grandparent as described below.
- An employee may use available paid time off to care for their child where the child has a health condition requiring treatment or supervision, or where the child needs preventative care (such as medical, dental, optical, or immunization services).
- An employee may use available paid time off when a spouse, domestic partner, parent, parent-in-law, or grandparent has a “serious or emergency health condition” which are conditions:
 - Requiring an overnight stay in a hospital or other medical-care facility
 - Resulting in any period of incapacity or treatment or recovery following inpatient care
 - Involving continuing treatment under the care of a health services provider that includes any period of incapacity to work or attend to regular daily activities; or
 - Involving an emergency (i.e., demanding immediate action)
- Where the need for family care leave is unexpected, the City of Anacortes understands that advance approval of the use of leave (as is required for certain kinds of accrued leave) may not be possible. Employees are required, however, to notify their supervisor of the need to take time off to care for a family member as soon as the need for leave becomes known. Subject to WPSL verification limits where WPSL is used, the City of Anacortes reserves the right to require verification or documentation confirming that a family member has or has had a “serious or emergency” health condition when available leave is used to care for that family member.

4. Family and Medical Leave (“FMLA”)

Recognizing the importance of family and out of concern for the wellbeing of our employees, the City of Anacortes family and medical leave program enables employees to take time off, under certain conditions, for health reasons or to care for family members. This policy will be administered in accordance with the federal Family and Medical Leave Act (FMLA). A notice entitled “Employee Rights and Responsibilities Under the Family and Medical Leave Act” is posted in break rooms and is provided to employees upon hire. Nothing in this policy affects or supersedes any federal or state law or collective bargaining agreement that may provide greater entitlement to medical or family leave than those set forth in this policy. Employees may also be entitled to seek partial wage replacement benefits during FMLA leave through the Washington Paid Family and Medical Leave (PFML) program (see Section 6 below).

- Eligibility for Federal Family and Medical Leave (FMLA): To be eligible for leave under

this family and medical leave policy, an employee must have been employed by the City of Anacortes for at least 12 months, must have worked at least 1,250 hours in the preceding 12 months, and must work at a location where at least 50 employees are employed by the City of Anacortes within 75 miles.

- b. Leave Entitlement: An eligible employee may request up to 12 workweeks of FMLA leave per "leave year" for one or more of the following reasons:
 - i. To care for the employee's child upon birth, or to care for a child upon the child's placement with the employee for adoption or foster care;
 - ii. To care for a spouse, son, daughter, or parent who has a serious health condition;
 - iii. To care for self, if the employee has a serious health condition that makes the employee unable to perform the essential functions of the position (including

- incapacity due to pregnancy, prenatal medical care, or childbirth); or
- iv. For a “qualifying exigency” arising out of the fact that the employee’s spouse, son, daughter, or parent is a covered military member who is on active duty or has been notified of an impending call to active duty in support of a contingency operation. Covered military members are active-duty service members deployed to a foreign country, who have been called to active duty or notified of an impending call to active duty. Qualifying exigencies are generally activities related to the active duty or call to duty, including attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post- deployment reintegration briefings.
 - c. The City of Anacortes defines a leave year as the rolling twelve-month period measured backward from the date an employee uses any FMLA leave. FMLA leave for birth or placement for adoption or foster care must conclude within 12 months of the birth or placement. In addition, spouses employed by the City of Anacortes are jointly entitled to a combined FMLA leave of 12 workweeks of family leave for the birth or placement of a child for adoption or foster care, or to care for a parent with a serious health condition. Each spouse is, however, eligible for the full 12 weeks of leave in the 12-month leave period to care for a child, spouse with a serious health condition, or for the employee’s own serious health condition.
 - d. An eligible employee may also take up to 26 weeks of leave during a single 12-month period to care for an injured service member who is the employee’s spouse, parent, child, or next of kin. A covered service member is a current member or veteran of the Armed Forces, including National Guard or Reserves members, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform their duties for which the service member is undergoing medical treatment, recuperation or therapy; or in outpatient status; or is on the temporary disability retired list. This benefit applies to current service members or veterans who are undergoing medical treatment, recuperation, or therapy for a serious injury or illness that occurred any time during the five years preceding the date of treatment. For purposes of this kind of leave, the 12-month period begins the first day the employee takes leave. The combined total of leave for all purposes described in this policy may not exceed 26 weeks in the applicable leave year.
 - e. Serious Health Condition: A serious health condition is an illness, injury, impairment or physical or mental condition that involves:
 - i. Any period of incapacity or treatment connected with inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical care facility;
 - ii. A period of incapacity of more than three consecutive, full calendar days from work, school, or other regular daily activities that also involves:
 - 1. two visits to a health care provider, OR
 - 2. a single visit to a health care provider plus continuing treatment by (or under the supervision of) a health care provider;
 - iii. A period of incapacity due to pregnancy or for prenatal care;
 - iv. A period of incapacity or treatment due to a chronic serious health condition, for which a permanent or long-term condition for which treatment may not be effective, or to receive multiple treatments for restorative surgery after an accident or injury or for a condition that would likely result in an incapacity of more than three full, consecutive calendar days in the absence of medical treatment (e.g., chemotherapy for cancer or dialysis for kidney disease.)
 - f. Intermittent or Reduced Work Schedule Leave
 - i. In certain circumstances, eligible employees may take FMLA intermittently (for example, in smaller blocks of time) or by reducing their work schedule. If the FMLA

leave is because of the employee's own serious health condition or to care for a family member, the employee may take the leave intermittently on a reduced work schedule if it is medically necessary. Eligible employees may also take FMLA leave on an intermittent or reduced schedule basis when necessary, because of a qualifying exigency arising from a family member's military service. Unless specifically permitted by Supervisor and Human Resources, FMLA leave to care for a child after the birth or placement for adoption or foster care, also known as bonding leave, cannot be taken intermittently or on a reduced work schedule.

- ii. Where intermittent leave or reduced-schedule leave is needed for planned medical treatment, an employee must make a reasonable effort to schedule the treatment so as not to disrupt unduly the City of Anacortes' operations. Where an employee needs intermittent or reduced-schedule leave based on planned medical treatment, the City of Anacortes may transfer the employee to an alternative position with equivalent pay and benefits that can better accommodate such recurring leave.

g. Notice and Certification

- i. Employees who want to take FMLA ordinarily must provide the City of Anacortes with at least 30 days' notice of the need for leave if the need for leave is foreseeable. If 30 days' advance notice is not possible, notice must be provided as soon as practical (which is generally the same day or next business day after the need for leave becomes known.) Absent unusual circumstances, employees are required to follow the City of Anacortes' regular procedural requirements when requesting FMLA leave. (**see** attendance and punctuality, Policy 701.) When requesting leave, employees must provide sufficient information for the City of Anacortes to determine whether the leave may be FMLA qualifying, and the anticipated timing and duration of requested leave. Employees must also inform the City of Anacortes if the requested leave is for a reason for which FMLA leave was previously taken or certified.
- ii. When leave is requested in connection with planned medical treatment, the employee must make a reasonable effort to schedule treatment in order to prevent disruptions to the City of Anacortes operation.
- iii. In addition, employees who need leave for their own or a family member's serious health condition must provide medical certification from the health care provider of the serious health condition. The City of Anacortes may require a second or third opinion (at the City of Anacortes' expense,) periodic recertification of the serious health condition, and when the leave is for an employee's own serious health condition, a certification that the employee is fit to return to work.
- iv. Employees who need leave for a qualifying exigency arising from a family member's military leave must provide a certification confirming the need for leave.
- v. The City of Anacortes may delay leave to employees who do not provide proper advance notice of the foreseeable need for leave. The City of Anacortes also may delay or deny approval of leave for lack of proper certification establishing the need for leave.
- vi. Please contact Human Resources to obtain further information and forms relating to FMLA leave requests.

h. Continuation of Pay and Benefits

- i. FMLA leave is unpaid leave; however, employees are required to use accrued City paid sick leave for FMLA-qualifying events as part of their 12 weeks of FMLA leave. Employees may elect to use accrued WPSL. Use of vacation leave is optional.
- ii. During all leave designated as FMLA leave, the City of Anacortes will continue to pay the employer's portion of health insurance premiums, provided that the

employee continues to pay their share of the insurance premiums, if any. Failure of the employee to pay their portion of the premium may result in cancellation of health insurance. Under certain circumstances, if an employee fails to return to work at the end of the leave, the employee may be responsible to pay back the City of Anacortes for the employer portion of the health insurance premiums. Leave such as vacation and sick leave will continue to accrue during paid leave (e.g., while an employee is using accrued sick leave or vacation), but not during unpaid leave.

i. Job Restoration Upon Return from Leave

- i. Upon return from family and medical leave, an employee will be entitled to return to the employee's former position or a position with equivalent pay, benefits, and conditions of employment, unless unusual circumstances have arisen (e.g., the employee's position or shift was eliminated for reasons unrelated to the leave). If the employee chooses not to return to work for any reason, the employee should notify the City of Anacortes as soon as possible.

j. Leave for Pregnancy Disability and to Care for a Newborn

Note: The pregnancy disability leave does not apply when the qualifying event is the placement of a newborn by adoption or foster care.

- i. Under Washington State Law, regardless of whether the employee meets the FMLA eligibility requirements above, pregnant employees are entitled to an unpaid leave for the period of time that the female employee is physically disabled due to the pregnancy and/or childbirth. The period of temporary disability normally lasts six to eight weeks if the pregnancy and childbirth are without complications. With complications, such as required bed rest before childbirth, the period of temporary disability can last longer.
- ii. The pregnancy disability leave runs concurrently (at the same time) with FMLA for employees eligible for FMLA and does not extend the 12 weeks of leave allowed under federal law.
- iii. Pregnancy disability leave is unpaid leave unless the employee has accrued vacation and/or sick leave available (and the reason for the leave is sick leave qualifying). An employee may also be eligible for state PFML benefits during the period of disability (**see** Section 5 below).

5. Washington Paid Family and Medical Leave ("PFML")

Eligible employees may apply for PFML, a program administered by the Washington State Employment Security Department ("ESD"). The PFML program allows eligible individuals to receive partial wage replacement and time off for qualifying family or medical events, including welcoming a new child into their family, a serious health condition or injury, or the need to care for an ill relative, and for certain military-connected events. Leave benefits are funded by employer contributions and employee payroll deductions as described in RCW 50A.10.030. Eligibility is determined by the ESD, and employees must apply directly to the state to participate (<https://www.paidleave.wa.gov/login>).

If an employee's PFML application is approved by ESD, the employee must file weekly claims for benefits, and will receive benefit payments from the State. These benefits are distinct from paid leave accruals offered by the City.

a. Eligibility Under PFML

Employees may be eligible for monetary benefits and job protection when taking leave for covered reasons. Eligibility requirements are as follows:

- i. Monetary Benefits: In order to be eligible for monetary benefits from ESD, an employee must have worked 820 hours in Washington State (for any employer or combination of employers) during the year preceding the claim.

- ii. Job Protection: In order to be eligible for job protection with the City under PFML, an employee must meet the Federal Family Medical Leave Act ("FMLA") eligibility requirements (must have worked for the City for at least 12 months and have worked 1250 hours in the last year).

An employee is ineligible for PFML benefits during any period of suspension from employment or during which the employee works for compensation or profit (i.e. outside employment or contracting).

b. Leave Entitlement

Within your "claim year" you can take:

- Up to 12 weeks of medical leave to recover from or get treatment for a "serious health condition," or family leave to take care of a qualifying family member who is ill or injured with a "serious health condition" or to bond with a new child or for certain military events.
- Up to 16 weeks of combined medical and family leave if you have events covered by both in the same claim year.
- Up to 18 weeks of combined medical and family leave if you experience a condition in pregnancy that results in incapacity, like being put on bedrest, and then take bonding leave.

c. PFML leave may be taken for the following qualifying events:

- Family leave
 - Bonding with a new child coming into your family through birth, adoption, or foster placement.
 - Caring for a covered family member with a serious health condition.
 - Bereavement leave for seven days following the loss of a child for whom an employee could have taken medical or bonding leave.
 - Certain events for military families.
- Medical leave (for yourself)
 - Recovery or treatment for your own serious health condition, including recovery from childbirth.

PFML leave runs concurrently with FMLA leave year where an absence is covered by both laws and an employee is receiving PFML benefits.

d. Notification Requirements

An employee must provide written notice to Human Resources of the intent to take PFML leave. If the need for leave is foreseeable, notice must be given at least 30 days in advance of the leave. For unforeseeable leave, notice must be given as soon as possible.

If an employee fails to provide this required notice to the City, ESD will temporarily deny PFML benefits. After receiving the employee's written notice of the need for leave, the City will advise the employee whether the employee is eligible for job protection under PFML or FMLA or both.

If leave is being taken for the employee's or family member's planned medical treatment, the employee must make a reasonable effort to schedule the treatment so as not to unduly disrupt City operations.

For any week during which an employee submits a claim to ESD for PFML benefits, the employee must notify the City of how many PFML hours were claimed, so that the City may properly track leave use. If taking leave intermittently, an employee must notify

Human Resources in writing each time PFML leave is taken so that the City may properly track leave use.

e. PFML Monetary Benefits

If ESD approves a claim for PFML benefits, partial wage replacement benefit payments will be made by ESD directly to the employee. The amount of the benefit is based on a statutory formula, which generally results in a benefit in the range of 75-90 percent of an employee's average weekly wage, subject to a weekly maximum. ESD's website provides a benefits calculator to assist employees in estimating their weekly benefit amount.

Paid leave accruals (vacation, Washington paid sick leave [WPSL], City sick leave, personal holidays, compensatory time, exchange time, or any other accrued leave) are allowable and supplemental to PFML. An employee may elect to use such accrued leave during a PFML-covered absence. Supplemental leave usage should not impact your weekly PFML benefit.

f. Waiting Period

Monetary PFML benefits are subject to a seven (7) consecutive calendar waiting period, except for leave taken in connection with the birth or placement of a child or for a qualifying military exigency. The waiting period begins on the Sunday of the week in which PFML leave is first taken.

g. Coordination with Other Benefit Programs

When an employee is on leave and only receiving PFML benefits, the employee is deemed to be in "unpaid status" for purposes of City policies and benefit programs. Insurance coverage will be handled in the same manner as other unpaid leaves of absence, pursuant to City policy and subject to any FMLA or other legal requirements requiring continuation of coverage.

h. Job Restoration & Return to Work Recertification

Similar to the federal FMLA, an employee who is eligible for job-protected leave will be restored to the same or equivalent position at the conclusion of PFML leave, unless unusual circumstances have arisen (i.e., the employee's position or shift was eliminated for reasons unrelated to the leave). The City may require a return-to-work certification from a health care provider before restoring the employee to work following PFML leave when the employee has taken leave for the employee's own serious health condition. (Certification will typically be required after three (3) consecutive workday absences.)

If an employee taking PFML leave chooses not to return to work for any reason, the employee should notify Human Resources as soon as possible.

To apply for benefits, visit <https://paidleave.wa.gov/>

For more information on any of these leave policies, or if you think you may need to take family and/or medical leave, please contact Human Resources. Employees are encouraged to contact Human Resources with any questions about how the various laws are coordinated in a particular situation.

6. Jury or Witness Duty

- a. Employees who are required by law to render jury service will be granted paid time off

during a period of jury duty up to ten workdays per calendar year. During jury service, exempt employees will receive their full pay for any workweek in which they perform any work for the City, even if jury service exceeds ten workdays. Employees should notify their supervisors as soon as possible after receipt of a juror summons so that operational adjustments can be made as needed during the employee's absence. A copy of the juror summons must be provided to the supervisor. If an employee is summoned for jury service during a critical work period, the City of Anacortes may ask the employee to request a waiver from duty; in such cases, the City of Anacortes will provide documentation to the relevant court supporting the waiver request. Employees should contact their supervisor for instruction if there is a break greater than four hours during jury duty where the employee is not required to report to the court; depending on the circumstances, an employee may be required to return to work during such a period.

- b. An employee subpoenaed to testify in court will be granted time off for the period served as a witness. In general, leave for witness duty is unpaid unless the employee has been called as a witness by the City of Anacortes.

7. Military Leave

- a. Every employee who is a member of the Washington National Guard or of the U.S. Army, Navy, Air Force, Coast Guard or Marine Corps, or of any organized reserve of the United States, will be granted military leave in accordance with state and federal law. Employees who take military leave will have whatever rights to reinstatement, seniority, vacation, layoffs, and compensation as are provided by applicable law.
- b. Paid Leave of 21 Days Per Year Washington State Law provides 21 days of paid military leave per year. A public employee is entitled to a paid military leave of absence for a period not to exceed 21 working days during each year beginning October 1st and ending the following September 30th. Military leave beyond the 21 days of paid time off will be unpaid. The employee may elect to use accrued vacation, compensatory time, exchange time, or other available paid time off during the period of military leave. Usage of the paid military leave entitlement will be calculated as follows:
 - Employees will be charged with the use of paid military leave only for days on which they are actually scheduled to work.
 - If an employee is scheduled to work a shift that begins on one calendar day and ends on the next, the employee will be charged with the use of military leave only for the first calendar day. If the employee is scheduled to work a shift that begins on one calendar day and ends later than the next calendar day, the employee will be charged military leave for each calendar day except the day on which the shift ends.
- c. Employees should notify their supervisor as soon as they receive notice of the need to report for military duty and provide the supervisor with a copy of the military orders.

8. Leave for Spouses of Military Personnel (Non-FMLA)

- a. During a period of military conflict declared by the President or Congress, an employee who is the spouse of a member of the Armed Forces, National Guard or Reserves is entitled to up to 15 days of unpaid leave while their spouse is on leave from deployment, or before and up to deployment. (This reason for leave may also be covered under FMLA leave for a qualifying exigency, although an employee need not meet the more stringent FMLA eligibility requirements in order to take this spousal military leave.) The purpose of this leave is to support the families of military personnel serving in military conflicts by permitting them to spend time together before a family member is deployed or while the family member is on leave from a deployment. An employee must work an average of 20 hours per week to be eligible for this family military leave.
- b. An employee who seeks to take family military leave must provide the City of Anacortes with notice of their intent to take the leave within five business days of receiving official notice that the employee's spouse will be on leave or of an impending call to active duty.

The employee may substitute available accrued vacation, compensatory time, or exchange time leave for any part of this family military leave.

9. Bereavement Leave

- a. In the event of the death of an employee's immediate family member, time off with pay for employee's regular scheduled workday will be granted to regular full time employees. The phrase "immediate family" for the purposes of the bereavement policy includes the employee's spouse, domestic partner, brother, sister, father, mother, stepfather, stepmother, grandparent, children, stepchildren, grandchildren, father-in-law, mother-in-law, grandparent-in-law, sister-in-law, brother-in-law, daughter-in-law, and son-in-law.
 - i. Three consecutive workdays off with pay will be approved For bereavement within 90 days of death of the immediate family member (Maximum 24 hours).
 - ii. Two additional consecutive workdays off with pay will be approved for travel from the employee's home to the funeral or memorial service if the travel exceeds two hundred (200) miles each way. (Maximum 16 hours)
 - iii. Regular part-time employees who are scheduled to work twenty or more hours per week are eligible to receive Bereavement Leave. The amount of leave allowed will be pro-rated for regular part-time employees.

10. Leave due to Domestic Violence or Sexual Assault; Safety Accommodations

- a. In compliance with Washington law, the City authorizes leave for employees who are victims of domestic violence, sexual assault, or stalking. It is also available to employees with a family member (child, spouse, domestic partner, parent, parent-in-law, grandparent, or person with whom the employee has a dating relationship) who is a victim of domestic violence, sexual assault, or stalking. The leave may be taken in blocks, intermittently, or on a reduced leave schedule. The amount of leave that an employee may take is limited to a "reasonable" amount. Domestic violence/sexual assault leave is unpaid, although an employee may elect to use the employee's accrued paid leave (e.g., vacation, compensatory time, exchange time, or sick leave if it qualifies) in connection with such leave.
- b. Domestic Violence/Sexual Assault Leave may be taken for the following purposes:
 - i. To seek law enforcement or legal assistance or to prepare for or participate in any legal proceeding related to domestic violence, sexual assault or stalking;
 - ii. To seek health care treatment for physical or mental injuries from domestic violence, sexual assault, or stalking, or attend to such health care treatment for a family member;
 - iii. To obtain (or assist a family member in obtaining) mental health counseling related to domestic violence, sexual assault, or stalking; or
 - iv. To participate in safety planning, to temporarily or permanently relocate, or to take other actions to increase the safety of the employee or family member relating to domestic violence, sexual assault, or stalking.
- c. When possible, employees must give advance notice of the intention to take leave. If advance notice is not possible, employees (or their designees) must give notice of the need for this leave no later than the end of the first day the employee takes the leave.
- d. The City of Anacortes may require verification to support the need for the leave. Depending on the situation, verification can take the form of police reports, court documents, or the employee's own written statement of the need for the leave. Except where disclosure is authorized or required by law, the City of Anacortes will maintain confidentiality of all information provided by the employee in conjunction with the Domestic Violence/Sexual Assault Leave Act.
- e. The City will also make reasonable safety accommodations for any employee who is the victim of domestic violence, sexual assault, or stalking. Accommodation may include, for example, modification of a telephone number or email address, a modified work

schedule, or implementation of safety procedures. An employee in need of safety accommodations should contact Human Resources.

11. Leave Share Program

- a. Eligible employees may donate excess vacation leave for use by another employee who is suffering from an extraordinary medical emergency requiring them to be out of work. Employees are eligible to receive shared leave when the severity of the emergency would cause the employee to take leave without pay or to terminate employment without shared leave. Employees who donate leave waive all rights to the donated leave.
- b. Employees may request a leave donation when they have or expect to use all of their accrued leave (including vacation, sick, personal days, compensatory time, and exchange time) and would otherwise be on a leave without pay and has been found to be ineligible to receive industrial insurance benefits. The employee receiving a leave donation is required to provide medical justification and documentation both of the necessity for the leave and the length of time the employee reasonably can be expected to be absent due to the condition. While an employee is receiving shared leave, the employee continues to be classified as a City employee and shall receive the same treatment in respect to salary, wages, and employee benefits as the employee would normally receive if using the employee's own accrued leave except that the shared hours received are not eligible for retirement benefits.
- c. The maximum number of days an employee can receive of donated leave is 90 per calendar year. The Mayor and Human Resource Department retain discretion to determine the eligibility to receive donated leave.
- d. The maximum amount of vacation leave an employee can donate per request, per calendar year is 40 hours. Donations and use of leave are on an hour-for-hour basis, without conversion for differentials between rates of pay received by the donors and the recipients.

12. Coordination of Wages with Worker's Compensation

Worker's Compensation provides partial wage replacement for injured employees. Employees receiving Worker's Compensation as a result of a Labor and Industries Claim may choose to use their accrued sick leave or vacation leave to supplement the Worker's Compensation wage replacement. If an employee elects to use accrued leave while receiving Worker's Compensation benefits, the City will pay the employee his/her regular wages using accrued sick or vacation leave. If an employee elects this option, when the employee receives time loss payments from the Department of Labor and Industries, the employee must turn such payments over to the Finance Department. The Finance Department will use the worker's compensation payment to replenish the employee's sick leave or vacation leave balance that was drawn down at the employee's current hourly wage rate. If an employee elects to use accrued leave while receiving Worker's Compensation benefits, disciplinary action may be taken if time-loss checks are not returned to the City. Compensatory time, exchange time, and shift trades are not eligible for buyback and may not be used following a work-related injury or illness while an employee is receiving Worker's Compensation pay.

13. Other Unpaid Leave

Subject to operational and other considerations, the Mayor may grant a leave of absence without pay for an absence not covered by any other type of leave. Any available accrued leave must be exhausted before an unpaid leave will be approved. An example of an absence that may qualify is a prolonged illness or medical condition for which an employee needs reasonable accommodation.

14. Administrative Leave

On a case-by-case basis, the Mayor may place an employee on administrative leave with or without pay for an indefinite period of time. Administrative leave may be used when it is in the City of Anacortes' best interest, such as during the pendency of an investigation.

15. Benefits During Leave

Employees who are on a paid leave of absence shall continue to receive benefits they were entitled to prior to the start of their leave, including the accrual of vacation, sick leave, holidays, retirement, and health insurance benefits. Unless stated otherwise in these policies, benefits that accrue according to length of service, such as paid vacation, holiday, and sick days, do not accrue during periods of unpaid leave or during periods in which the employee receives workers' compensation or PFML benefits. In certain cases, self-payment of insurance premiums may apply (**see** Policy 501 Health and Welfare Benefits Eligibility).

16. Outside Employment During Leave

Employees who are on an approved leave of absence may not perform work for any other employer during that leave, except when the leave is for military service or explicitly approved by the Mayor.

- 17.** Employees will only receive paid time off if they have accrued balances in the leave banks prior to the leave being taken. In addition, authorized days off for short-term absences will not be considered as working time for calculating weekly overtime compensation (**see** Policy 209 Hours of Work).

Policy 703 Rest Breaks

The City of Anacortes provides rest breaks during the course of each workday.

1. Nonexempt employees should receive a rest break of fifteen minutes at approximately the middle of every four hours of work not interrupted by a meal period (**see** Policy 704 Meal Breaks).
2. Supervisors are responsible for scheduling the time for nonexempt employees' rest breaks and should consider the workload and the nature of the job performed. Whenever necessary, the frequency and time of rest periods may be changed.
3. Time spent on rest breaks will be compensated as working time (**see** Policy 209 Hours of Work). However, employees are expected to be punctual in starting and ending their breaks and may be disciplined for tardiness (**see** Policy 701 Attendance and Punctuality).
4. Employees are expected to take their rest breaks.
5. Mothers who choose to breastfeed their infants may express and collect breast milk during work hours. The City provides private space for breastfeeding. Each employee choosing to breastfeed can work with their supervisor or the Human Resource department to identify private space for the mother to express and collect breast milk. This space, other than a bathroom, will be shielded from view and free from intrusion by co-workers or the public. Employees may take reasonable breaks during work hours to express and collect breast milk. Break time which extends beyond normal paid breaks will be unpaid.
6. Employees on rest breaks may not interfere with other employees who are continuing to work (**see** Policy 603 Solicitation).

Policy 704 Meal Breaks

The City of Anacortes provides meal breaks during the course of each workday.

1. Full-time employees are allowed a meal break near the middle of the workday. In departments operating on single shifts, the break will be sixty minutes. In departments operating on two or three shifts, the meal break will be thirty minutes, depending on operating requirements.
2. Part-time employees scheduled to work more than five consecutive hours during any workday will receive a meal break of the same duration as full-time employees in their department.
3. Supervisors are responsible for balancing workloads and scheduling meal breaks and should take into consideration the workload and the nature of the job performed. Whenever necessary, the duration and time of meal periods may be changed.
4. Employees required to work more than ten hours in any workday will be allowed a second meal break no later than six hours after returning from their first meal break.
5. Nonexempt employees will not be compensated for their meal breaks unless they are required to work during their breaks (**see** Policy 209 Hours of Work).
6. Nonexempt employees who are required to work or remain on duty during a meal break are still entitled to thirty total minutes of mealtime, excluding interruptions. Nonexempt employees must notify their Supervisor if they miss a meal break. Supervisors are responsible for ensuring that all nonexempt employees receive their full thirty minutes of mealtime, even if the original missed meal break is paid.
7. Nonexempt employees may waive their meal break if both they and the employer agree. Voluntary waivers must be documented and kept on file with the Human Resource Department. Employees may revoke their waiver at any time.
8. Employees on meal breaks are not permitted to interfere with other employees who are continuing to work (**see** Policy 603 Solicitation).

Personal Conduct

Policy 801 Behavior Of Employees

The City of Anacortes finds that certain rules and regulations regarding employee behavior are necessary for efficient business operations and for the benefit and safety of all employees. Conduct that interferes with operations, discredits the City of Anacortes (with the exception of a proper exercise of First Amendment, whistleblower, or other rights protected by law), or is offensive to customers or coworkers will not be tolerated.

1. Employees are expected at all times to conduct themselves in a positive manner in order to promote the best interests of the City of Anacortes. Appropriate employee conduct includes:
 - a. Treating all customers, visitors, and coworkers in a courteous manner;
 - b. Refraining from behavior or conduct that is offensive or undesirable, or which is contrary to the City of Anacortes' best interests (**see** Policy 202 Productive Work Environment);
 - c. Reporting to management suspicious, unethical or illegal conduct by coworkers, customers, or suppliers (**see** Policy 605 Security);
 - d. Reporting to the Human Resources Director any threatening or potentially violent behavior of coworkers;
 - e. Cooperating with City of Anacortes investigations (**see** Policies 202 Productive Work Environment and 605 Security);
 - f. Complying with all City of Anacortes safety and security regulations (**see** Policies 601 Employee Safety and the Safety Committee and 605 Security);
 - g. Wearing clothing appropriate for the work being performed (**see** Policies 601 Employee Safety and the Safety Committee and 802 Personal Appearance of Employees);
 - h. Performing assigned tasks efficiently and in accord with established quality standards;

At management's discretion, any violation of the City of Anacortes's policies or any conduct considered inappropriate or unsatisfactory may subject the employee to disciplinary action. Questions about this policy should be directed to the Human Resource Department.

Policy 802 Personal Appearance Of Employees

The City of Anacortes requires each employee's dress, grooming, and personal hygiene to be appropriate to the work situation. Employees are expected at all times to present a professional image.

1. Employees are expected at all times to present a professional image to customers and the public. Professional personal appearance, like proper maintenance of work areas, is an ongoing requirement of employment with the City of Anacortes. Radical departures from personal grooming and hygiene standards are not permitted.
2. Office workers and any employees who have regular contact with the public must comply with the following personal appearance standards and are expected to dress in a manner that is considered professional attire in similar business establishments. Employees should not wear suggestive attire or similar items of casual attire that do not present a professional appearance. Additionally, employees should refrain from the excessive use of scented products, which may cause discomfort or allergic reactions to others.
3. Employees who do not regularly meet the public should follow basic requirements of safety and comfort but should still be as neat and professional as working conditions permit.
4. Certain employees may be required to meet special dress, grooming, and hygiene standards, such as wearing uniforms, depending on the nature of their job.
5. On Fridays, the City of Anacortes allows employees (who are not required to wear a uniform) to dress in a more casual fashion than is normally required; however, employees are still expected to present a neat appearance and are not permitted to wear ripped or disheveled clothing, or similarly inappropriate clothing.
6. An employee who does not meet the standards of this policy will be required to take corrective action, which may include leaving the premises. Non-exempt employees will not be compensated for any work time missed because of failure to comply with this policy. Violations of this policy also may result in disciplinary action.

Policy 803 Personal Finances Of Employees

The City of Anacortes expects employees to meet their financial obligations in a timely manner.

1. Employees should manage their personal finances so that they do not adversely affect job performance or the City of Anacortes' image in the community. The failure of employees to meet financial obligations may impose an administrative and financial burden on the City of Anacortes through extra bookkeeping and the need to respond to legal notices and court orders.
2. The City of Anacortes will not disclose employee financial information to outside parties without express written permission from the employee, except as required by law.
3. The Payroll Manager of the Finance Department is the only person authorized to receive a writ of garnishment or attachment, a notice of levy by any taxing authority, or any other similar order requiring payment of a portion of an employee's compensation to someone other than the employee. Human Resources will notify the affected employee and then Payroll will deduct the required amount from the employee's earnings, up to the limit permitted by law.
4. No employee will be disciplined because their earnings have been garnished for one indebtedness. However, multiple garnishments (three or more in a 12-month period) may result in discipline, up to and including termination, depending on the circumstances of the case and any legal restrictions.

Policy 804 Use Of Communication Systems

The City of Anacortes provides or contracts for the communications services and equipment necessary to promote the efficient conduct of its business.

1. Communications systems and equipment are provided by the City of Anacortes to facilitate the performance of City work. All communication systems must be used in compliance with applicable statutes, regulations, and the City's policies including those that require a work environment free from discrimination and harassment. Employees are expected to use common sense and sound judgment to avoid any communication which is disrespectful, offensive, or illegal.
2. The City as provider of access to communication systems reserves the right to specify how the City's network resources will be used and administered to comply with this policy. Message content sent from City communication systems reflects the City's image, both positively and negatively. Employees may be subject to disciplinary action for using these resources in a manner other than for the intended purposes. The information sources available via the Internet are worldwide and constantly growing in kind and number. It is not possible for any organization to fully manage the types and content of information accessed by its systems and users. Nonetheless, the City reserves the right to restrict access to any data source if/when, in its sole discretion and after appropriate review, the City determines such a source to be problematic. These restrictions do not constitute an implication of approval of other non-restricted sources.
3. City communications property or equipment may not be removed from the premises without written authorization from the employee's supervisor. Some resources (designated laptop computers and audio-visual equipment) are made available through a reservation system and may not require supervisory approval.
4. Employees should ensure that no personal correspondence appears to be an official communication of the City of Anacortes. Employees may be perceived as representatives of the City of Anacortes and, therefore, damage or create liability for the City. All outgoing messages, whether by mail, facsimile, e-mail, Internet transmission, or any other means, must be accurate, appropriate, and work- related. Employees may not use City of Anacortes stationery or postage for personal letters. Only the City of Anacortes may issue personalized stationery and business cards bearing the City's logo.
5. Employees who do not have direct access to a City of Anacortes telephone should make provisions to have emergency or other necessary incoming calls routed to a department approved telephone or to Human Resources. Although the City of Anacortes will attempt to deliver personal messages to employees, it cannot and does not accept responsibility for the prompt or accurate relay of these messages.
6. **See** Addendum A Information Technology & Systems Policies for further details on IT, IS, and communication systems.

Policy 805 Conflicts Of Interest

The City of Anacortes prohibits its employees from engaging in any activity, practice, or conduct which conflicts with, or appears to conflict with, the interests of the City of Anacortes. Since it is impossible to describe all of the situations that may cause or give the appearance of a conflict of interest, the prohibitions included in this policy are not intended to be exhaustive and include only some of the more clear-cut examples.

1. Employees are expected to represent the City of Anacortes in a positive and ethical manner. Thus, employees have an obligation to avoid conflicts of interest and to refer questions and concerns about potential conflicts to their supervisor.
2. Employees may not, directly, or indirectly whether on or off the job, engage in any conduct that is disruptive or damaging to the City of Anacortes.
3. Employees who marry or become members of the same household may continue employment as long as there is not:
 - a. A direct or indirect supervisor/subordinate relationship between the employees; or
 - b. An actual conflict of interest or the appearance of a conflict of interest.Should one of the above situations occur, the City of Anacortes would attempt to find a suitable position within the City of Anacortes to which one of the affected employees may transfer. If accommodations of this nature are not feasible, the employees will first be permitted to determine which of them will resign. If no agreement between the employees can be reached, the City of Anacortes will decide which of the employees will be terminated.
4. Employees and their immediate family may not accept gifts, except those of nominal (i.e. less than \$20.00) value, or any special discounts or loans from any person or firm doing, or seeking to do, business with the City of Anacortes. The meaning of gifts for purposes of this policy includes the acceptance of entertainment and free travel and lodging.
5. Employees may not give, offer, or promise, directly or indirectly, anything of value to any representative or any entity in connection with any transaction or business that the City of Anacortes may have.
6. Employees may not accept any employment relationship with any organization that does business with the City of Anacortes. This prohibition on employment includes serving as an advisor or consultant to any organization of that type, unless the activity is conducted as an assigned representative of the City of Anacortes.
7. Any conflict or potential conflict of interest must be disclosed to the City of Anacortes. failure to do so will result in discipline, up to and including termination (**see** Policy 807 Disciplinary Procedure).

Policy 806 Media Inquiries

All media inquiries and other inquiries of a general nature should be referred to the department head or division manager. In addition, the Mayor must approve all press releases, publications, speeches, or other official declarations (**see** Policy 605 Security). The Mayor may authorize specific employees to respond to media inquiries on the City's behalf without prior approval. Questions about employee references or other information concerning current or former employees should be referred to Human Resources.

Policy 807 Disciplinary Procedure

The City of Anacortes expects that all employees comply with the City of Anacortes' standards of behavior and performance and that noncompliance with these standards must be corrected.

1. Under many circumstances, the City of Anacortes utilizes a policy of progressive discipline in which it attempts to provide employees with notice of deficiencies and an opportunity to improve. It does, however, retain the right and discretion to administer discipline in any manner it sees fit, and to terminate all at-will employees with or without cause.
2. Depending on the circumstances, the City of Anacortes may utilize the following procedures:
 - a. If an employee is not meeting City of Anacortes standards of behavior or performance, the employee's supervisor may take the following action:
 - i. Meet with the employee to discuss the matter;
 - ii. Inform the employee of the nature of the problem and the action necessary to correct it; and
 - iii. Prepare a memorandum for the supervisor's own records indicating that the meeting has taken place.
 - b. If there is a second occurrence, the supervisor may hold another meeting with the employee and take the following action:
 - i. Issue a written reprimand to the employee (Human Resources should assist in the preparation of the written reprimand);
 - ii. Warn the employee that a third incident will result in more severe disciplinary action; and
 - iii. Prepare and forward to Human Resources a written report describing the first and second incidents and summarizing the action taken during the meeting with the employee. This information will be included in the employee's personnel file (**see** Policy 901 Personnel Records).
3. If there are additional occurrences, the supervisor may take the following action, depending on the severity of the conduct:
 - a. Issue an additional written reprimand or warning;
 - b. Typically, the employee should be suspended immediately, and an investigation of the incidents leading up to the suspension should be conducted to determine if any action such as termination should be taken; or
 - c. The supervisor must prepare and forward to Human Resources another written report describing the occurrences, indicating the timing between the occurrences, and summarizing the action taken or recommended and its justification.
4. The progressive disciplinary procedures described in (2), above, may also be applied to an employee who is experiencing a series of unrelated problems involving job performance or behavior.
5. The degree of disciplinary action administered depends on the severity of the infraction and will be carried out in accordance with this policy, or in accordance with applicable Civil Service Rules or collective bargaining agreements. It is the responsibility of management to evaluate the circumstances and facts thoroughly and objectively. In cases involving serious misconduct, or any time the supervisor determines it is necessary, the procedures contained in (2), above, may be disregarded. The supervisor should suspend the employee immediately and, if appropriate, recommend termination of the employee (**see** Policy 801 Behavior of Employees). If appropriate, an investigation of the incidents leading up to the suspension may be conducted to determine what further action, if any, should be taken. Employees suspended from work generally will not receive or accrue any employee benefits during the suspension.
6. Pre-disciplinary Meeting

- a. In the case of suspension, demotion, or termination of an employee (other than probationary employees), the City will conduct a pre-disciplinary meeting. The pre-disciplinary meeting serves as a check against mistaken decisions and as an opportunity for an employee to furnish additional facts before a suspension or termination decision is finalized. The employee shall be provided with a notice of intended discipline. The notice shall include an explanation of the charges on which the recommendation is based, and the time and date for a pre-disciplinary meeting. If the employee fails or refuses to appear, the suspension, demotion, or termination may proceed. Pre-disciplinary meetings will be presided over by the Human Resources Director or designated representative.
 - b. A non-supervisory employee who is represented by a union may request that a union representative be present at a pre-disciplinary meeting. The meetings are intended to be informal. The employee may show cause why they should not be suspended, demoted, or terminated. Usually within two working days after the pre-disciplinary meeting, the Mayor or Human Resources Director will issue a decision on whether there are reasonable grounds to believe the charges against the employee are true and support suspension, demotion, or termination. A longer review period may be required in situations that are more complex.
7. Human Resources shall review and approve all recommendations for termination before any final action is taken (**see** Policy 213 Termination of Employment).
8. Employees who believe that this policy has not been followed, and wish to challenge the decision, must use the dispute resolution procedure (**see** Policy 902 Dispute Resolution Procedure).
9. If an employee who has been disciplined for relatively minor misconduct works a full year without further disciplinary action under this policy, the next failure to meet behavior or performance standards may be treated as a first occurrence under this policy; however, the City of Anacortes may still consider all past disciplinary actions in evaluating the employee (**see** Policy 302 Performance Reviews).

Policy 808 Drugs, Narcotics, And Alcohol

The City of Anacortes is committed to protecting the health, safety and well-being of its employees and all individuals who come into contact with our employees and workplace. In addition, we strive to create and maintain a productive and efficient work environment in which all employees have an opportunity to thrive and be successful.

Recognizing that drug and alcohol use and abuse can pose a serious threat to these goals, the City of Anacortes is committed to providing a drug and alcohol-free workplace for all of its employees. This policy is in accordance with Chapter 296-800 of the Washington Administrative Code (WAC) and with the federal Drug Free Workplace Act.

This policy applies to all employees of the City. Employees who are required to maintain a commercial driver's license (CDL) are also subject to the City's Drug and Alcohol Policy for DOT Employees.

1. The City of Anacortes strictly prohibits the following in the workplace, on City property (including all City-owned, leased, and controlled premises, vehicles, and workstations whereby the employee is being paid by the City and is under the direct control and supervision of the City) or on work time:
 - a. the use, sale, distribution, dispensation, manufacture or possession of alcohol or drugs (including marijuana and other drugs included in Schedule I or II of the federal Controlled Substances Act) or drug paraphernalia;
 - b. the unauthorized use or distribution of prescription drugs;
 - c. the use of any legally obtained drug (prescriptions or over-the-counter medications) when such use may adversely affect an employee's job performance, their safety or the safety of others, or any combination thereof;
 - d. reporting to work or working while under the influence of alcohol or drugs (including marijuana and other drugs included in Schedule I or II of the federal Controlled Substances Act). An employee will be deemed under the influence of a drug if the employee tests positive following a test conducted in accordance with this policy or when the employee acknowledges impairment.
2. Prescription medication. The possession and use of medically prescribed or over-the-counter drugs during work hours is permissible, subject to certain conditions. The employee shall have no obligation to inform the City of such use unless, according to a warning notice or the input of a physician or pharmacist, the drug may cause a possible impairment that could prevent the employee from performing their job safely or effectively. In such cases, the employee should notify their supervisor or Human Resources so that a determination can be made as to whether it is in the best interests of the City and the employee that the employee work, not work or be reassigned during the period medication is used. Medical information will be handled in a confidential manner. Notwithstanding the above, the medical use of marijuana that causes drug or drug metabolites to be present in the body above minimum thresholds established by federal law constitutes prohibited conduct regardless of whether the marijuana was used under the guidance of a medical practitioner and regardless of whether the medical practitioner advised that such use will not adversely affect the employee's ability to safely and effectively perform job duties.
3. Workplace drug related convictions. The Drug Free Workplace Act of 1988 requires employees, as a condition of employment, to report any criminal convictions of drug-related activity in the workplace to the City no later than five (5) days following a conviction. Any such report should be directed to Human Resources. Employees convicted of workplace drug-related crimes may be subject to discipline up to and including termination.

4. Drug and alcohol testing
 - a. The City of Anacortes asserts its right to test employees or applicants for alcohol and/or controlled substances to the extent allowed by law. This includes urine drug testing and evidential breath alcohol testing. Employee or applicant acceptance of testing, when required in accordance with this policy, is a mandatory condition of employment. Refusing to submit to such tests constitutes a violation of City policy and will result in termination of employment or, for an applicant, withdrawal of the job offer. The City of Anacortes reserves the right to test for drugs and/or alcohol as defined below:
 - i. **Pre-employment** – After receiving a conditional offer of employment, an applicant for a safety sensitive position must submit to, and successfully pass, a drug test.
 - ii. **Post-accident** – An employee who is involved in an accident that causes significant property damage while driving a vehicle for City business, or who sustains or causes an injury that requires medical attention, will be required to submit to drug and alcohol testing, unless the circumstances surrounding the accident do not indicate a reasonable possibility that drug or alcohol use was a contributing factor.
 - iii. **Reasonable Suspicion** – Reasonable suspicion is based on specific personal observations that a City of Anacortes management representative can describe and document (using a Reasonable Suspicion Testing and Documentation Form) regarding an employee's appearance, behavior, speech and breath odor.
 - b. The City of Anacortes will follow the collection and drug testing guidelines and standards issued by the U.S. Department of Health and Human Services and the U.S. Department of Transportation (DOT).
 - c. To ensure the accuracy and integrity of the program, the City of Anacortes also will follow these employee protection guidelines:
 - i. For drug analysis, we will use a laboratory that has been certified by the Substance Abuse and Mental Health Services Administration (SAMHSA).
 - ii. A strict chain of custody will be used to ensure specimen integrity; a split specimen will also be collected.
 - iii. The process will ensure privacy and confidentiality of all test results.
 - iv. All positive drug test results will be confirmed by gas chromatography/mass spectrometry before they are reported to the City of Anacortes.
 - v. All confirmed positive, invalid, substituted, and adulterated results will receive medical review by a Medical Review Officer (MRO), who will give the employee an opportunity to provide possible medical explanations for the result.
 - vi. All negative test results will be reported to the designated employer representative.
 - d. In addition, when the City has a reasonable suspicion that an employee is violating any aspect of this policy, the employee may be asked by the City of Anacortes to submit immediately to a search or inspection at any time (including breaks and the lunch period) while on City premises or in City property. Any refusal to consent to a lawful search constitutes a violation of this policy and is grounds for disciplinary action, up to and including termination of employment.
5. Procedures for administering tests:
 - a. Drug screen
 - i. Upon identifying an event that requires testing (pre-employment, post-accident or reasonable suspicion), Human Resources will provide the employee with a non-DOT Custody and Control Form indicating the reason for the test and the specific services to be performed.
 - ii. The employee will report to a clinic or authorized collection site with the Custody and Control Form and photo identification within 60 minutes of notification. In the event of a post-accident or reasonable suspicion testing event, the employee will

be transported to the collection site by a City of Anacortes management representative.

- iii. Samples will be collected by personnel who have met DOT collector training requirements as specified by U.S. Department of Transportation (DOT) Regulations 49 CFR Part 40. Collectors will follow standard DOT collection procedures and use a non-DOT chain of custody form. A split sample collection is required.
 - iv. Shy bladder collections – In the event that an employee is unable to provide an adequate specimen on the first attempt, they will be given 40 ounces of water over a 3-hour period. The employee may attempt to provide a sample at any time within the 3-hour period. The employee must remain at the collection site until the collection is completed. If the employee is not able to provide an adequate specimen within 3 hours, the City of Anacortes Human Resources office will be notified immediately, and they will then notify the Medical Review Officer (MRO) for an evaluation. In this instance, the employee shall have the option to undergo a medical evaluation for “shy bladder” at their expense. If no medical explanation is found for their inability to produce urine, it shall constitute a refusal to test and be considered a failed test.
 - v. Suspected substitution or adulteration collections – If the employee provides a sample and the collection temperature does not register on the collection cup, or the collector suspects that the specimen has been adulterated (for example, it has a blue color or chemical odor that is not consistent with urine, such as bleach or perfume), that collection will be completed, and a second sample will be collected under same-gender direct observation. Both samples will be submitted to the lab for analysis, and both results will require MRO review. If an employee refuses to provide a second sample under observation, the event will be deemed as a refusal to test.
 - 1. The sample will be shipped via courier to a SAMHSA-certified lab.
 - 2. Each sample will undergo a screening test and, if it demonstrates a positive response for any drug, it also will be subject to a confirmation test by gas chromatography/mass spectrometry (GC/MS).
 - 3. All negative results will be reported by an authorized SAMHSA-certified lab directly to the City of Anacortes. All results reported from the laboratory as positive, invalid, substituted, or adulterated results will be reported to the MRO for review. The MRO will contact the employee by telephone to give that individual an opportunity to provide a valid medical explanation for the positive result.
 - 4. If the MRO accepts an employee’s explanation and/or documentation as a valid, medically acceptable explanation, the result may be deemed “negative” and reported to Human Resources as such. All results for which the MRO determines that there is no valid, acceptable medical explanation will be deemed a “confirmed positive” and reported to Human Resources as a failed test. The MRO may require a re-collection under direct observation in the event of some invalid results.
6. Breath alcohol
- a. All alcohol tests will be conducted using an evidential breath testing device operated by a trained Breath Alcohol Technician who has met qualification and proficiency requirements.
 - b. The Breath Alcohol Technicians will use a non-DOT Alcohol Testing Form to record the test. The employer copy of the Alcohol Testing Form will be sent to Human Resources.
 - c. A breath alcohol result of < 0.019 grams of alcohol/210 L of breath will be considered

- negative, and no further testing will be required for that incident.
- d. A breath alcohol result of > 0.020 grams of alcohol/210 L of breath will require a second, confirmatory test conducted no sooner than 15 minutes after the initial test. If the confirmation test result is > 0.020 grams of alcohol/210 L of breath, the result will be considered positive and will be reported immediately to Human Resources.
 - e. If the result is positive, the employee will not be allowed to return to work, and arrangements must be made to provide transportation to the employee's home.
7. Confidentiality. All information received by the employer through the program is confidential. Access to this information is limited to those who have a legitimate need to know.
 8. Consequences. An employee's refusal to do any of the following when required is considered non-compliance and may result in disciplinary action, up to and including termination of employment:
 - a. Take a drug or alcohol test.
 - b. Appear for testing.
 - c. Accept the EAP recommendations when required to use the EAP because of a positive drug test or due to violating a City rule pertaining to drugs or alcohol.
 - d. Comply with the conditions of a Last Chance Agreement.
 9. First verified positive test: An employee may be terminated solely for a first-time confirmed positive drug or breath alcohol test. However, if not terminated, the employee will be given an opportunity for job retention through a Last Chance Agreement. This policy does not prohibit an employee from being terminated for reasons other than a confirmed positive test result. The availability of a Last Chance Agreement in a given situation, as well as the specific terms of that agreement, shall be subject to the City's discretion and approval.
 10. Second verified positive test: If an employee has a confirmed positive drug screen or positive breath alcohol test for a second time, the employee will be terminated immediately.
 11. Implementation details
 - a. Supervisor training. The City of Anacortes will provide a supervisor training program to help supervisors recognize an employee with possible alcohol and/or drug problems. This program will train supervisors how to recognize specific performance or behavior criteria related to substance abuse and how to refer employees for assistance.
 - b. Employee education. The City of Anacortes will provide alcohol and drug awareness information for all employees. This will include the City of Anacortes policy on alcohol and drug abuse; the dangers of alcohol and drug abuse; and treatment and counseling services available through the Employee Assistance Program.
 - c. Employee Assistance Program. The City of Anacortes recognizes that alcohol and drug addiction can be successfully treated and is willing to help employees who suffer from these problems while holding them responsible for their own recovery. The City of Anacortes maintains an Employee Assistance Program (EAP). Employees may also have access to professional services through the City's medical health insurance plans to aid them with any alcohol or drug problems. Employees who need help with drug and/or alcohol misuse or abuse are encouraged to use these resources.
 12. Employees are strongly encouraged to seek help to address their drug or alcohol problems before such issues affect their performance or result in a positive drug or alcohol test. Seeking assistance after an employee has tested positive or demonstrated performance issues will not allow the employee to avoid the disciplinary consequences of his/her behavior. For employees seeking assistance for alcohol and/or drug problems, the EAP will be administered as follows:
 - a. Employees seeking help on their own, or who are referred to the EAP by their supervisor, will be provided assistance on a confidential basis without jeopardizing their employment status.
 - b. Employees who are offered a Last Chance Agreement in lieu of termination for a

violation of this policy may be required to use the EAP and/or successfully complete a treatment program as a condition of continued employment. In such case, the employee may be required to authorize the EAP or treatment provider to disclose to the City information regarding compliance with the treatment program. A Last Chance Agreement may also include requirements for follow-up drug and alcohol testing for a period of two years as a condition of continued employment.

Miscellaneous

Policy 901 Personnel Records

The City of Anacortes maintains personnel records for applicants, employees, and past employees in order to document employment-related decisions, evaluate and assess policies, and comply with government record keeping and reporting requirements.

1. The City of Anacortes tries to balance its need to obtain, use, and retain employment information with a concern for each individual's privacy. To this end, it attempts to maintain only the personnel information that is necessary for the conduct of its business or required by federal, state, or local law.
2. Human Resources is responsible for overseeing record keeping for all personnel information and will specify what information should be collected and how it should be stored and secured.
3. Employees have a responsibility to keep their personnel records up to date and should notify Human Resources in writing of any changes in at least the following:
 - a. Name;
 - b. Address;
 - c. Telephone number;
 - d. Marital status (for benefits and tax withholding purposes only);
 - e. Number of dependents;
 - f. Addresses and telephone numbers of dependents and spouse or domestic partner, or former spouse or domestic partner (for insurance purposes only);
 - g. Beneficiary designations for any of the City of Anacortes's insurance, disability plans; and for the State Department of Retirement Systems.
 - h. Persons to be notified in case of emergency.

In addition, employees who have a change in the number of dependents or marital status should complete a new Form W-4 for income tax withholding purposes.
4. Employees may inspect their own personnel records and may copy, but not remove, documents in the file. Inspections by employees must be requested in writing to Human Resources and will be scheduled at a mutually convenient time. All inspections must be conducted in the presence of a designated member of Human Resources. A reasonable charge, not to exceed the actual cost to the City of Anacortes, will be made for any copies of records made by the employee.
5. Employees who believe that any file material is incomplete, inaccurate, or irrelevant may submit a written request for file revisions to Human Resources. If the request is not granted, the employee may place a written statement of disagreement in the file and make a complaint using the regular grievance procedure (**see** Policy 902 Dispute Resolution Procedure).
6. Only supervisory and management employees who have an employment-related need-to-know for information about another employee may inspect the files of that employee. The inspection must be approved and witnessed by Human Resources. Records containing medical information will be maintained in a secure and confidential file, separate from the personnel file.
7. Employees should refer all requests from outside the City of Anacortes for personnel information concerning applicants, employees, and past employees to Human Resources. Human Resources normally will release personnel information only in writing and only after obtaining the written consent of the individual involved. Exceptions may be made to cooperate with legal, safety, and medical officials who need specific employee information.

In addition, exceptions may be made to release limited general information, such as the following: employment dates, position held, and location of job site.

8. The City follows the general retention schedules defined by the Local Government Records Retention Schedules established by the Washington State Archives.
9. The City customarily retains certain documents in the regular course of business as a part of an employee's permanent record, even if no regulation requires retention. Examples of this type of document would include performance management memos, disciplinary or warning memos, and memos describing the outcome of an internal investigation.

The manager should consider first whether a document in this category should be routed to Human Resources. The manager should contact the Human Resources Director or representative if unclear whether or not the contents should be placed in the employee's file. Other working documents that the manager may need:

- a. Drafts, notes of conversations
- b. Interviews or investigations
- c. Email
- d. Correspondence
- e. Memos
- f. Other working documents that may be needed to manage ongoing issues with employees. These documents may have little utility for anyone other than for the manager and/or the employee's manager and that generally are not viewed by anyone other than HR, the manager, in some cases the employee, and perhaps Legal.

Policy 902 Dispute Resolution Procedure

The City of Anacortes believes that employees should have an opportunity to present their work-related complaints and to appeal management decisions through a dispute resolution procedure. The City of Anacortes will attempt to resolve promptly all disputes that are appropriate for handling under this policy.

1. Employees are encouraged to consult on a less formal basis with Human Resources, their supervisors, or other members of management regarding work-related complaints or disputes.
2. An appropriate dispute is defined as an employee's expressed dissatisfaction concerning any interpretation or application of a work-related policy by management, supervisors, or other employees. Examples of matters that may be considered appropriate disputes under this policy include:
 - a. A belief that City of Anacortes policies, practices, rules, regulations, or procedures have been applied inconsistently to an employee;
 - b. Treatment considered unfair by an employee, such as coercion, reprisal, harassment (including sexual harassment), intimidation, or retaliation;
 - c. Improper or unfair administration of employee benefits or conditions of employment such as scheduling, vacations, fringe benefits, promotions, retirement, holidays, performance review, salary, or seniority.
3. If the employee seeks to complain about harassment, discrimination, or retaliation, this complaint should be directed to the Human Resources Director (**see** Policy 202 Productive Work Environment). If the employee believes that the Human Resources Director is involved, the employee should direct the complaint to the Mayor. For all other types of complaints, the dispute resolution procedure is the exclusive remedy for employees with appropriate complaints. Employees should notify the City of Anacortes in a timely fashion of any dispute considered appropriate for handling under this policy. As used in this policy, the terms "timely fashion," "reasonable time," and "promptly" generally will mean ten working days. Certain employees may have more than one source of dispute resolution rights, i.e. a collective bargaining agreement, the City's Civil Service Rules, and this complaint process. Employees represented by a bargaining unit or who are covered under civil service rules should follow grievance procedures set out in their respective labor contracts or civil service rules where applicable. In all other cases, the procedures described in this section are to be used. Under no circumstances shall an employee have the right to utilize both this process and any other complaint or appeal procedure that may be available to the employee.
4. The dispute resolution procedure has a maximum of three steps, but disputes may be resolved at any step in the process. Disputes will be processed until the employee is satisfied, does not file a timely appeal, or exhausts the right of appeal under the policy. A decision becomes binding on all parties whenever an employee does not file a timely appeal or when a decision is made in the final step and the right of appeal no longer exists.
5. Employees who feel they have an appropriate dispute should proceed as follows:
 - a. **Step One** - Promptly bring the complaint to the attention of the immediate supervisor. If the dispute involves the supervisor, then the employee may proceed directly to step two. The supervisor, if authorized should investigate the complaint or refer it to Human Resources for handling, attempt to resolve it, and give a decision to the employee within a reasonable time. The supervisor should prepare a written and dated summary of the dispute and proposed resolution.
 - b. **Step Two** - Appeal the decision to the department head, if dissatisfied with the

supervisor's decision, or initiate the procedure with the department head if Step One has been bypassed. This appeal or initial dispute notification must be made in a timely fashion using a written form provided for this purpose. The supervisor's version of the dispute and decision will then be submitted using a similar written form. The department head will, in a timely fashion, confer with the employee, the supervisor, and any other members of management considered appropriate; investigate the issues; and communicate a decision in writing to all the parties involved.

- c. **Step Three** - Appeal an unsatisfactory department head decision to the Mayor. The timeliness requirement and procedures to be followed are similar to those in Step Two. The Mayor will take the necessary steps to review and investigate the dispute and will then issue a written, final, and binding decision.
6. Human Resources will provide training and support to supervisors and department heads in dealing with employee complaints. In addition, employees should be encouraged to consult with Human Resources, their supervisors, or other members of management on a less formal basis regarding employee complaints or disputes.
7. Final decisions on disputes will not be precedent-setting or binding on future disputes unless they are officially stated as City of Anacortes policy. When appropriate, the decisions will be retroactive to the date of the employee's original dispute notification.
8. Information concerning an employee dispute should be confidential to the extent possible. Supervisors, department heads, and other members of management who investigate a complaint may discuss it only with those individuals who have a need to know about it or who are needed to supply necessary background information or advice.
9. Time spent by employees in dispute discussions with management during their normal working hours will be considered hours worked for pay purposes.
10. Employees will not be penalized for proper use of the dispute resolution procedure. However, it is not considered proper use if an employee raises complaints in bad faith or solely for the purposes of delay or harassment or repeatedly raises meritless disputes. Implementation of the dispute resolution procedure by an employee does not limit the right of the City of Anacortes to proceed with any disciplinary action that is not in retaliation for the use of the dispute resolution procedure. In addition, employees and supervisors are prohibited from retaliating against an employee who properly uses the dispute resolution procedure.
11. The City of Anacortes may, at its discretion, refuse to proceed with any dispute it determines is improper under this policy.

Policy 903 Whistleblower Protection Act

The City of Anacortes, in compliance with the Local Government Employee Whistleblower Protection Act, RCW 42.41.050, encourages employees to disclose any improper governmental action taken by City officials or employees without fear of retaliation. This policy also safeguards legitimate employer interests by encouraging complaints to be made first to the City, with a process provided for speedy dispute resolution.

1. Improper governmental action is any action by a city officer or employee that is:
 - a. Undertaken in the performance of the official's or employee's official duties, whether or not the action is within the scope of the employee's employment, and
 - b. In violation of any federal, state, or local law or rule, is an abuse of authority, is of substantial and specific danger to the public health or safety, or is a gross waste of public funds.
 - c. Improper governmental action does not include personnel actions including employee grievances, complaints, appointments, promotions, transfers, assignments, reassignments, reinstatements, restorations, re-employments, performance evaluations, reductions in pay, dismissals, suspensions, demotions, violations of collective bargaining or civil service laws, alleged violation of labor agreements or reprimands. In addition, employees are not free to disclose matters that would affect a person's right to legally protected confidential communications.
2. Retaliatory action is any material adverse change in the terms and conditions of an employee's employment. Emergency means a circumstance that if not immediately changed may cause damage to persons or property.
3. Employees who become aware of improper governmental action should follow these procedures:
 - a. Bring the matter to the attention of the Director of Human Resources, if non-involved, in writing that states in detail the basis for the employee's belief that an improper action has occurred. This should occur as soon as the employee becomes aware of the improper action. Where the employee believes the improper action involves the Human Resources Director, the employee may raise the issue directly with the Mayor.

In the case of an emergency, where the employee believes that damage to persons or property may result if action is not taken immediately, the employee may report the improper governmental action directly to the appropriate government agency with the responsibility for investigating the improper action.

- b. The Mayor or the Mayor's designees shall promptly investigate the report of improper government action. After the investigation is completed (within thirty (30) days of the employee's report), the employee shall be advised of the results of the investigation. City of Anacortes officers and employees involved in the investigation shall keep the identity of reporting employees confidential to the extent possible under law, unless the employee authorizes the disclosure of their identity in writing. After an investigation has been completed, the employee reporting the improper governmental action shall be advised of a summary of the results of the investigation. To the extent allowed under the Public Record Act, personnel actions taken as a result of the investigation may be kept confidential.
4. An employee who makes a good faith effort to follow this policy is entitled to protection against retaliation pursuant to RCW 42.41.030.
5. In the case of an emergency, where the employee believes that damage to persons or property may result if action is not taken immediately, the employee may bypass the above procedure and report the improper action directly to the appropriate government agency

responsible for investigating the improper action. Outside agencies to which reports may be made include, but are not limited to, the following:

Skagit County Prosecuting Attorney's Office
Washington Attorney General
Washington State Auditor
Department of Labor & Industries
Washington State Patrol
Washington Department of Natural Resources

6. Employees may report information about improper governmental action directly to an outside agency if the employee reasonably believes that an adequate investigation was not undertaken by the City to determine whether an improper governmental action occurred, or that insufficient action was taken by the City to address the improper action or that for other reasons the improper action is likely to recur.
7. It is unlawful for a local government to take retaliatory action because an employee, in good faith, provided information that improper government action occurred. Where an employee believes that retaliation has occurred for reporting an improper government action, the following procedures will apply:
 - a. Employees must provide a written complaint to the Human Resources Director within thirty days of the occurrence of the alleged retaliatory action. If the Human Resources Director is involved, the notice should go to the Mayor. The written charge must specify the alleged retaliatory action and the relief requested.
 - b. The Mayor shall investigate the complaint and respond in writing within thirty days of receipt of the written charge.
 - c. After receiving the response of the City of Anacortes or thirty (30) days after the delivery of the charge to the City of Anacortes, the employee may request a hearing before a state administrative law judge to establish that a retaliatory action occurred and to obtain appropriate relief provided by law. An employee seeking a hearing should deliver the request for hearing to the City of Anacortes Mayor within the earlier of either fifteen (15) days of delivery of the City of Anacortes' response to the charge of retaliatory action, or forty-five (45) days of delivery of the charge of retaliation to the City of Anacortes for response.
 - d. Within five (5) working days of receipt of a request for hearing the City shall apply to the State Office of Administrative Hearing's for an adjudicative proceeding before an administrative law judge. At the hearing, the employee must prove that a retaliatory action occurred by a preponderance of the evidence. The ALJ will issue a final decision no later than forty-five days after the date of the request for hearing, unless an extension is granted.
 - e. Additional information can be obtained on the Internet: <https://sao.wa.gov/report-a-concern/how-to-report-a-concern/whistleblower-program/>

Policy 904 Emergency Operations

The City of Anacortes has a responsibility to protect the health and safety of the public during times of emergency. In order to carry out this responsibility, it is a requirement of the City of Anacortes that employees report to work after assessing the health and safety of their families. The City will make every effort to provide assistance to employees and their families to facilitate this reporting. The City realizes that employees will not be able to effectively work until family situations are taken care of first and foremost. This policy establishes guidelines for when employees will be required to report to work in the event of an emergency as declared. Further details can be found in the City's full Emergency Operation Plan and Emergency Guides maintained by the City's Emergency Manager.

1. Where and When to Report:

- a. Department Directors will establish a staffing plan for essential functions which will be needed during an emergency. Employees should be informed in advance of where and when to report.
- b. Employees are expected to make every effort possible to get to the assigned work site. If, due to road closures, the employee is unable to get to the assigned job site, the employees should report to the nearest City facility. It is also understood that some employees may be unable to get to work for a period after an event. At the same time, employees who are at work at the time of the event may be required to remain on the job to provide emergency services or may be unable to leave due to unsafe conditions. The City of Anacortes will assist them in contacting their families.
- c. Employees who are unable to report should contact the designated department representative as soon as possible.

2. Family Needs:

The initial reaction of most employees will be to try to determine the well-being of their own families. If at home at the time of the event, an employee's first responsibility is to care for themselves and their family's immediate needs, then report to work. If at work, employees can make every effort to establish contact with the family to determine status. The City will do all that is possible to assist you in contacting your family to ensure their safety. An updated "Emergency Contact Notification" form should be completed annually by you to ensure the proper contact person is notified. Contact the Human Resources department anytime you wish to update the form.

3. Location of City Emergency Operations:

Employees should report to their regular place of employment. Should it become necessary to establish an Emergency Operation Center (EOC). The City's EOC locations are as follows:

- a. Primary: Police Station/Municipal Court, 1218 24th Street. If the Police Station is not available, employees should report to the secondary location.
- b. Secondary: Fire Station 1, 1016 13th Street.

4. Emergency Notification:

- a. Listen to your car or battery-operated radio for emergency updates and routine instruction. The dissemination of emergency warning information to the public is dependent upon the use of mobile sirens and public address systems located on police and fire vehicles. In addition to mobile sirens, City government will rely on the use of various media and the local Emergency Broadcast Systems (KLKI) and Community Alert Network (C.A.N) system to alert and inform the public.
- b. The Mayor is the only City official authorized to activate the local Emergency Broadcast System to assist in emergency warning and dissemination of information to the public. In the absence of the Mayor, the Mayor Pro Tempore is in charge followed by the city attorney. The Emergency Broadcast System must be activated through the Skagit County Department of Emergency Management.

5. Employee Role in an Emergency:

- a. Report to Work: After your crucial personal and family emergency responsibilities have been met, and you are physically able, you are expected to report to work according to your department's operational procedures following a major emergency.
- b. Contact the City: If the telephone system is out and radio information is not forthcoming, you should report as soon as possible. During a major emergency, the telephone network will probably be overwhelmed and in some cases completely shut down. Every effort should be made to report to work or a place of work if unable to get to your work location.
- c. Find out where you are needed: If phones are operative, you are to contact your respective department for information on when and where to report to duty. In a major emergency, the initial response to an emergency incident will be primarily provided by fire, police, and public works. The Incident Commander shall have the authority to request additional resources from other City departments.
- d. Help for your family: Coordination of emergency welfare services (including, but not limited to shelter, feeding, and daycare) will be provided to immediate family members of City employees who are on duty.
- e. Out-of-Town Reporting: If you live outside of Anacortes and cannot get into the City and cannot report via telephone, report to the nearest local Emergency Operation Center and request that governmental agency to contact Anacortes EOC for instruction. You may need to work in your town of residence.
- f. What to Expect:
 - i. In the event of an emergency, you may not be doing the regular functions of your job. Each department will be assigned specific tasks. This may mean you will be doing whatever is necessary to care for and protect the City of Anacortes citizens. You may be working under a different organizational structure, i.e., one designed for the incident at hand, and a different chain of command. People who you now report to may not be the people you are assigned to in an emergency. Likewise, if you are in charge of others, you may have different people assigned to you. Whether given a pre-designated assignment in the emergency plan or not, be prepared to respond as needed.
 - ii. The citizens of Anacortes depend on municipal employees to be organized and deliver support services in a timely manner. We will do everything possible to meet those expectations.
 - iii. Remaining at work is essential until released by your department or the City's Emergency Management Director. This makes it especially important for you to prepare your family.
 - iv. It is advised to establish an out-of-state telephone contact; someone that all family members can call should you be separated. Long distance service may be available even though local service is not.

Policy 905 Telecommuting

The City of Anacortes recognizes that a telecommuting arrangement may be a viable and mutually beneficial option when both the employee and the position are suited for such an arrangement. Working from home is a benefit of the City's flexible workplace and not a guaranteed privilege. Quality public service, team cohesion, cross-team collaboration, and positive relationships are the core of our ongoing success and essential functions of every job. Each employee has a vital part to play in building and sustaining strong teams and providing quality public service. A team focus should be any employee's priority over the telecommuting benefit.

Telecommuting means performing normal work duties, during regular business hours, away from the office, either at home or at an alternative worksite chosen by the employee, provided the location allows for the employee to work productively. Workdays that include attendance at trainings, conferences, representing the city at approved/recognized events, and similar activities are not considered telecommuting under this policy. Employees are expected to physically work within the City as necessary in order to be a part of the community they serve. If telecommuting impacts an employee's ability to provide required internal or external customer service, telecommuting will be discontinued at the city's sole discretion.

Telecommuting is a voluntary work alternative, and supervisors shall determine if an employee's work is conducive to telecommuting. Telecommuting is not an entitlement and is not a citywide benefit. Telecommuting in no way changes the terms and conditions of employment with the City.

The amount of time the employee is expected to work per day or pay period will not change as a result of telecommuting. Telecommuting is not designed to be a replacement for the care of children or other individuals. Total telecommuting hours per week are discussed between supervisor and employee, with the intent that employees work at least three or more days a week in the office. There is no minimum hourly requirement for telecommuting. Temporary schedule adjustments can be made as necessary at supervisor approval.

Final decisions to allow telecommuting, the duration, and the employee's schedule are approved by the department director, with additional oversight by Human Resources and the Mayor.

1. Program Description

Telecommuting is voluntary and is a mutually agreed upon work alternative between the employee and supervisor. Either an employee or a supervisor can suggest telecommuting as a possible work arrangement. This arrangement can be modified at any time by the City or by mutual agreement between the employee, manager, and department head. All telecommuting arrangements are made on a case-by-case basis, focusing on the business needs of the City. Work must be specific, measurable, and have attainable performance expectations.

2. Eligibility

When evaluating a request to telecommute, the City will consider the following eligibility criteria:

- a. Nature of employee's duties and extent to which duties can be performed effectively working remotely,
- b. The employee's past and present levels of performance,
- c. Job, work group, department, operational and customer service needs, including the impact on other staff members,
- d. Equitable distribution of telecommuting work arrangements for similar type work,
- e. Equipment needs,
- f. Ability to return to the office on short notice from the telecommuting work location,
- g. Telecommuting workspace condition, including those affecting safety and security, and
- h. Other factors relevant to a particular situation.

3. Requirements

Employees and supervisors contemplating telecommuting as a work option must comply with the following requirements:

- a. The employee must complete an alternative work schedule with remote option agreement, available on Laserfiche forms;
- b. The employee must complete another alternative work schedule with remote option agreement if the employee would like to modify or terminate the telecommuting schedule, or if they change positions;
- c. The employee must establish and maintain a safe work area that facilitates productivity and adheres to City policies regarding City equipment;
- d. The City shall not be required to provide additional equipment to facilitate the employee's ability to telecommute unless it is related to safety or disability accommodation; however, employees may be permitted to use City equipment (laptops, mobile devices, etc.) issued to them as part of their employment while telecommuting;
- e. The employee must ensure that City-owned equipment will be well cared for, secure, not used by anyone other than employee, and returned as requested;
- f. The supervisor must be satisfied that the telecommuting employee will be able to carry out work tasks in an acceptable manner;
- g. The employee must work at least three or more days a week in the office;
- h. The employee must adhere to all requirements of the employer for hours tracking while telecommuting;
- i. The employee must adjust their telecommute time to ensure their participation at required in person meetings and City events;
- j. A supervisor may require an employee to appear in-person at City facilities during their normally scheduled telecommuting work hours after providing the employee reasonable notice based upon the employee's circumstance;
- k. The telecommuting employee must be a resident of Washington State and the alternative work location must be in Washington State;
- l. The employee's telecommuting workspace environment must be free from disruptions and distractions that negatively affect attendance and/or the performance of job duties; and
- m. Telecommuting work must not be used to provide active care for a child or other dependent. Employees should arrange care so as not to interfere with performing the requirements of their position.

4. Telecommuting Security

Consistent with the City's expectations of information security for employees working at the office, employees who are working remotely must ensure the protection of proprietary City information and confidential information accessible from their telecommuting work location. Steps include:

- a. Locking the computer when leaving the work area,
- b. Installation of updates as they become available,

- c. Secure handling and disposal of physical documentation,
- d. Ensuring secure (password protected) internet service,
- e. And any other measures appropriate for the job and the environment.

All telecommuting workers are responsible for all activity performed under their City account and must protect against any unauthorized use. If an employee's access login or password has been compromised or if the telecommuting access user's computer, laptop, or any City owned equipment is lost, stolen, or otherwise compromised, the Information Systems Department must be contacted immediately. City equipment should be used by the employee only. Additionally, all e-mail, documents and other materials created using telecommuting access privileges are public records and will fall under the disclosure rules of the Public Records Act.

5. Telecommuting Safety

Employees are expected to maintain their workspace in a safe and ergonomically suitable manner, free from safety hazards. Injuries sustained by the employee in a telecommuting office location and in conjunction with regular work duties are normally covered by the City's workers' compensation policy. Employees working remotely are responsible for notifying their supervisor of any injuries as soon as practical and should complete an Incident Report Form. Employees should not have work-related persons (non-city employees), vendors, or other customers visit the employee at their telecommuting work site.

6. Telecommuting Hours Worked and Meal/Rest Periods Requirements

Employees approved to work remotely are expected to work their assigned work schedule unless approved by their supervisor. They must also observe regular lunch and rest periods. For overtime eligible employees, any overtime hours require the advance approval of the employee's supervisor. Failure to comply with this requirement may result in termination of the telecommuting work arrangement. An employee working remotely may be required by their supervisor to maintain a daily log of work activities and/or report their work activities. The employee will follow existing City policies to use paid sick, vacation time, or other accrued leave.

7. Telecommuting Employee Availability/Responsiveness Requirements

An employee who is working remotely must be available and responsive during regularly scheduled work hours. Regardless of an agreed-upon telecommuting work schedule, if an employee's in-person presence is needed, the employee must remain willing and able to come to the worksite to perform job duties. Supervisors should give at least 24-hour advance notice whenever possible. A request to come to the worksite during regularly scheduled work hours is not considered a schedule change. Reporting to the office from a telecommuting work location is commute time and is non-compensable. The City will make a reasonable effort to provide advance notice of any changes to an established regular telecommuting work schedule, but advance notice will not always be possible.

8. Telecommuting Employee Disciplinary Action Requirements

Failure to follow the rules and guidelines stated in this policy may result in progressive disciplinary action up to and including termination and in accordance with the relevant collective bargaining agreement.

9. Tax Liability

Employees agree to be responsible for their own compliance with tax laws. The City is not responsible for substantiating an employee's claim for tax deductions for operating a home office. If a telecommuting employee has questions concerning whether home office expenses are tax deductible, that employee should seek advice from their tax consultant.

10. Residency

For employees who telecommute, each employee's residence and alternative work location must be within the State of Washington. Tax requirements differ from state to state, and payroll cannot set up and file taxes outside the state of Washington. If an employee fails to

retain Washington residency, the employee will be expected to immediately resign or return to Washington State. Otherwise, the City will initiate the employment termination process. If separation occurs, the employee is expected to return any City equipment by submitting a Help Desk ticket in advance for instructions on how to return equipment.

11. Working Out of State

Telecommuting during temporary travel or moving out of the State of Washington is allowed with supervisor approval and cannot exceed a total of thirty (30) calendar days in a calendar year (January 1 through December 31). Extension of telecommuting for working out of state in excess of 30 calendar days must have HR Director approval.

The employee is responsible for creating a mutually agreed upon work schedule with their supervisor. The work schedule cannot cause undue hardship to the division or department. There is no guarantee that continued out-of-state telecommuting shall be permitted.

12. Ad Hoc Telecommuting

Ad hoc telecommuting arrangements may be requested by the employee in writing and approved by a supervisor for circumstances such as special projects, health-related accommodations, business travel, or other unexpected circumstances. The employee will not be required to complete a telecommuting agreement during ad hoc telecommuting. These arrangements are approved on an as-needed basis only, with no expectation of ongoing continuance, and focusing first on the business needs of the organization. Ad hoc telecommuting may last a maximum of eighty (80) hours per circumstance leading to the need to ad hoc telecommute, or the employee and supervisor must complete an alternative work schedule with remote option agreement.

All use of digital equipment must be managed, including acquisition, maintenance, updates, and removal from service, by the IS Division and remain in compliance with all security policies of the City.

A-5 No Expectation of Privacy

By using the City's Technology Resources employees acknowledge and agree that they have no expectation of privacy or confidentiality in their use of these systems or in any data that they create, store, or transmit over the systems, including data generated through, an employee's incidental personal use of the Technology Resources. Employees further agree that they are aware of, understand and will comply with the provisions of this policy, and that their use of the Technology Resources is monitored. Work related email messages, other electronic communications, and documents created on City or personal devices may be considered a public record subject to review, disclosure and/or subject to discovery in the event of litigation.

A-6 Ownership & Confidentiality

All software, programs, applications, data, data files and web pages relating to City business regardless of device ownership are property of the City. The City retains the right to access, copy, modify, destroy or delete the property. Data files containing:

1. Confidential or restricted data should be treated accordingly and should not be removed from the workplace without proper authorization. This includes, but is not limited to:
 - a. Certain records including those relating to or containing financial, medical or personal information.
 - b. Legal documents including but not limited to those relating to property transactions, litigation or claims against the City.
 - c. Banking and financial information including but not limited to transactions, credit cards, customer passwords, etc.

A-7 Use of Digital Equipment for Personal and City Business

For employees who are issued City devices, it is the City's policy that employees use City-issued devices for City business. Failure to follow this policy could result in discipline up to and including termination and liability for failing to properly maintain records per the Public Records Act. Text messages and other electronic correspondence sent using a personal cell phone or device that pertain to City business or otherwise fall within the definition of a "public record" as defined in the Public Records Act are public records. Users have no right to privacy in City-owned cell phones or devices.

City of Anacortes employees are encouraged not to use personal devices for City business. An employee who uses their personal cell phone or device to send or receive text messages related to City business is required to follow this policy and shall be required to produce the device containing texts and other electronic data relating to City business in accordance with this policy.

A-8 Notice of Requirement for Public Records Act Compliance

All electronic data are the property of the City of Anacortes and may be public records under the Public Records Act, chapter 42.56 RCW.

A-9 Acquisition Of Information Technology Resources

Acquisition of technology resources must conform to the provisions as defined in City of Anacortes Purchasing Policy, including but not limited to the following:

1. The City of Anacortes Purchasing Policy requires the concurrence of the IS Division at the discretion of the IS Manager, for purchases for the following:
 - a. Software or hardware (including copiers, scanners, and mobile devices) that interfaces with or will be used on the City's network or city-owned computer equipment.
2. Chapter 36.92 RCW requires that all data processing shall not be provided or acquired by a City department other than the IS Division.

Before acquisition, the IS Division must review and concur with all software, hardware, removable device (i.e., anything that connects via USB port, serial port, USB thumb drive, web cameras, etc.) and related maintenance and support contracts, whether the selected products or solution will be on the network or off, used by one or many people, and regardless of program and funding sources.

All software and hardware must be installed by the IS Division. Specialized software and hardware technologies exclusive to individual departments may be managed within the appropriate department, in coordination with and approval of the IS Division.

Most City hardware has a pre-determined lifecycle replacement period and must be surrendered for replacement on a 1:1 basis or retired, according to that schedule. Such technology may not be redeployed without the concurrence of the IS Division.

All hardware resources including computers, monitors, tablets, etc. purchased for in-office or field usage should reside at their assigned work location. Any changes made to hardware locations must be coordinated with the IS Division and the relevant Department Head.

A-10 City-Provided Cellular Telephones

The City of Anacortes recognizes that for certain job functions it is critical that an employee be accessible when away from the assigned work location, during times outside scheduled working hours, or during times of emergency. To accommodate these accessibility needs, the City will provide a mobile communications device to those certain employees, who will then be expected to be accessible as may be necessary. Use of such City-provided mobile communications devices are subject to the expectations described in this policy and no expectation of privacy. All cell phone use is subject to public disclosure, including calls made and received, text messages, photos, and data usage.

All City of Anacortes cellular phones are programmed with staff contacts to promote optimal use of the network. Employees should verify the contact list is up to date; the IS Division can assist with updating if necessary.

Employees are expected to monitor personal use of the internet, messaging, and other applications, to ensure that the City is being appropriately served. Employees must obtain authorization from their supervisor before incurring charges; for example, from downloading data, accessing a paid service, or installing an application.

The City reserves the right to audit and review usage of City-provided cell phones to ensure appropriate and reasonable use.

A-11 Downloads

Downloading files from the internet or opening email attachments from sources outside the City can lead to malware infections that can severely damage or degrade the City's network and/or data. The IS Division has installed anti-virus and anti-spyware software on all City computers and continuously updates signature definition files. However, that does not guarantee that all malware is detected, and blocked.

If you are downloading a file and receive a message that a virus or spyware has been detected, you must contact the IS Division immediately for assistance. Similarly, if you receive an email with a suspicious attachment, or from an unusual source, you must notify the IS Division before opening it. If you notice that your computer is behaving strangely or suspect some type of malware, notify the IS Division immediately.

A-12 Reasonable Use/Permissible Incidental Usage

The City provides software and hardware to employees for the primary purpose of supporting their job responsibilities. However, de minimus personal use may be permitted where such use does not interfere with employee or department productivity, nor distract from employees' assigned work. De minimus personal use means:

1. Use does not compromise the security or integrity of City data or to the City Network.
2. Use does not result in a cost to the City.
3. Use does not interfere with the responsibilities and fulfillment of job duties.
4. Use is brief in duration and frequency.
5. Use does not distract from the conduct of City business.
6. It does not constitute any prohibited use, as discussed below.

A-13 Unallowable Use of Resources

Use of the City's Technology Resources to engage in any communication that violates federal, state, or local laws or regulations, or any City policy, is strictly prohibited. In addition, the following uses of the City's Technology Resources are inappropriate and prohibited, unless specifically exempted:

1. Usage for any type of unlawful harassment or discrimination, including the transmission of obscene or harassing messages to any individual or group or other protected status.
2. Usage that precludes or hampers City network performance.
3. Unauthorized copying or downloading of copyrighted material.
4. Usage that violates software license agreements.
5. Downloading of software programs (unless specifically approved by applicable Department Head and coordinated with the IS Division).
6. Sending anonymous messages and/or misrepresenting an employee's name, position, or job description.
7. Deliberately propagating any virus, worm, malware, spyware, crypto-mining software, or other code or file designed to disrupt, disable, impair, or otherwise harm either the City's networks or systems, or those of any other individual or entity.
8. Releasing misleading, distorted, untrue or confidential materials regarding City business, views or actions.
9. Use of Technology Resources in an excessive manner to deprive others of system use or resources, including the sending of bulk email for other than official business or forwarding "chain letter" emails of any kind.
10. The unauthorized use of another user's login credentials, or the sharing of login credentials

is prohibited.

11. Visiting Internet sites that are inappropriate for a work environment, or referencing, downloading and/or storing materials that are inappropriate in a work environment is prohibited unless such activity is specifically related to the City Network User's job responsibilities and has been authorized by the IS & IT Manager. Examples of such prohibited content includes but is not limited to content from sexually explicit sites, and those associated with violence, hate crimes or illegal activities.
12. Conducting of outside business or commercial enterprise.
13. Supporting, promoting, or soliciting monetary or material contributions for any non-City sponsored organization or group, including religious activity, campaigning, or political activity.
14. Any use that results in the City being placed on blacklisted electronic mailing lists.

The preceding list does not address all prohibited uses, but merely covers common examples.

Any employee who violates these policies could be subject to disciplinary action, up to and including termination. In addition, employees may be held personally liable for damages incurred because of copyright and licensing requirements.

A-14 Electronic Document Management

Users must manage their electronic documents in accordance with record retention policies and procedures as defined and identified by Chapters 40.14 and 42.56 of the Revised Code of Washington.

A-15 General & Remote Access

The IS Division must authorize all access to central computer systems.

Employees may access the City's Intranet, by pointing a web browser to:

<https://www.cityofanacortes.org/945/Staff-Intranet> and City email at: <https://portal.office.com> and other cloud applications including Laserfiche, RGIS, Cartegraph, Civic Clerk, etc.

There are a limited number of laptops available for employees to check out for business-related travel or projects. These must be returned to the IS Division immediately upon returning, and before being connected to the City's network.

1. VPN

Access to the City's network via VPN (virtual private network) requires approval from the department head and mayor via a Laserfiche form. VPN accounts will be audited, and inactive accounts will be deactivated. Reactivation of intermittently used VPN accounts for vendor support purposes will be accommodated upon request.

2. Password Policy

The IS Division must authorize all access to City computer systems. Each user is responsible for establishing and maintaining a password that meets City requirements. The use of another person's account or attempt to capture other users' passwords is prohibited. Passwords must:

- a. Have a minimum length of 12 characters,
- b. Be complex. Passwords should have at least three of the following four types of characters:
- c. Lowercase

- d. Uppercase
- e. Numbers
- f. Special characters such as .!@#\$\$%^&*(){}[]
- g. Passwords should not be easy to guess.
- h. Should not be shared under any circumstance.
- i. IS should be notified in the event of an accidental disclosure or breach of any City business related password.
- j. Passwords should not be similar to the last 10 passwords used or reused across multiple systems.
- k. Passwords should not be documented in a manner that is easily accessed by others, i.e., on a post-it note next to your computer.
- l. The use of another person's account or attempt to capture other users' passwords is strictly prohibited.

A-16 Network Access and Usage

The IS Division must approve of any devices connecting to the City's network. This includes PCs, network hubs and switches, printers, handhelds, scanners, remote connections, and wireless or wired devices.

Non-employee third parties (e.g., vendors, contractors) are required to have their PCs, laptops, etc. scanned by the IS Division for malware virus detection prior to connecting to the City's network. Representatives of the contracting departments are responsible for assisting their contractors to engage the IS Division to perform these services. If third parties are required to access our enterprise network for the purposes of performing their duties, all individuals should sign a Remote Access form, Non-Disclosure agreement and may be required to complete a Network Security Training.

A-17 Public Network Access & Usage

City staff may use their own personal technology devices to access the public side (COA Guest network) of the City wireless network and connect to the internet for personal use. It should also be noted that the public network is NOT secure, and users connect to public Wi-Fi at their own risk thus there is an associated risk.

A-18 Social Media

Social media presents both an opportunity and risk to individual City departments, employees, and the City as a whole. New social media sites associated with the City must be created with prior Department Head approval. Site links and passwords must be shared with IS for archival purposes. As a general matter, social media posts should not be considered the best source of information on City business. Official City publications located on the website or through official press releases are the best location for accurate information.

A-19 Cyber Security Training

City employees are required to complete cyber security training within one month of hire. Employees may be subject to additional cyber security training if deemed necessary by the IS Division, HR Department, or the employee's manager.

A-20 IS Help Desk

It is the preference of the IS Help Desk to receive requests via email to generate a Help Desk ticket at helpdesk@cityofanacortes.org. Urgent requests can be made via phone at 360-588-8230 or x5555 but should also be followed up with an email to generate a ticket.

Addendum B - Continuation coverage rights under COBRA

To: **City of Anacortes Employees**
From: **City of Anacortes**
Subject: COBRA health care continuation coverage

This notification is being sent for your information only as a reminder of your COBRA rights and obligations. There has been no COBRA qualifying event to trigger this notice.

You and your covered family members may continue coverage under your health plan provided through the AWC Trust (AWC Trust) in certain instances when coverage would otherwise be lost. **When you first become covered by your health plan, this “Initial COBRA Notification” explains your rights and obligations should your employment end or certain other events occur which cause you to lose your medical coverage.** This notice is also sent to employees and retirees on an annual basis in order to remind you of your COBRA rights.

COBRA coverage will be the same as that provided to employees (or if you are on a retiree plan, retirees) and their covered family members, including domestic partners. This includes open enrollment changes and adding dependents due to birth or marriage.

Rules for the continued coverage are provided by federal law – the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended, and its regulations. COBRA continuation coverage is continuation of Plan coverage when coverage would end because of a life event known as a “qualifying event.” Under COBRA, you can continue medical coverage if you have any one of these qualifying events that causes you to lose to coverage under the plan:

- Your employment terminates for any reason other than for gross misconduct. If you decide not to return to employment at your employer during FMLA leave, you will be offered COBRA at the earlier of the date your FMLA leave ends or the date you tell your employer that you will not return to work after the FMLA leave.
- You are no longer eligible for coverage due to reduced work hours.

Your covered family members can continue coverage if their coverage ends because of one of these qualifying events:

- One of the two qualifying events listed above;
- Your death;
- Legal separation, divorce, or termination of domestic partnership; or
- Your child is no longer eligible for coverage under the Plan as a “Dependent child,” due to age or loss of disability status.

Persons who are eligible to continue coverage under COBRA are called “qualified beneficiaries.” You may change your coverage and add or cancel coverage for eligible family members (1) during any annual or other open enrollment period that is offered; and (2) during any special enrollment period applicable to your coverage.

When the qualifying event is the end of your employment, the reduction of hours of your employment, or your death, your employer will notify the AWC Trust of the qualifying event within 30 days of the event.

You must give notice of some qualifying events. You or a family member is responsible for notifying the AWC Trust of a qualifying event which is your legal separation, divorce, termination

of domestic partnership, or your Dependent child ceasing to be eligible for coverage. Such notice must be provided in writing within 60 days of the qualifying event to the AWC Trust either through your employer, or as provided in the "Notice Procedures" below.

Failure to furnish notice in accordance with these rules will result in a loss of coverage continuation rights that are otherwise available under COBRA.

How to apply and pay for COBRA

You must follow the steps below to apply and pay for COBRA continuation coverage.

Within 14 days after the AWC Trust receives notice of your qualifying event, a COBRA enrollment form will be mailed to the address listed on your employment record.

To elect continuation coverage, complete the enclosed COBRA election notice and return it to the AWC Trust. You and your dependents have **60 days** from the later of the date you lost coverage or the date of the enclosed COBRA election notice. Each qualified beneficiary (family member) who was covered under the plan at the time of loss of coverage has a separate right to elect COBRA continuation coverage. For example, the employee's spouse may elect COBRA coverage even if the employee does not. COBRA coverage may be elected for only one, several, or for all dependent children who are qualified beneficiaries. A parent may elect to continue coverage on behalf of any dependent children. The employee or the employee's spouse can elect COBRA coverage on behalf of all of the qualified beneficiaries.

You must make your first payment for continuation coverage no later than 45 days after the date of your election. The 45 days is measured from the date your Election Notice is post-marked. Note that your COBRA benefits will not begin until payment is received. **Your first payment must be made in full, including all payments due back to the effective date of your COBRA coverage.** Failure to make timely payment within the 45-day period will result in termination of your continuation coverage and loss of all COBRA rights.

After you make your first payment for continuation coverage, you are required to make monthly payments for each subsequent coverage period. Although monthly payments are due on the first day of the month of coverage, the AWC Trust allows a grace period of 60 days after the first day of the coverage period. Your continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period. Failure to make payment in full before the end of the 60-day grace period will result in termination of your coverage and loss of all COBRA rights. COBRA coverage will not be reinstated. In the event that you do not receive a monthly billing, it is still your responsibility to make your payment no later than the end of 60-day grace period.

Cost of COBRA coverage

You pay the full premium cost of COBRA coverage, plus a 2% administrative fee, as permitted by law.

Duration of COBRA coverage

Your COBRA continuation coverage is effective the first of the month following the date of your loss of coverage. In the case of a loss of coverage due to the end of employment or reduction in hours of employment, COBRA coverage generally may be continued for up to a total of 18 months. In the case of losses of coverage due to an employee's death, divorce or legal separation, or a dependent child ceasing to be a dependent under the terms of the plan, coverage may be continued for up to a total of 36 months.

When the qualifying event is the end of employment or a reduction of hours, and the employee became entitled to Medicare benefits less than 18 months **before** the qualifying event, COBRA coverage for qualified beneficiaries (other than the employee) who lose coverage as a result of the qualifying event can last for a period of no less than 36 months from the date the employee became entitled to Medicare.

Disability extension

An 11-month extension of coverage may be available if any one of the qualified beneficiaries is determined by the Social Security Administration (SSA) to be disabled. The qualified beneficiary must receive a Social Security Determination and provide a copy of the SSA Disability Award letter to AWC within the first 18 months of the COBRA continuation coverage. **Failure to provide the SSA Disability Award letter timely will result in the loss of your right to extend COBRA coverage.**

Each qualified beneficiary who is enrolled in COBRA coverage at the time of the disability determination will be entitled to the 11-month disability extension. If SSA determines the qualified beneficiary is no longer disabled, you must notify AWC of that fact within 30 days after that determination.

Second qualifying event extension

An 18-month extension of coverage is available to spouses and dependent children who are qualified beneficiaries enrolled in COBRA coverage if a second qualifying event occurs during the first 18 months of COBRA coverage. The maximum amount of COBRA coverage available when a second qualifying event occurs is 36 months. Second qualifying events include the death of a covered employee, divorce or separation from the covered employee, or a dependent child reaching the limiting age for coverage under the plan. These events can be a second qualifying event only if they would have caused the qualified beneficiary to lose coverage under the plan if the first qualifying event had not occurred. **You must notify the AWC Trust within 60 days after a second qualifying event occurs if you want to extend your continuation coverage. Failure to provide notice within 60 days will result in the denial of any COBRA coverage extension.**

Termination

COBRA coverage will be terminated before the end of the maximum period if:

- any required premium is not paid in full on time,
- a qualified beneficiary becomes covered under another group health plan **after** electing COBRA,
- a qualified beneficiary becomes entitled to Medicare benefits (Part A, Part B, or both) **after** electing COBRA,
- the employer ceases to provide any group health plan for its employees.

Special considerations in deciding whether to elect COBRA

In considering whether to elect COBRA, you should take into account that you have special enrollment rights under federal law. You have the right to request special enrollment in another group health plan for which you are otherwise eligible (such as a plan sponsored by your spouse's employer) within 30 days after your group health coverage under the plan ends because of one of the qualifying events listed above. You will also have the same special

enrollment right at the end of the COBRA coverage if you get COBRA coverage for the maximum time available to you.

In addition to COBRA coverage, you should consider health coverage alternatives that may be available to you through the Health Insurance Marketplaces. In the Marketplace, you could be eligible, depending upon your household income and other factors, for a new kind of tax credit that lowers your monthly premiums right away. At the Marketplace, you can see what your premium, deductibles, and out-of-pocket costs will be before you make a decision to enroll in any available insurance. Being eligible for COBRA does not limit your eligibility for a tax credit through the Marketplace. For more information about health insurance options available through the Health Insurance Marketplace in Washington, visit www.wahealthplanfinder.org. For information about health insurance options in other states, visit www.healthcare.gov.

Address changes

In order to protect your family's rights, you should keep your employer and the AWC Trust informed in writing of any changes in the address or marital status or domestic partnership of family members. You should also keep a copy for your records of any notices you send to the AWC Trust, your employer, or anyone else concerning COBRA.

This notice does not describe all information concerning your continuation rights under federal law. More complete information regarding such rights is available by contacting the AWC Trust.

COBRA notice procedures
